## I. INTRODUCTION

In its initial order granting final approval, this Court, after summarizing the benefits of the Vehicle Repurchase and cash payment remedies, found that “the settlement provides valuable remedies.”<sup>1</sup> (ECF 192, at 3.) The Court’s assessment has now been proven correct, as Class Members have already received over **\$47.4 million** from Defendant Ford Motor Company (“Ford”) for Repurchase claims proceeding under the Arbitration Program *alone*.<sup>2</sup> (See Declaration of G. Keith Barron [“Barron Decl.”] ¶ 3.) Because Class Members began submitting claims after initial final approval, the payout information was obviously not available at the time of this Court’s approval order (nor was it part of the record on appeal). Thus, the verified payout figures before this Court now confirm that the Settlement delivers not just valuable, but indeed exceptional value to the Class.<sup>3</sup> And based on this figure, it is reasonable to expect that many additional Class Members will receive cash payments from claims for Repurchase after final approval of the Amended Settlement. Notably, the Assisting Class Members, who had previously objected to, among other things, the sufficiency of the Class relief offered by the Settlement, have withdrawn their objections and now support the Amended Settlement. On remand, this Court should grant Plaintiffs’ renewed motion for final approval, taking into consideration both the updated payout information and the

---

<sup>1</sup> Plaintiffs seek leave of court to file this memorandum of points and authorities that exceeds the page limit under Central District Local Rule 11-6. This oversized brief will not prejudice any party because no party with standing opposes this Renewed Motion. Moreover, Plaintiffs needed additional pages in assisting the Court with its “more searching inquiry,” as instructed by the circuit court, by thoroughly accounting for every factor evaluated for class action settlement approval.

<sup>2</sup> All capitalized terms herein are defined in the Stipulation and Agreement of Settlement (“Settlement Agreement”), attached as Exhibit 1 and Amendment of Stipulation and Agreement of Settlement (“Amendment”), attached as Exhibit 2 to the Declaration of Ryan H. Wu (“Wu Decl.”). The documents together comprise the “Amended Settlement” or “Amended Settlement Agreement.”

<sup>3</sup> Additional Class benefits are memorialized in the Amendment, which resolves the objections of former Objectors to the Settlement, which include Brenda Lott, Suzanne Lutz, Carlie Olivant, Gail Slomine, and Philip Woloszyn (the “Lott Group”) and James “Jason” DeBolt (collectively “Assisting Class Members”).

1 new benefits provided by the Amended Settlement.

2 The Repurchase benefit is the centerpiece of this Settlement. Through an  
3 expeditious arbitration process, Class Members may be awarded a Repurchase, which is  
4 a cash payment of up to \$25,000 or more in exchange for returning a vehicle that they  
5 may have driven for years. Under some circumstances, Class Members need not even be  
6 in possession of the Class Vehicle to obtain a Repurchase under the Settlement. This is a  
7 boon to Class Members. In most class action settlements involving alleged automotive  
8 defects, such claims are completely extinguished in exchange for a modest payment or  
9 reimbursement for out-of-pocket expenses. And unlike consumers pursuing individual  
10 lemon law cases, who have waited several years for a jury trial, Class Members with  
11 valid lemon law claims can obtain complete relief within 3 months after first providing  
12 notice to Ford, through a speedy process paid for by Ford.

13 Class Members also benefit from two very significant lemon law rule-changes—  
14 available only in the Arbitration Program—to qualify for Repurchase. First, the  
15 Settlement extends the statute of limitations for consumers for repurchase claims under  
16 state law to six years from the date of original sale or six months of the Effective Date of  
17 the Settlement, whichever is later (which is considerably longer than the limitations  
18 period for most states' lemon laws). Notably, this Court held that the statute of  
19 limitations had not been tolled for those pursuing lemon claims in the *Ford DPS6 MDL*.<sup>4</sup>  
20 Second, even if a Class Member does not qualify under state lemon law, a Repurchase  
21 can be awarded if he or she meets the Settlement-created fallback standard, which is four  
22 Transmission Hardware Replacements within 5 years/60,000 miles from delivery of the  
23 vehicle to the first owner or lessees. This standard is more generous than most states'  
24 lemon laws. Thus, most Class Members will do better by seeking Repurchase through  
25 the Settlement than through a court action.

26 But the Repurchase benefit is not the only Settlement benefit that reaches eight

27  
28 <sup>4</sup> *In re Ford Motor Co. DPS6 PowerShift Transmission Prods. Liab. Litig.*, No. 18-ML-2814-AB (C.D. Cal.) (“*Ford DPS6 MDL*”).

1 figures in value. Under the Amended Settlement, Ford has now guaranteed that a  
 2 minimum of **\$30 million** dollars will be paid to Class Members for claims on the cash  
 3 payment component of the Settlement, with no reversion to Ford. The cash payment  
 4 component includes payments of \$200 up to \$2,325 for three or more Service Visits for  
 5 Transmission-related repairs or \$50, up to \$600, for Software Flashes—even where  
 6 Class Members have incurred no out-of-pocket costs. The Amended Settlement also  
 7 provides a *new benefit*: a \$20 payment to Class Members who submit a claim under oath  
 8 that they were denied a Transmission repair after a complaint. Those payments will  
 9 count toward the \$30 million guaranteed minimum.

10 Taken together, Ford is obligated to pay out a minimum of **\$77.4 million** to the  
 11 Class. This firm number does not require extrapolation, projection, or other forms of  
 12 speculative valuation. And with the Settlement’s ongoing claims process, which allows  
 13 Class Members to continue to seek Repurchase and cash payments (for additional  
 14 repairs performed within 7 years/100,000 miles), the overall benefit will be substantially  
 15 greater. Moreover, Ford is obligated to pay the Claims Administrator, the arbitrators, the  
 16 Arbitration Administrator, Class Counsel, Assisting Class Members’ counsel, and  
 17 counsel representing Claimants seeking Repurchase (if the claim is successful)—all of  
 18 which are for the benefit of the Class. These costs will also run into eight figures, and so  
 19 the overall value of the Settlement will easily surpass **\$100 million**.

20 This Settlement thus confers extraordinary relief to the Class and is fair,  
 21 reasonable and adequate. The Settlement directly responds to and thereby resolves  
 22 allegations that Ford manufactured, marketed and sold Class Vehicles<sup>5</sup> with an alleged  
 23 undisclosed defect in the DPS6 or dual clutch PowerShift automatic transmission  
 24 (“Transmission”). The Settlement’s benefits are particularly impressive when set against  
 25 the considerable risks faced by Plaintiffs if litigation continued, including the uncertainty  
 26 of certifying the Class based on the alleged defect prevailing at trial, and surviving an  
 27

28 <sup>5</sup> 2011-2016 Ford Fiesta and 2012-2016 Ford Focus vehicles equipped with the  
 Transmission.

1 appeal. This Court recently entered summary judgment in favor of Ford regarding the  
 2 individual Plaintiffs' fraud claim, with reasoning suggesting that Plaintiffs' core  
 3 consumer fraud claim would fare no better had litigation continued.

4 With Class Members having waited years to receive their cash payments,  
 5 Plaintiffs respectfully request that the Court, at its earliest convenience, enter an order (a)  
 6 granting final approval of the Amended Settlement, (b) finally certifying the Settlement  
 7 Class, (c) granting Plaintiffs' Renewed Motion for Attorneys' Fees, Costs, and Service  
 8 Awards, and (d) entering the proposed Final Approval Order and Final Judgment.<sup>6</sup>

## 9 **II. FACTS AND PROCEDURE**

### 10 **A. Overview of the Litigation**

11 This action consolidates three cases. The original action was filed by Plaintiff  
 12 Omar Vargas on September 28, 2012, in the Central District of California against Ford.  
 13 The Complaint alleged that the Transmission, which Ford billed as a new type that  
 14 combines the best features of automatic and standard transmissions, causes Class  
 15 Vehicles to slip, buck, jerk, and suffer sudden or delayed acceleration and delays in  
 16 downshifts ("Alleged Defect"). (ECF No. 1.) Alleging Ford failed to disclose to  
 17 consumers the Alleged Defect and that it was a safety hazard, Plaintiff sought damages  
 18 and injunctive relief under California consumer protection laws, breach of express  
 19 warranty, and breach of implied warranty under the Song-Beverly Consumer Warranty  
 20 Act. Subsequent amended pleadings added new claims and additional plaintiffs Robert  
 21 Bertone, Michelle Harris, and Sharon Heberling. (ECF Nos. 24, 57.) Another suit

22  
 23 <sup>6</sup> Because the new terms only further benefit the Class without any trade-offs, no  
 24 new notice to the Class is required. *See In re Toyota Motor Corp. Unintended*

1 alleging nearly identical claims, *Klipfel v. Ford Motor Co.*, No. 15-CVP0044, was  
 2 consolidated with *Vargas* on December 2, 2015. (ECF No. 34.) Two additional actions  
 3 alleging similar claims, *Cusick v. Ford Motor Company*, Case No. 2:15-cv-08831-AB  
 4 (C.D. Cal.), filed on November 12, 2015, and *Anderson v. Ford Motor Co.*, No. 1:16-cv-  
 5 01632 (N.D. Ill.), filed on April 21, 2016, were also brought by Ford consumers. *Cusick*  
 6 was consolidated with the instant action on February 22, 2017 (ECF No. 52), and the  
 7 First Amended Complaint in *Cusick*, filed on February 22, 2016, was deemed the  
 8 “Operative Complaint” for settlement purposes.<sup>7</sup>

9 Both before and after these actions were filed, Plaintiffs thoroughly investigated  
 10 and litigated their claims, including conducting testing regarding the Alleged Defect,  
 11 which allowed Plaintiffs’ counsel to evaluate Ford’s representations concerning the  
 12 alleged Transmission problems and repair solutions. (Wu Decl. ¶ 9.) Among other tasks,  
 13 Plaintiffs fielded tens of thousands of inquiries from putative Class Members and  
 14 investigated many of their reported claims. They consulted and retained automotive  
 15 experts and researched publicly available materials and information provided by the  
 16 National Highway Traffic Safety Administration (“NHTSA”) concerning consumer  
 17 complaints about the Transmission. They reviewed and researched consumer complaints  
 18 and discussions of Transmission problems in articles and forums online, in addition to  
 19 various manuals and technical service bulletins (“TSBs”) discussing the alleged defect.

20 Furthermore, Plaintiffs propounded discovery on Ford. (Wu Decl. ¶ 10.) In  
 21 response, Ford produced over 1.5 million pages of documents, including spreadsheets  
 22

23 <sup>7</sup> Ford instituted three Customer Satisfaction Programs during the pendency of the  
 24 litigation. (See Declaration of Ryan H. Wu [“Wu Decl.”], ¶ 5.) The 14M01 Program  
 25 attempted to address the problems Plaintiffs identified in this lawsuit by extending the  
 26 warranty coverage for the Transmission’s input shafts, clutch, and software calibration in  
 27 those Class Vehicles manufactured prior to June 5, 2013. (*Id.*) The 14M02 Program  
 28 extended the warranty on the Transmission Control Module to 10 years of service or  
 150,000 miles for specific 2011-2015 Fiesta and 2012-2015 Focus vehicles. (*Id.*) In  
 August 2019, Ford issued Program 19N08 which extended the warranty on the clutch on  
 additional Class Vehicles to 7 years/100,000 miles.

1 with millions of lines of data, owners' manuals, maintenance and warranty manuals,  
 2 design documents (*e.g.*, technical drawings), VIN Decoders, TSBs, field reports,  
 3 customer comments detail reports, warranty data, and internal emails and emails  
 4 between Ford and third parties regarding the Transmission. Class Counsel also defended  
 5 the depositions of four class representatives. (*Id.*) Plaintiffs obtained additional discovery  
 6 from third parties Getrag Transmission Corporation ("Getrag"), and LuK USA LLC,  
 7 LuK Clutch Systems, LLC and LuK Transmission Systems, LLC (collectively, "LuK"),  
 8 the manufacturers and suppliers of the Transmission and its clutches. Plaintiffs  
 9 subpoenaed and received over 20,000 documents comprised of 117,000 pages from  
 10 Getrag and nearly 10,000 documents comprised of over 36,000 pages from LuK. In  
 11 addition, Plaintiffs took the deposition of Getrag's corporate representative. (Declaration  
 12 of Russell D. Paul ["Paul Decl."] ¶¶ 7-11.) Plaintiffs also took Fed. R. Civ. P. 30(b)(6)  
 13 depositions, including that of Chris Kwasniewicz, the engineer Ford assigned to  
 14 "problem solve" the Transmission, and Matt Fyie, a Ford Design Analysis Engineer.  
 15 (Wu Decl. ¶ 11.) These depositions elicited information about the Transmission's  
 16 design, its dual-clutch function, the manufacturing processes of its various components,  
 17 the problems it exhibited and their root causes, changes to the clutch material, the input  
 18 shaft seals, control software, and the customer service programs and warranty extensions  
 19 Ford initiated during the litigation. (*Id.*)

20 Also, over the course of litigation, tens of thousands of Class Members contacted  
 21 Class Counsel to report problems with their Class Vehicles and seek relief. (Wu Decl. ¶  
 22 9.) Class Counsel logged each Class Member's complaint in a database and developed a  
 23 plan for litigation and settlement based in part on Class Members' reported experiences  
 24 with their Class Vehicles and with Ford dealers. (*Id.*)

## 25 **B. Preliminary Approval and Class Notice**

26 The proposed Settlement is the culmination of lengthy discussions between the  
 27 Parties, consultation with their experts, comprehensive discovery, and thorough analysis  
 28 of the pertinent facts and law at issue. (Wu Decl. ¶ 15.) On August 18, 2015, the Parties

1 attended the first of five in-person mediation sessions in Boston, Massachusetts with one  
2 of the top mediators in the field, Professor Eric D. Green of Resolutions LLC. (*Id.*)  
3 Following a second session on May 6, 2016, the Parties made substantial progress, and,  
4 with Prof. Green's continuing assistance, agreed to terms regarding relief for the Class  
5 during a third session on June 2, 2016. (*Id.* ¶ 16.) On June 9, 2016, after confirming the  
6 terms for Class relief, the Parties participated in a fourth mediation session in Boston  
7 with Prof. Green focused solely on the issue of attorneys' fees, costs, and service awards,  
8 which they were ultimately able to resolve. (*Id.*) Plaintiffs and Class Counsel ensured  
9 that their interests aligned with the Class's by negotiating attorneys' fees, costs, and  
10 service awards only after the Settlement benefits for the Class had been determined. (*Id.*)

11 After completing mediation, the Parties worked diligently to formalize this  
12 complex, sweeping Settlement and its supporting documents. (Wu Decl. ¶ 17.) Class  
13 Counsel then filed Plaintiffs' Motion for Preliminary Approval of the Class Action  
14 Settlement on March 24, 2017. (ECF No. 120.) The Court granted preliminary approval  
15 on April 25, 2017, certifying the Settlement Class, designating Plaintiffs as Class  
16 Representatives, and appointed Capstone Law APC, Berger & Montague, P.C., and  
17 Zimmerman Law Offices, P.C. as Class Counsel and designated Capstone as Lead Class  
18 Counsel. 23(b)(3). (ECF No. 133.) This Court also found that the Settlement's "terms  
19 appear sufficiently fair, reasonable, and adequate" for the purposes of preliminary  
20 approval. (*Id.* ¶ 8.) The Court approved the form of the notices, including the Short Form  
21 Class Notice to be disseminated to Class Members and a Long Form Class Notice that  
22 will be stored on the Settlement website. (*Id.* ¶ 9.) The Court then appointed KCC as  
23 Claims Administrator to administer the notice and claims process. (*Id.* ¶ 11.)

24 Pursuant to the Settlement Agreement and the Preliminary Approval Order, KCC  
25 and the Parties successfully implemented the Class Notice plan. On April 3, 2017, 10  
26 days after Plaintiffs filed the Motion for Preliminary Approval, KCC sent out notices to  
27 attorneys general of all fifty states pursuant to the Class Action Fairness Act ("CAFA").  
28 (Declaration of Kathleen Wyatt ["Wyatt Decl."] ¶ 3.) KCC then obtained the contact

information for Class Members from Ford and a third-party vendor, Polk. (*Id.* ¶¶ 4-10.) On July 7, 2017, KCC sent over 2.15 million Short Form Class Notices to Class Members.<sup>8</sup> (*Id.* ¶ 11.) The Short Form Class Notice, which was approved by the Court, advises Class Members about their rights under the Settlement and the Settlement's benefits, including the deadline to object, opt-out, or opt-in (for those with pending suits). The Short Form Class Notice also provides KCC's toll-free number and website address [www.FordTransmissionSettlement.com](http://www.FordTransmissionSettlement.com), which provides additional information and will serve as the primary claims portal. The Settlement website provides extensive information regarding the Settlement, including FAQs for Class Members, and maintains important documents for Class Members to review. KCC then caused the publication notice to be published in the USA Today on July 13, 2017. (*Id.* ¶ 14.) 129,996 mailed Class Notices were returned as undeliverable. After performing an additional search through a third-party locator service to update addresses, KCC re-mailed 87,342 Class Notices. (*Id.* ¶ 16.)

As of the opt-out/objection deadline of September 5, 2017, approximately 10,350 recipients of the class notice validly opted out.<sup>9</sup> (Wu Decl. 22.) Fifteen Class Members, including the Assisting Class Members, timely objected. (*Id.* at ¶ 23.) The Lott Group took issue with the approval papers' lack of valuation of both the claims and settlement, the adequacy of the benefits offered by the Settlement, the documentation requirements, and their concern that the Program would not benefit Ford consumers as much as individual litigation would, among other objections. (*Id.*) DeBolt objected to, among other things, the relief provided to former owners, the documentation requirements, the scope of the release, the overall sufficiency of the benefits, and the attorneys' fee request.

<sup>8</sup> Approximately 258,726 non-Class Members (owners/lessees of Focus and Fiestas not equipped with the DPS6 PowerShift Transmission) were inadvertently sent Class Notices. (Wyatt Decl. ¶ 15.)

<sup>9</sup> Several disputes arose regarding the validity of certain Class Members' opt-outs. The Court entered an order memorializing the final opt-out list on December 13, 2017. (ECF No. 240.) The same opt-out list is attached to the Proposed Final Approval Order as Exhibit A.

1 (*Id.*) In response, Plaintiffs submitted a 40-page supplemental brief, attaching  
2 painstakingly assembled summaries of the lemon law requirements of the 50 states and  
3 the features of comparable automotive settlements. (*Id.*)

4 **C. Final Approval, Appeal, and Settlement With Former Objectors**

5 At the initial Final Fairness Hearing on October 2, 2017, the Court questioned  
6 counsel for the parties and objectors for several hours. Following the hearing, this Court  
7 issued a Final Order and Judgment, overruling the objections and determining that the  
8 Settlement, with its uncapped structure and repurchase benefit under consumer-friendly  
9 rules, was fair, reasonable, and adequate. (ECF No. 192-193, 204.) The Court awarded  
10 attorneys' fees, costs, and incentive awards under the lodestar method, finding that  
11 Plaintiffs' submissions demonstrated reasonable hours and reasonable rates, and applied  
12 a modest 1.22 multiplier. (ECF No. 196.) Both the Lott Group and DeBolt appealed.

13 Following separate briefing by the Lott Group and DeBolt and oral argument, a  
14 Ninth Circuit panel issued a memorandum decision on September 13, 2019. In a 2-1  
15 split, the panel did not adopt the appellants' arguments but instead vacated the final  
16 approval order and remanded the matter for a "more searching inquiry" pursuant to *Allen*  
17 *v. Bedolla*, 787 F.3d 1218, 1224 (9th Cir. 2015). *See Vargas v. Lott*, 787 Fed.Appx. 372,  
18 374 (9th Cir. 2019). The majority stated that this Court's purportedly cursory order did  
19 not allow for substantive review. In a sharp dissent, Judge Rawlinson observed that the  
20 majority ignored binding precedent supporting this Court's order granting approval and  
21 found that the Settlement delivers valuable relief to the Class. *Id.* at 375-76.

22 On December 9, 2019, Class Counsel, counsel for Ford, and counsel for both the  
23 Lott Group and DeBolt participated in a mediation conducted by Prof. Green. Through  
24 arm's-length negotiations, the parties reached a global settlement to provide additional  
25 benefits to the Class. The additional Class benefits include: (1) Ford's guarantee of a  
26 minimum payment of \$30 million for the cash payment component; (2) a new \$20  
27 payment to Class Members who attest to having been turned away from obtaining a  
28 Transmission repair; (3) favorable modifications for former owners/lessees, including

allowing them to have the same SOL extension covering current owners/lessees and to obtain a Repurchase under the “default” standard; (4) additional changes to the Arbitration Program for the benefit of Class Members, including removing the “opportunity to repair” prerequisite for certain Claimants and the bar on civil penalties; and (5) an informational notice to all Class Members alerting them to new benefits. (*See* Wu Decl. ¶ 26; Ex. 2.) These terms resolve the Lott Group’s concerns regarding the lack of a settlement valuation, the treatment of former owners, and certain issues with the Arbitration Program. (*Id.*) These terms also resolve DeBolt’s specific objections to the Arbitration Program’s rules regarding former owners and the documentation requirements for cash payments. (*Id.*) Ford also agrees to pay attorneys’ fees (up to their documented lodestar enhanced by a 1.2 multiplier) and service awards of \$5000 to the Lott Group and DeBolt, if the Court approves their request. (*Id.*) The parties have reached final agreement on the proposed language.<sup>10</sup> (*See* Wu Decl. ¶ 3; Ex. 2.)

#### **D. Material Terms of the Class Action Settlement**

##### **1. Cash Payments for Service Visits – Guaranteed at \$30 Million**

The Settlement provides cash payments to Class Members who have had three or more qualifying Service Visits to authorized Ford dealers. There are three subcategories of the cash payment benefit. First, Class Members who have made three or more visits to authorized Ford dealers (“Service Visits”) to replace certain Transmission components (“Transmission Hardware Replacements”) are entitled to either a cash payment or a discount certificate, valued at twice the amount of the cash payment, toward the purchase or lease of a new Ford vehicle. (Sett. Agmt. ¶ II.C.) Payments start with \$200 for the third Service Visit, an additional \$275 for the next Service Visit, and an additional \$350 after that, and so on, up to a cumulative \$2,325 after the eighth Visit:

Second, Class Members who do not qualify for Transmission Hardware

---

<sup>10</sup> The parties have agreed to the terms of the Amendment. Because the final version was agreed upon just days before filing, the parties require more time to secure client signatures. A fully executed copy will be submitted prior to the fairness hearing. (Wu Decl. ¶ 3.)

Replacement payments may qualify to receive compensation for multiple updates of the Transmission Control Module (“Software Flashes”), starting with the third, which entitles them to cash payments of \$50 for each, up to \$600, performed within the same 7 year/100,000 mile limitation. (Sett. Agmt. ¶ II.B.)

Third, Class Members who complained about Transmission problems but were denied repairs by a Ford Dealer may receive \$20 cash by attesting to those facts under penalty of perjury. (Amendment ¶ 8.) This will provide relief to Class Members who have reported being denied repairs by a Ford Dealer.

For these payments, Ford has guaranteed a minimum net payout of \$30 million. (Amendment ¶ 9.) Ford is obligated to provide an accounting to Class Counsel following the last possible day to submit Claims, October 21, 2024. (*Id.*) If the accounting shows that the total payout is less than \$30 million, then Ford will distribute the entire residue, on a per capita basis, to all Class Members who have received cash payments or benefits following a notice of intent to arbitrate. (*Id.*) After the residual payments are made, any remaining funds (which would simply be money that was unused in cash cards (the form of payment) when the cards expire) will be distributed to a *cy pres* beneficiary to ensure that nothing reverts to Ford. (*Id.*)

## 2. Repurchases Through the Arbitration Program

Class Members may obtain a Repurchase of their Class Vehicles if they qualify under their state’s lemon law or under a Settlement-created fall back standard. (Sett. Agmt. ¶ II.N.) For Claimants who prevail, Ford refunds the actual amount that the Class Member paid for the vehicle (excluding any modifications or additions after the vehicle’s purchase or lease), including finance charges, less a reasonable allowance for use. If the vehicle was leased, Ford refunds the payments made to the lending institution or lessor plus net trade-in and cash down payment, less a reasonable allowance for use.

The Repurchase remedy is awarded through an Arbitration Program that enhances Class Members’ rights in several ways. First, the Program resolves Class Members’ lemon law claims within two or three months of submission, rather than the

1 year or more for a lemon law suit filed in court. Second, the Program extends the  
 2 applicable statute of limitations, preserving claims for six years from the date of original  
 3 sale or six months of the Effective Date of the Settlement, whichever is later for both  
 4 current and former owner/lessees. (*Id.*, ¶ II.N.1.d.; Amendment ¶ 12.)

5 Claims for Repurchase will be governed either by the state lemon law applicable  
 6 to each Class Member or, if the claims do not qualify under state lemon law, by the  
 7 Settlement's consumer-friendly standard. (Sett. Agmt. ¶ II.N.1.e.) Under the  
 8 Settlement's fallback standard, the Arbitrator may award a repurchase if 4 or more  
 9 Transmission Hardware Replacements were performed within 5 years/60,000 miles, and  
 10 the vehicle continues to malfunction. This is more generous to consumers than most  
 11 state's lemon laws. And Ford will pay a maximum of \$6,000 in attorneys' fees to each  
 12 Class Member who prevails on his or her claim in arbitration.<sup>11</sup> (*Id.*, ¶ II.N.1.h.)

13 The Amended Settlement removes several prior limitations on Repurchases. First,  
 14 it eliminated the original Settlement's requirement allowing Ford to perform one final  
 15 repair attempt after receiving a notice of intent to arbitrate from a Claimant with three or  
 16 fewer repair attempts. (Amendment ¶ 10.) Second, it permits Class Members to recover  
 17 civil penalties not to exceed the amount of the Repurchase award, if (a) their state's law  
 18 authorizes civil penalties, (b) Ford knew of its obligation under state law or the  
 19 Settlement Agreement, as amended, to repurchase the vehicle, and (c) prior to the  
 20 arbitrator's award, declined to do so after being provided with the Claimant's notice of  
 21

---

22 <sup>11</sup> Significantly, Class Members will have the opportunity to appeal an adverse  
 23 Program decision to a JAMS arbitrator, though any costs for an appeal must be  
 24 advanced by the Class Member, to be reimbursed by Ford if the Class Member prevails.  
 25 (*Id.*, ¶ II.N.1.g.) Ford has no right to appeal, except for an award of civil penalties, which  
 26 can be awarded under certain circumstances in jurisdictions that allow for it.  
 27 (Amendment ¶ 15.) The Arbitrator may not award punitive damages. (*Id.*, II.N.1.g.)  
 28 Furthermore, even if a Class Member's first repurchase claim is denied, he or she may  
 pursue a second repurchase claim under the Program if his or her Class Vehicle has  
 subsequent qualifying repairs. (*Id.*, ¶ II.N.1.i.) Finally, Class Members will not be denied  
 the opportunity to re-submit a repurchase claim to the Program, even if an initial claim  
 for a buyback made with the Better Business Bureau or other similar organization prior  
 to the Settlement was denied. (*Id.*)

1 intent to proceed to arbitration under the Settlement Agreement. (*Id.* ¶ 15.) Third, the  
 2 identical statute of limitations period extension for current owners/lessees will be  
 3 extended to former owners/lessees. (*Id.* ¶ 12.) Fourth, a former owner/lessee may obtain  
 4 a Repurchase award if they meet the Settlement’s fallback standard, even if her state’s  
 5 lemon law does not allow repurchase for former owners/lessees. (*Id.* ¶ 11.)

6 Due to the Settlement’s consumer-friendly rules and speed of resolution, most  
 7 Class Members would do better under the Arbitration Program rather than in court. And  
 8 Ford has already paid \$47.4 million to Class Members for claims proceeding under the  
 9 Settlement’s Repurchase remedy. (Barron Decl. ¶ 3.)

### 10 **3. Compelling Ford to Perform Repairs or Reimburse Class** 11 **Members Through the Arbitration Program**

12 Class Members who have incurred out-of-pocket expenses for repairs they  
 13 believe should have been covered by Ford’s New Vehicle Limited Warranty  
 14 (“Warranty”) or who believe that a Ford dealer improperly denied Warranty repairs are  
 15 eligible to pursue their claims in a qualified version of the Program (“Warranty  
 16 Arbitration”). (Settlement Agreement ¶ II.N.2.) Ford will pay the costs of each Warranty  
 17 Arbitration, and the Arbitrator is authorized to award reimbursement, a free repair, an  
 18 extension of warranty by Ford, or any combination thereof.

### 19 **4. Reimbursements for Clutch Replacement**

20 The Settlement provides that Class Members who own or lease a Class Vehicle  
 21 manufactured after June 5, 2013, and who had two clutches replaced during the 5-  
 22 year/60,000-mile Powertrain Warranty, are entitled to reimbursement for out-of-pocket  
 23 costs for a third clutch replacement made within 7 years/100,000 miles from delivery to  
 24 the first retail customer. (Settlement Agreement ¶ II.G.) The replacement clutch will also  
 25 be covered by a two-year warranty. Ford’s Customer Satisfaction Program 19N08,  
 26 issued in August 2019, improves on this provision. Under Program 19N08 and the  
 27 previously issued Program 14M01, the clutches on most if not all Class Vehicles are  
 28 covered by an extended warranty of 7 years/100,000 miles.

## 5. Ongoing Claims Process Open to Class Members for Years

The claims process has been designed to minimize the burden on Class Members while ensuring that only valid claims are paid. The Settlement requires Class Members to submit documentation typically required to substantiate such claims. (Settlement Agreement ¶ II.E.) Except for the sworn declaration payment, Class Members need only provide, either electronically through the Claims Administrator's website portal or by mail, a receipt, repair order, or other invoice containing standard information, (*e.g.*, repair date, a description of the vehicle, the dealership or facility where the work was performed, the vehicle's mileage at the time of repair, an itemized list of parts and labor), along with proof of ownership and a sworn written statement attesting to the authenticity of the documents provided.<sup>12</sup> (*Id.*) Subsequent claims for cash payments will have a reduced standard for proof, as the Claims Administrator will retain previous submissions. (*Id.*, ¶ II.E.4.) For those who were denied repairs and therefore cannot document Service Visits, the Amended Settlement provides a cash payment of \$20, if the Class Member attests to those facts. (Amendment ¶ 8.)

Claims can be submitted through the Settlement website. A portal will walk Class Members through a series of prompts and fields in which to provide the information required. The site provides clear instructions, and the portal permits Class Members to upload scanned documents supporting their claims.

Ford will pay the Claims Administrator to process Class Members' claims expeditiously following the Effective Date. (Settlement Agreement ¶ II.O.) Class Members who are entitled to a cash payment or Certificate will be paid promptly following the claim submission or after the Effective Date, whichever is later. (*Id.*) The Claims Administrator's duties will continue for many years due to the ongoing claims process. So long as a Service Visit for a Transmission Hardware Replacement or

<sup>12</sup> For reimbursement of a clutch replacement, Class Members will need to show proof of payment, common for such claims, and a diagnostic from a Ford dealer showing that a clutch replacement was necessary, which is provided as a matter of course. (*Id.* ¶ II.G.1-2.)

Software Flash is made within the 7 year/100,000 mile period of eligibility, the Class Member may continue to submit claims for qualifying Service Visits made after the Effective Date. Class Members will have up to 180 days from the qualifying visit to submit such claims. Some Class Members may have up to October 2024 to submit a claim for cash payments.

The Program is also streamlined. A Class Member initiates the process by calling a dedicated phone number or by submitting a form through the Settlement website or by mail, indicating directly to Ford his or her intent to submit a claim for repurchase or breach of warranty. (Settlement Agreement ¶ II.N.1.) Ford will then have ten days to resolve the matter informally with the Class Member. (*Id.*) After that, the Class Member may proceed directly to arbitration.

## **6. The Limited Release**

The Settlement specifically excludes from the Settlement Class consumers with suits related to the Transmission pending as of July 14, 2017, while giving them the choice to opt-in to the Settlement. (Settlement Agreement ¶¶ I.L.) In addition, while Class Members do not release personal injury and property claims under the Settlement, they will release claims that were or could have been asserted by them in connection with the Alleged Transmission Defect. (*Id.*, ¶ I.CC.)

## **7. Ford's Payment of Claims Administration Costs, Attorneys' Fees and Costs, and Service Payments**

Under the Settlement, Ford will pay the Claims Administration costs, including the Arbitration Administrator's costs, attorneys' fees and costs, and service awards to the Class Representatives. (*See* Sett. Agmt. ¶¶ II.N., II.P, III.C.) These costs are considerable. As detailed below, the Claims Administrator, Kurtzman Carson Consultants ("KCC"), mailed over 2 million notices and has already devoted substantial resources to maintaining the Settlement website. The costs to process Class Members' claims is also high. Furthermore, the Arbitration Administrator, DeMars & Associates, Ltd. ("DeMars"), is currently administering Repurchase and Warranty arbitrations under

a voluntary process agreed upon by Class Counsel and Ford to provide immediate relief to Class Members. Ford is incurring ongoing costs for this program, and it will increase when the full Settlement Arbitration Program is up and running. And Ford will pay reasonable attorneys' fees of up to \$6,000 to Class Members who obtain a Repurchase. (Sett. Agmt. ¶¶ II.N., II.N.1.h.)

The Parties have negotiated sums for attorneys' fees, expenses, and service awards separately, with the amount finally awarded by the Court not affecting or diminishing the Class benefits in any way. (*See* Sett. Agmt. ¶ II.P.) Subject to Court approval, Ford has agreed to pay Class Counsel's attorneys' fees and documented costs of a combined sum up to \$8,856,600 on behalf of all Plaintiffs' Counsel. (*Id.*) Subject to Court approval, Ford has also agreed to pay service awards to the named Class Representatives for their efforts to secure relief on behalf of the Settlement Class, in the sum of between \$1,000 and \$10,000 each, to be paid separately from the Class benefits. (*Id.* ¶ II.Q.) Support for Plaintiffs' fees, costs, and service awards is set forth in the concurrently-filed Renewed Motion for Attorneys' Fees, Costs, and Service Awards.

Finally, subject to Court approval, Ford has agreed to pay attorneys' fees and service awards to the Assisting Class Members for their contributions to the Amended Settlement and for withdrawing their objections. (Amendment ¶ 3.) The Lott Group and DeBolt will separately submit their own motions for approving their request for fees and service awards. That payment will also be separate from the Class relief.

### **III. ARGUMENT**

#### **A. The Parties Have Met Their Obligations Under The Preliminary Approval Order**

In its Order Granting Preliminary Approval (ECF No. 133), the Court set forth certain obligations that need to be satisfied, including the CAFA Notice and the Class Notice requirements. Both requirements have been satisfied.

##### **1. CAFA Notice Requirements Were Satisfied**

Notice under CAFA, 28 U.S.C. § 1715, has been satisfied. CAFA requires that

“[n]ot later than 10 days after a proposed settlement of a class action is filed in court, each defendant that is participating in the proposed settlement shall serve [notice of the proposed settlement] upon the appropriate State official of each State in which a class member resides and the appropriate Federal official.” 28 U.S.C. § 1715(b). On April 3, 2017, 10 days after the filing of Plaintiffs’ Motion for Preliminary Approval, the Claims Administrator timely and properly sent notices to the Attorney General of the United States and the attorneys general of all 50 states and the relevant U.S. territories and districts, informing them of the proposed Settlement.<sup>13</sup> (Wyatt Decl. ¶ 3.) No governmental authority has objected to the Settlement. *See In re LinkedIn User Privacy Litig.*, 309 F.R.D. 573, 589 (N.D. Cal. 2015) (noting that “CAFA presumes that, once put on notice, state or federal officials will raise any concerns that they may have during the normal course of the class action settlement procedures.”).

## 2. Rule 23(c) Notice Requirements Were Satisfied

The Court “must direct to class members the best notice that is practicable under the circumstances.” Fed. R. Civ. P. 23(c)(2). Notice serves to afford class members due process, providing them with the opportunity to be excluded from the class action and not be bound by any subsequent judgment. *See Eisen v. Carlisle & Jacquelin*, 417 U.S. 156, 173-74 (1974). However, “due process requires reasonable effort to inform affected class members through individual notice, not receipt of individual notice.” *Rannis v. Recchia*, 380 F. App’x 646, 650 (9th Cir. 2010). As detailed in project manager Kathleen Wyatt’s declaration, KCC undertook considerable effort to collect the names and contact information of the owners/lessees of Class Vehicles. (Wyatt Decl. ¶¶ 4-10.) After compiling this information, KCC mailed 2.1 million individual Short Form Class Notices. (*Id.* ¶ 11.) This Notice, approved by this Court, provides basic information

<sup>13</sup> At the request of the attorneys general of California, Arizona, Michigan, New Jersey, North Carolina, Texas, and Washington, the Parties stipulated to amend the Preliminary Approval Order to ensure that Class Members can cooperate with any state investigation, and that stipulation was filed on July 7, 2017. (ECF No. 138.) The Court granted the request and entered the amended order on July 11, 2017. (ECF No. 139.)

 2 the opt-out and objection deadlines and identifies the Settlement website address and  
 3 KCC's toll-free number.

4 A mailed or e-mailed notice with more detailed information posted on a case  
 5 website (and updated with new information) satisfies Rule 23(e) and due process. *See In*  
 6 *re Online DVD-Rental Antitrust Litig.*, 779 F.3d 934, 946 (9th Cir. 2015). Here the  
 7 Settlement website maintained by KCC provides detailed information about the case and  
 8 the Settlement Agreement, including a FAQ section and a downloadable copy of the  
 9 Long Form Class Notice that provides detailed information about the case and answers  
 10 anticipated questions from Class Members. (Wyatt Decl., ¶ 12-13.) For their part, Lead  
 11 Class Counsel also maintains a Settlement website with detailed explanations, in  
 12 layman's terms, about the Settlement benefits and Class Members' rights. (Wu Decl. ¶  
 13 46.) As noted above, KCC took additional steps to update addresses and re-mail 87,342  
 14 of the notices that were returned as undeliverable, and caused the publication notice to be  
 15 published in USA Today. (Wyatt Decl. ¶¶ 14, 16.) The Settling Parties have consistently  
 16 updated the website with new information. (Wu Decl. ¶ 47.) And updated information  
 17 on the Amended Settlement will be posted following the Effective Date. (*Id.*)

18 Under Rule 23(e), the notice need only provide sufficient detail to alert "those  
 19 with adverse viewpoints to investigate and come forward and be heard." *In re Online*  
 20 *DVD-Rental*, 779 F.3d at 946 (internal quotations omitted). The existence of the former  
 21 objectors, who had sufficient information to provide comprehensive objections, speaks  
 22 to the sufficiency of the notice. And no Class Member has directly objected to the  
 23 sufficiency of the Notice. The notice requirement has therefore been satisfied.<sup>14</sup>

#### 24 **B. Class Certification Requirements Are Met**

25 The Court certified the Class for settlement purposes upon Preliminary Approval,

26  
 27 <sup>14</sup> *See, e.g., Hartless v. Clorox Co.*, 273 F.R.D. 630, 636 (S.D. Cal. 2011)  
 28 (granting final approval of class action settlement where the notice contained a  
 description of the lawsuit and settlement relief, a description of class members' rights,  
 and the settlement website and toll-free number).

1 finding that requirements under Rule 23(a) and Rule 23(b)(3) are satisfied. (*See* Dkt. No.  
2 133, ¶¶ 3-7.) Nothing has changed that would affect the Court’s ruling on class  
3 certification. (Wu Decl. ¶ 30.) *See Chambers v. Whirlpool Corp.*, 214 F. Supp. 3d 877  
4 (C.D. Cal. 2016) (reconfirming the certification set forth in the preliminary approval  
5 order “[b]ecause the circumstances have not changed” since that order).

### 6 **1. Rule 23(a) Requirements Are Met**

7 For certification of a class to be appropriate, its members must be so numerous  
8 that joinder would be “impracticable.” FED. R. CIV. P. 23(a)(1). It is undisputed that there  
9 are over one million Class Members in this case. (Wyatt Decl. ¶ 11.) The second  
10 requirement of Rule 23 is the existence of common questions of law or fact. FED. R. CIV.  
11 P. 23(A)(2). All Class Members are subject to the allegations at issue—that they took  
12 possession of a Class Vehicle with an undisclosed Alleged Defect. Given that the issues  
13 in dispute—*e.g.*, whether the Transmission is defective, and, if so, whether and when  
14 Ford knew about the defect; whether Ford had a legal obligation to disclose the defect  
15 pursuant to consumer protection statutes; and whether Ford had the legal obligation to  
16 repair the defect under warranty—all reflect common questions of fact and law, the  
17 resolution of those issues are apt to drive resolution of this litigation. The commonality  
18 element is therefore met.

19 Third, “[u]nder the rule’s permissive standards, representative claims are ‘typical’  
20 if they are reasonably co-extensive with those of absent class members; they need not be  
21 substantially identical.” *Hanlon v. Chrysler Corp.*, 150 F.3d 1011, 1020 (9th Cir. 1998).  
22 Both Plaintiffs and Class Members’ claims arise from the same alleged course of  
23 conduct—that Ford knowingly failed to disclose that the Transmission is defective to its  
24 customers. Because Plaintiffs’ claims are co-extensive with those of Class Members,  
25 typicality is satisfied.

26 The final requirement of Rule 23(a) is that the representative plaintiffs will fairly  
27 and adequately represent the interests of the class. This requires only that a class member  
28 does not have interests that are antagonistic to or in conflict with the interests of the class.

1 *Hanlon*, 150 F.3d at 1020. Here, there is no conflict between Plaintiffs and the Class.  
 2 Nor is there any conflict between Class Counsel and the Class. Class Counsel has  
 3 diligently prosecuted the case on behalf of the Class and negotiated (and defended) a  
 4 valuable Settlement. (*See infra*.) The requirement of adequate representation is therefore  
 5 also satisfied.

## 6 **2. Rule 23(b)(3) Is Satisfied**

7 Once the prerequisites of Rule 23(a) are satisfied, the Court must determine if one  
 8 of the subparts of Rule 23(b) is also satisfied. The Court must apply the criteria for class  
 9 certification “differently in litigation classes and settlement classes.” *In re Hyundai & Kia*  
 10 *Fuel Econ. Litig.*, 926 F.3d 539, 556 (9th Cir. 2019) (*en banc*). For example, in deciding  
 11 whether to certify a litigation class, a district court must be concerned with manageability at  
 12 trial. However, such “manageability is not a concern in certifying a settlement class where,  
 13 by definition, there will be no trial.” *Id.* So long as there is a “clear justification for handling  
 14 the dispute on a representative rather than an individual basis,” *Hanlon*, 150 F.3d at 1022,  
 15 the inquiry is satisfied. Thus, if “just one common question predominates” the action may  
 16 be considered proper under Rule 23(b)(3), and regardless whether “other important matters  
 17 [would] have to be tried separately.” *Hyundai*, 926 F.3d at 557.

18 As the Ninth Circuit en banc court recently pronounced, “predominance is  
 19 ‘readily met’ in cases alleging consumer fraud.” *Hyundai*, 926 F.3d at 559. In *Hyundai*,  
 20 the *en banc* court found that a nationwide class of consumers alleging state law  
 21 violations was appropriately certified because they were all subject to Hyundai’s alleged  
 22 fraudulent conduct. *Id.* at 559-560. Here, all Class Members were alleged to have been  
 23 subject to the fraudulent omissions at issue. As in *Hyundai*, while Class Members’  
 24 damages may vary, the common nucleus of facts regarding the alleged omissions and  
 25 Alleged Defect predominate over individual questions.

26 And a class action is superior under Rule 23(b)(3) because it represents the best  
 27 method for current and former owners/lessees of the Class Vehicles to obtain relief.  
 28 Manageability at trial is not a concern in the class action settlement context, “for the

proposal is that there be no trial.” *Amchem Products, Inc. v. Windsor*, 521 U.S. 591, 620 (1997). “From either a judicial or litigant viewpoint, there is no advantage in individual members controlling the prosecution of separate actions. There would be less litigation or settlement leverage, significantly reduced resources and no greater prospect for recovery.” *Hanlon*, 150 F.3d at 1023. Indeed, if the Class were not certified, most of those in the splintered Class would not qualify for lemon law buybacks. A fraction would potentially join the *Ford DPS6 MDL*, consuming judicial resources. These new MDL plaintiffs would have likely done better under the Amended Settlement.

Therefore, the Court should definitively certify the Class for final approval.

### **C. The Court Should Grant Final Approval of the Class Settlement**

Upon final approval, the Court’s duty is to determine whether the proposed Settlement is “fundamentally fair, adequate, and reasonable.” *Hanlon*, 150 F.3d at 1026. In evaluating the Settlement, the Court is guided by several important policies. First, federal courts favor settlements, particularly in class actions, where the costs, delays and risks of continued litigation might otherwise overwhelm any potential benefit the class could hope to obtain. *See Class Plaintiffs v. City of Seattle*, 955 F.2d 1268, 1276 (9th Cir. 1992) (noting the “strong policy that favors settlements, particularly where complex class action litigation is concerned”). Second, for settlements reached through arm’s-length negotiations, courts are to give:

proper deference to the private consensual decision of the parties. . . . [T]he court’s intrusion upon what is otherwise a private consensual agreement negotiated between the parties to a lawsuit must be limited to the extent necessary to reach a reasoned judgment that the agreement is not the product of fraud or overreaching by, or collusion between, the negotiating parties, and that the settlement, taken as a whole, is fair, reasonable and adequate to all concerned.

*Hanlon*, 150 F.3d at 1027.

Guided by these policies, the district court then may consider some or all of the following factors in evaluating the reasonableness of a settlement: (1) the strength of the plaintiff’s case and the risk, expense, complexity, and likely duration of further litigation;

(2) the risk of maintaining class action status throughout trial; (3) the amount offered in settlement; (4) the extent of discovery completed and the stage of proceedings; (5) the participation of a governmental participant; (6) the experience and views of counsel; and (7) the reaction of class members. *See Hanlon*, 150 F.3d at 1026 (“*Hanlon* factors”).

The recent amendments to Rule 23 direct the Court to consider a similar list of factors, including whether: (A) the class representatives and class counsel have adequately represented the class; (B) the proposal was negotiated at arm’s length; (C) the relief provided for the class is adequate, taking into account: (i) the costs, risks, and delay of trial and appeal; (ii) the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims; (iii) the terms of any proposed award of attorney’s fees, including timing of payment; and (iv) any agreement required to be identified under Rule 23(e)(3); and (D) the proposal treats class members equitably relative to each other. FED. R. CIV. P. 23(e)(2). The Advisory Committee’s notes clarify that this list of factors does not “displace” the *Hanlon* factors, “but instead aim to focus the court and attorneys on ‘the core concerns of procedure and substance that should guide the decision whether to approve the proposal.’” *In re Extreme Networks, Inc. Sec. Litig.*, No. 15-04883, 2019 WL 3290770, at \*6 (N.D. Cal. July 22, 2019) (quoting FED. R. CIV. P. 23(e)(2) advisory committee’s note to 2018 amendment).

Additionally, for pre-certification settlements, the Ninth Circuit further requires that the Court scrutinize the settlement even more closely, applying the so-called *Bluetooth* factors.<sup>15</sup> *See Allen*, 797 F.3d at 1224. On remand, the Ninth Circuit majority ordered the Court to conduct a more “searching inquiry” under *Allen* regarding the value of the Settlement. *See Vargas*, 787 Fed.Appx. at 374. As set forth below, the Amended Settlement satisfies all of these factors, meriting final approval.

<sup>15</sup> *In re Bluetooth Headset Prods. Liab. Litig.*, 654 F.3d 935, 938 (9th Cir. 2011).

1                   **1. Class Representatives and Class Counsel Have Adequately**  
 2                   **Represented the Class and the Settlement Was Negotiated at**  
 3                   **Arm’s-Length**

4           Under Rule 23(e)(2)(A)-(B), the Court considers whether Plaintiffs and Class  
 5   Counsel adequately represented the class and whether the proposed settlement was  
 6   negotiated at arm’s length. Both factors are amply satisfied. There is no suggestion of a  
 7   conflict between the Class Representatives and Class Counsel on the one hand, and  
 8   Class Members on the other. *See In re Online DVD-Rental*, 779 F.3d at 942 (conflict  
 9   cannot be “speculative” or “trivial” but must go to “the heart of the litigation”). Plaintiffs  
 10   and Class Counsel have vigorously pursued the claims on behalf of the Class, adducing  
 11   important facts regarding Ford’s pre-sale knowledge of the Alleged Defect, litigating the  
 12   matter, and negotiating a valuable Settlement to deliver immediate relief to the Class.  
 13   (Wu Decl. ¶ 65.) Thereafter, Class Counsel forcefully defended a Settlement that has  
 14   already delivered over \$47.4 million to the Class and, together with Assisting Class  
 15   Members, bargained for even greater benefits as part of a global settlement. (*Id.*) Given  
 16   the heightened interest in the Settlement, Class Counsel has devoted substantial  
 17   resources to answering inquiries and instructing Class Members regarding claims  
 18   submissions, documentation, problems with Ford Dealers and myriad other issues. (*Id.*)

19           Rule 23(e)(2)(B) is also satisfied, as both the original Settlement and the  
 20   Amended Settlement were the products of arm’s-length negotiations presided by  
 21   renowned mediator Eric Green, who is the co-author of the first textbook on alternative  
 22   dispute resolution and a mediator of many high stakes cases, including the landmark  
 23   *United States v. Microsoft* antitrust case.<sup>16</sup> *See Fleisher v. Phoenix Life Ins. Co.*, No. 11-

 25           <sup>16</sup> *See, e.g., Halley v. Honeywell Int’l, Inc.*, 2016 WL 1682943, at \*12 (D.N.J.

 27   background the Court has independently reviewed,” as an important factor in approving  
 28   a \$10 million settlement); *Fleisher*, 2015 WL 10847814, at \*5 (finding that “the  
 extensive participation of an experienced mediator [Prof. Green] also ‘reinforces that the

The Settling Parties participated in four contentious in-person mediation sessions over the span of a year-and-a-half before reaching a settlement in principle, and another six months battling over the details of the original Settlement. (Wu Decl. ¶¶ 14-16.) Following the circuit court mandate, Prof. Green conducted another mediation, this time a multi-lateral negotiation between counsel for Plaintiffs, Ford, and Assisting Class Members. (*Id.* ¶ 26.) An agreement in principle was reached at mediation. (*Id.*) The Amended Settlement is the product of arm’s-length negotiations between Plaintiffs, Ford, and two sets of Class Members who had substantive objections to the original terms. (*Id.*) Each of these parties now believe that the Amended Settlement represents a fair, reasonable and adequate resolution of the claims here. (Amendment ¶ 1.)

## 2. The Settlement Delivers Exceptional Relief to the Class, Particularly In Light of the Risks of Further Litigation

Approval is also warranted under Rule 23(e)(2)(C), which asks the Court to examine “the relief to the Class in light of the costs, risks, and delay of trial and appeal, the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims, the terms of any proposed award of attorney’s fees, including timing of payment; and any agreement required to be identified.” This overlaps with first three *Hanlon* factors, the strength of the plaintiff’s case balanced against the risk, expense, complexity and likely duration of further litigation, the risk of maintaining class certification through trial, and the amount of settlement. In evaluating these considerations, a court assesses “objectively the strengths and weaknesses inherent in the litigation and the impact of those considerations on the parties’ decisions to reach [a settlement].” *Adoma v. Univ. of Phoenix, Inc.*, 913 F. Supp. 2d 964, 975 (E.D. Cal. 2012). However, there is “no single formula” to be applied, but the court may presume that the parties’ counsel and the mediator arrived at a reasonable settlement valued at over \$500 million).

range of settlement by considering the plaintiffs' likelihood of recovery. *Rodriguez v. West Pub. Corp.*, 463 F.3d 948, 965 (9th Cir. 2009).

**(a) The Relief to the Class Is Exceptional**

The Court must consider the relief or remedy offered in the Settlement in granting final approval. In assessing the settlement's value, courts are instructed to take into account that "the very essence of a settlement is compromise, 'a yielding of absolutes and an abandoning of highest hopes.'" *Officers for Justice v. Civil Service Comm'n*, 688 F.2d 615, 624 (9th Cir. 1982) (citations omitted). The Court "need not include a specific finding of fact as to the potential recovery for each of the plaintiffs' causes of action." *Lane v. Facebook, Inc.*, 696 F.3d 811, 823 (9th Cir. 2012). Indeed, *Lane* expressly rejected any requirement that district courts calculate the value of the claims—explaining that "not only would such a requirement be onerous, it would often be impossible... [since] the amount of damages of a given plaintiff (or class of plaintiffs) has suffered in a question of fact that must be proved at trial." *Id.*<sup>17</sup>

**\$47.4 Million Net Payout for Repurchase Claims.** A little over two years after the start of the Repurchase process, Class Members who initiated the process (by serving a notice of intent to arbitrate) have already received **\$47.4 million** in payments. (*See* Barron Decl. ¶ 3.) This is before the start of the formal Arbitration Program, which would be implemented after all direct appeals are exhausted.<sup>18</sup> Plaintiffs expect, based

<sup>17</sup> Accordingly, courts, in evaluating automotive defect settlements, do not require the plaintiff to present speculative measures of the maximum value of the action upon a successful trial. *See, e.g., Warner v. Toyota Motor Sales U.S.A.*, No. 15-02171-FMO (C.D. Cal. May 21, 2017), Dkt. No. 140, at \*13 (granting final approval without a maximum valuation, noting that settlements involve "abandoning of highest hopes"); *Corson v. Toyota Motor Sales U.S.A.*, No. 12-8499-JGB, 2016 WL 1375838, \*7 (C.D. Cal. Apr. 4, 2016) (granting final approval, based in part, on "substantial recovery" that class members would receive as a result of the settlement); *See also Chambers*, 214 F. Supp. 3d at 888-89 (no valuation required to approve consumer class action settlement); *Zakskorn v. Am. Honda Motor Co.*, No. 11-02610-KJM, 2015 WL 3622990, at \*8 (E.D. Cal. June 9, 2015) (same); (finding that settlement provides adequate compensation without requiring extensive valuation); *Sadowska v. Volkswagen Group of America*, No. 11-00665-BRO, 2013 WL 9500948, \*4 (C.D. Cal. Sep. 25, 2013) (same).

<sup>18</sup> The Settling Parties have implemented a voluntary arbitration program,

on consultations with thousands of Class Members, that many more will pursue Repurchase once the formal program begins. (Wu Decl. ¶ 31.) While the Ninth Circuit panel did not have the benefit of this payout information, this updated information confirms that the Class has already received valuable benefits.

**\$30 Million Guaranteed Minimum for Cash Payments.** The Amended Settlement provides a minimum guarantee of \$30 million for the cash payment benefits alone. That is, the \$30 million guarantee is separate from (and do not account for) the \$47.4 million already paid out for Repurchase claim. Thus, the Settlement guarantees that the Class will receive a minimum of **\$77.4 million**.

**Total Value Exceeds \$100 Million.** The \$77.4 million does not include the value of the reimbursements or the non-purchase warranty arbitrations.<sup>19</sup> And with the claims period open until October of 2024, the total cash payout for the Class will be substantially higher. In addition, Ford is obligated to pay millions more for other benefits to the Class, including for claims administration, arbitration administration, arbitrator's fees, and attorneys' fees and costs to Class Counsel, counsel representing successful claimants, and counsel for Assisting Class Members. *See In re Online DVD-Rental*, 779 F.3d at 953 (explaining that administrative costs and litigation costs are properly considered expenses that benefit the Class). The value of the Settlement, which will be **well over \$100 million** when all is said and done, is exceptional. Few settlements for these types of claims can be valued at all, and an examination of the benefits offered by comparable settlements demonstrates that Class Members are entitled to unusually

---

proceeding under the same rules as the Arbitration Program, to meet Class Member demand. However, individual claimants proceeding under the voluntary program must execute a separate release because the Settlement is not yet finally approved with all direct appeals exhausted.

<sup>19</sup> Furthermore, the Settlement's expedited Warranty Arbitration is an additional benefit to Class Members who believe they have unreasonably incurred out-of-pocket costs for Transmission repairs. *See Mendoza v. Hyundai Motor Co., Ltd*, No. 15-01685-BLF, 2017 WL 342059, \*3 (N.D. Cal. Jan. 23, 2017 (finally approving a settlement that provides for warranty disputes to be resolved through Better Business Bureau ("BBB") arbitration).

valuable relief under the Amended Settlement.<sup>20</sup> (*See* Wu Decl. 4; Ex. 3.)

Aside from its absolute overall value, the Settlement's benefits deliver exceptional value directly to Class Members. First, the \$30 million in cash benefits are for repairs that were largely performed under warranty—Class Members receive payment even though they had no direct out-of-pocket expenses for repairs. This was one of the first settlements providing for such a benefit. (*See* Ex. 3.). As far as Plaintiffs know, the only other settlement with similar benefits is *In re MyFord Touch Consumer Litg.*, No. 13-03072-EMC, 2019 WL 1411510 (N.D. Cal. Mar. 28, 2019).<sup>21</sup> The *MyFord Touch* settlement, recently approved by District Judge Edward Chen, primarily provides cash payments of up to \$445 for multiple warranty repairs (on a part that the plaintiffs claim to cause a safety problem) and a minimum guarantee payout of \$17 million.

This Settlement is superior to the otherwise impressive *MyFord Touch* settlement by almost any measure. Aside from the higher minimum guarantee, Class Members may receive up to \$2,325 for multiple Service Visits, rather than up to \$445. More importantly, the cash payment is not the most valuable benefit of this Settlement; the Repurchase benefit is. In the vast majority of settlements, including *MyFord Touch*, settlement class members *release* all claims that could have been brought, including lemon law claims, with no right to a buyback.<sup>22</sup> *Id.* at \*\*2-3. Here, Repurchase claims are preserved, and the total value of the Settlement exceeds \$100 million. The value of the Amended Settlement thus strongly supports final approval.

**The Extraordinary Value Conferred by the Repurchase Benefit.** The Repurchase is a unique benefit, and the benefits go beyond the amount of the payout.

<sup>20</sup> *See, e.g., Seifi v. Mercedes-Benz USA*, No. 12-05493-THE, 2015 WL 12964340, \*2 (N.D. Cal. Aug. 18, 2015) (finding that “this [s]ettlement is similar to other approved automotive class action settlements.”).

<sup>21</sup> The district court granted final approval in *MyFord Touch* on November 27, 2019 and awarded fees and costs as requested of \$16 million. (*See In re MyFord Touch*, ECF No. 548)

<sup>22</sup> *MyFord Touch* class members have no right to a buyback ranging from \$15,000 to \$25,000, but are eligible for payments up to only \$445, even if they had multiple defects on the on-screen system that plaintiffs assert to be a safety problem.

1 Because the Settlement enhances Class Members' rights in the Arbitration Program,  
 2 most Class Members are in a better position to obtain a repurchase than they would be if  
 3 the Settlement were set aside, and consumers were left to pursue claims on their own.

4 First, the Settlement extends the statute of limitations for Repurchase to six years  
 5 from the date of original sale or six months from the Approval Date, whichever is later.  
 6 (Sett. Agmt. ¶ II(N)(1)(d).) The statutes of limitation in most states are far more  
 7 restrictive, often requiring claims to be brought within two or three years of original  
 8 delivery or purchase.<sup>23</sup> Moreover, this Court had rejected tolling the statute of limitations  
 9 for warranty claims in the *Ford DPS6 MDL. In re Ford Motor Co. DPS6 Powershift*  
 10 *Transmission Prod. Liab. Lit.*, No. 17-06656-AB, 2019 WL 6998668, at \*\*3-4 (C.D.  
 11 Cal. Sept. 5, 2019). And the majority of states do not recognize cross-jurisdictional  
 12 tolling of the statute of limitations.<sup>24</sup> The Settlement will therefore make available a  
 13 repurchase remedy for many Class Members who otherwise would have been without  
 14 recourse because their claims would have expired.

15 Second, the Settlement authorizes the Arbitrator to award a Repurchase consistent  
 16 with the Class Member's state lemon law and, if the Class Member does not meet its  
 17 requirements, provides a unique fallback standard of 4 or more Transmission Hardware  
 18 Replacements being performed within 5 years/60,000 miles (and the vehicle continues to  
 19 malfunction). (Sett. Agmt. ¶ II(N)(1)(e).) The fallback standard is valuable because the  
 20 state lemon law presumption for a repurchase, which essentially determines the burden

21  
 22 <sup>23</sup> Many states, including Alabama, Florida, Georgia, Hawaii, Idaho, Illinois,  
 23 Iowa, Kentucky, Maine, Massachusetts, Nevada, New Mexico, South Carolina, South  
 24 Dakota, Virginia, and Wisconsin limit lemon law claims to those that can be brought  
 within one and one-half to three years from the date of original delivery or sale  
 (sometimes with further limitations based on the timing of the express warranty).

25 <sup>24</sup> Fifteen states have officially rejected cross-jurisdictional tolling: Arizona,  
 26 California, Illinois, Kansas, Kentucky, Louisiana, Minnesota, New Mexico, Oklahoma,  
 27 Oregon, Pennsylvania, South Dakota, Tennessee, Texas, & Virginia, with a combined  
 28 population of 161,922,528. Ten states have not expressly ruled on the issue: Maine,  
 Maryland, Mississippi, New York Nebraska, Nevada, New Hampshire, North Dakota,  
 Rhode Island, Vermont, Wisconsin, Wyoming) with a combined population of  
 26,346,391.

of proof a consumer must meet to prevail on the claim, is generally far more demanding.<sup>25</sup> (See Ex. 4.) Because of these Settlement enhancements, most Class Members would do at least as well or better under the Settlement than in court.<sup>26</sup>

Importantly, former owners/lessees are provided the same limitations extension and can take advantage of the Settlement-created fallback standard under the Amended Settlement. (Amendment ¶ 12.) Only six states expressly authorize repurchase for former owners/lessees, so many more former owners/lessees would be able to obtain a repurchase under the Settlement than if they had opted out.<sup>27</sup> Other benefits include a one-way fee shifting provision, where prevailing claimants have their attorneys' fees up to \$6000 paid by Ford, with no liability to pay Ford's attorneys' fees if they should lose.<sup>28</sup> (Settlement Agreement ¶ II.N.1.h.) See *Brown v. W. Covina Toyota*, 26 Cal. App. 4th 555, 561 (1994) (explaining that one-way fee statutes provide important protection for consumers). And limited civil penalties are now available to be awarded to Claimants

<sup>25</sup> See, e.g., *Temple v. Fleetwood Enterprises*, 133 Fed App'x 254, 262 (6th Cir. 2005) ("[T]he Ohio Supreme Court has interpreted the statute that purports to establish a presumption of reasonableness to establish instead a definition of reasonableness that a consumer must meet to survive summary judgment.").

<sup>26</sup> See also, Michael Hanin, Carter Greenbaum, and Jeremy Aron-Dine, *Interpreting the Reasonable Number of Repair Attempts Standard in Lemon Law Arbitrations*, 29 Loy. Consumer L. Rev. 327 (2016-2017) In this article, which actually references this case, three arbitrators explain that transmission problems often manifest after 10,000 or 15,000 miles, "mak[ing] it difficult [for these claimants] to recover under Connecticut's Lemon Law, which was the first such statute enacted and set the standard for subsequent Lemon Laws in all-forty-nine other states and the District of Columbia." *Id.* The authors found that the ways in which the transmission problems manifest "test the ability of state Lemon Laws to provide consumers adequate recourse against manufacturers for alleged defects." *Id.* at 328 (explaining that many states' lemon laws mirror Connecticut's).

<sup>27</sup> The following states expressly authorize repurchase for former owners or lessees: California, Delaware, Florida, Maryland, New Jersey, and New York.

<sup>28</sup> While, in some instances, there may be other ways to obtain attorneys' fees to a prevailing consumer, states that lack express one-way fee shifting statutes for lemon law claims include: Alaska, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Kansas, Minnesota, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Mexico, North Carolina, North Dakota, Oregon, Texas, Utah, Virginia, US Virgin Islands.

1 who reside in states that authorize it. (Amendment ¶ 15.)

2 Perhaps most importantly, Class Members will be able to resolve their claims in  
3 three months or less, rather than many years, as is the case for consumers pursuing  
4 claims in court, including in the *Ford DPS6 MDL*.<sup>29</sup> Based on these changes, most Class  
5 Members would be better off under the Settlement than if the Settlement were set aside.  
6 And anyone who thought “his or her personal claim was being sacrificed for the greater  
7 good... had the right to opt-out of the class.” *Hanlon*, 150 F.3d at 1027. As a whole, the  
8 Settlement’s benefits—assuredly exceeding \$100 million—are far more valuable than  
9 typical benefits, such as an extended warranty for the alleged part and reimbursement for  
10 out-of-pocket costs, offered in automotive settlements approved by federal courts.<sup>30</sup>

11 **(b) The Strength of Plaintiffs’ Case and Risks of Further**  
12 **Litigation Support Final Approval**

13 The first two *Hanlon* factors (and the new Rule 23(e)(2)(C)(i)) require the Court  
14 to evaluate the benefits offered by the Settlement against the “risks, expense, complexity,  
15 and likely duration of further litigation.” *Low v. Trump Univ., LLC*, 881 F.3d 1111, 1122

approval); *see also, In re Mego Financial Corp. Sec. Litig.*, 213 F.3d 454, 459 (9th Cir.

1 future expenses that must be incurred, and the duration of litigation—strongly favor  
2 approving the Settlement. To prevail in a verdict, Plaintiffs would first have to prove that  
3 the problems experienced by Class Members can be traced to a transmission design  
4 defect, and that the defect persisted in multiple versions of the Transmission and  
5 multiple engine/transmission combinations. Even if Plaintiffs can maintain certification  
6 through trial, they would have to prove that Ford had pre-sale knowledge of the Alleged  
7 Defect, that it acted on that knowledge, and that Class Members were damaged.  
8 Plaintiffs would have to overcome Ford’s affirmative defenses, which include, among  
9 others, that no Transmission defect exists, or that, even if the Alleged Defect existed,  
10 Plaintiffs would not be able to show that it constitutes a safety concern.

11 As a threshold matter, the existence of a defect may not lead to legal liability  
12 under federal or state statutes. *See, e.g., Smith v. Ford Motor Co.*, 749 F. Supp. 2d 980,  
13 991-92 (N.D. Cal. 2010) (granting defendant’s motion for summary judgment and  
14 finding alleged ignition-lock defect not a safety risk), *aff’d*, 462 F. App’x 660 (9th Cir.  
15 2011). Moreover, it would be highly risky to pursue theories that hinge on diminution of  
16 value. *See Briehl v. General Motors Corp.*, 172 F.3d 623, 628-629 (8th Cir. 1999).  
17 Accordingly, Plaintiffs must meet a high burden to establish violations of state and  
18 federal consumer protection and warranty statutes.

19 This Court had already rejected a version of Plaintiffs’ core claim that Ford  
20 committed consumer fraud by failing to disclose a known defect. In the lead case on the  
21 *Ford DPS6 MDL*, the plaintiff sought to marshal evidence, much of which was first  
22 adduced by Plaintiffs here, to establish that Ford committed consumer fraud. *See*  
23 *Pedente v. Ford Motor Co.*, No. 18-ML-2814-AB (C.D. Cal. Oct. 29, 2019), ECF No.  
24 605., at 5-12. The Court rejected the plaintiff’s contention that Ford knew ATIC 91 chips  
25 were defective or that the leaking seal defect caused a safety hazard. *Id.* at 5-8. The Court  
26 also found that the plaintiff cannot establish damages stemming from the fraud  
27 allegations. *Id.* at 12-14. While the plaintiff in the MDL undoubtedly intends to appeal  
28 this ruling, Plaintiffs likewise may well lose on summary judgment on the consumer

1 fraud claims. As for the warranty claims, Plaintiffs face the potential problem that a  
 2 substantial portion of the Class Vehicles will not have warranty claims, and therefore  
 3 may not have had symptoms of the Alleged Defect at all. Plaintiffs' claims may  
 4 potentially fail due to the difficulties of establishing causation. *See Coba v. Ford Motor*  
 5 *Co.*, 932 F.3d 114 (3d Cir. 2019) (affirming summary judgment in favor of Ford on  
 6 consumer law and warranty claims).

7 Furthermore, Plaintiffs may well have been unable to maintain class status  
 8 through trial. Ford contends that, as a result of changes in the manufacturing process,  
 9 design, and software, there are multiple versions of the Transmission, precluding the  
 10 likelihood that one common defect exists. (Wu Decl. ¶ 53.) Had litigation continued,  
 11 Ford would have argued that the variations in the Transmission and in the Alleged  
 12 Defect also preclude class certification of the consumer fraud claims for omission. In  
 13 addition, Ford would have argued that, among other individual variations, questions  
 14 regarding each customer's proper maintenance of the vehicle, driving conditions, and  
 15 repair attempts, such as whether the vehicle was timely taken to the dealer for repairs,  
 16 among others, would preclude certification of the warranty claims. While Plaintiffs  
 17 would vigorously dispute these claims, consumers bringing automotive defect actions  
 18 face an uphill battle and are frequently denied class certification due to lack of common  
 19 proof.<sup>31</sup> The Ninth Circuit's decision in *Mazza v. Am. Honda Motor. Co.*, 666 F.3d 581,  
 20 594 (9th Cir. 2012), which makes it difficult to certify a nationwide class based on  
 21 alleged violations of state law, would also likely have stymied Plaintiffs' efforts. Even if  
 22

23 <sup>31</sup> *See, e.g., See Philips v. Ford Motor Co.*, No. 14-02989, 2016 WL 7428810,  
 24 \*17 (N.D. Cal. Dec. 22, 2016), *aff'd* 726 Fed.Appx. 608 (9th Cir. 2018) (finding that the  
 25 plaintiffs failed to present a compelling damages model supporting a classwide  
 26 determination regarding Ford's alleged omission of a "systemic defect" in the vehicle's  
 27 electronic steering system); *Grodzitsky v. Am. Honda Motor Co.*, No. 2-01142-SVW,  
 28 2014 U.S. Dist. LEXIS 24599 (C.D. Cal. Feb. 19, 2014) (denying certification due to  
 lack of evidence that common materials were used for all defective "window regulators"  
 in the class); *Cholakyan v. Mercedes-Benz USA, LLC*, 281 F.R.D. 534, 553 (C.D. Cal.  
 2012) ("There is also no evidence that a single design flaw that is common across all of  
 the drains in question is responsible for the alleged water leak defect...").

1 Plaintiffs were to prevail certification, *Mazza* would have required subclasses for some  
2 states; consumers in many other states may be left out altogether. *See, e.g., In re MyFord*  
3 *Touch*, 2019 WL 1411510, at \*6 (settlement involving seven litigation state-specific  
4 subclasses).

5 The anticipated additional expenses that must be incurred also support final  
6 approval. *See Chambers*, 214 F. Supp. 3d at 888 (“In assessing the risk, expense and  
7 complexity of further litigation, the court evaluates the time and cost required.” [citation  
8 omitted]). Here, Plaintiffs shoulder exceedingly high financial risks in pursuing this  
9 action. This class action against a major automotive manufacturer, where Plaintiffs  
10 allege that nearly 1.5 million vehicles suffer a serious defect, has the strong potential to  
11 engulf Plaintiffs and Class Counsel in protracted, resource-draining court battles. In a  
12 contested certification motion, Ford would likely submit expert testimony from a Ford  
13 engineer showing that the Transmissions for various Class Vehicles differs in various  
14 respects. Plaintiffs would rely on the testimony of a technical expert to dispute the import  
15 of what they consider to be minor part variations, along with that of an expert on  
16 consumer expectations and a damages expert. These hefty costs would have to be  
17 advanced by Plaintiffs and Class Counsel and would add significantly to the risks of  
18 proceeding in litigation, which already exceeds \$300,000 without them. *See Aarons v.*  
19 *BMW of N. Am. LLC*, No. 11-7667, 2014 U.S. Dist. LEXIS 118442, at \*29-31 (C.D.  
20 Cal. Apr. 29, 2014) (approving a settlement on a transmission defect and observing that  
21 “it is the very uncertainty of outcome in litigation and avoidance of wasteful and  
22 expensive litigation that induce consensual settlements.” [citation omitted]).

23 Finally, prompt settlements are highly preferable to protracted litigation. In  
24 actions involving automotive defects, “where motor vehicles have a relatively short  
25 lifespan, there is a premium upon promptly finding a remedy for alleged defects to  
26 restore full enjoyment of the vehicle.” *Yaeger v. Subaru of Am., Inc.*, No. 11-4490-JBS,  
27 2016 WL 4541861, \*9 (D.N.J. Aug. 31, 2016). Thus, even if Plaintiffs were to certify  
28

the Class on contested motion, and prevail on dispositive motions and at trial,<sup>32</sup> the years of litigating this action would almost certainly diminish the relief to Class Members, as their Vehicles' value will depreciate over time. Because any repurchase or rescission remedy requires that a consumer return the product in a condition comparable to what he or she received, and because the vehicle's value depreciates significantly with use and time, Plaintiffs believe that a prompt resolution of this action provides the greatest benefit to Class Members. (Wu Decl. ¶ 59.)

It is generally accepted that "unless the settlement is clearly inadequate, its acceptance and approval are preferable to lengthy and expensive litigation with uncertain results." *Eisen v. Porsche Cars North American, Inc.*, No. 11-09405-CAS, 2014 WL 439006, at \*3 (C.D. Cal. Jan. 30, 2014) (citation omitted). Here, the risk of continuing litigation, including the risk of certification and/or judgment on the merits, increased costs, and potential for protracted litigation, weighs heavily in favor of settlement.

### (c) The Method of Distribution, Attorneys' Fees, and Other Agreements

Rule 23(e)(2)(C)(ii)-(iv) require review of the method of distribution, attorneys' fees and the existence of other agreements. As set forth above, the Repurchase benefit is provided through a streamlined arbitration process, where the Class Member need only provide a Notice of Intent to Arbitrate to commence the process.

The cash payments for Service Visits can be submitted by pre-populated information on the claim form. *See Hyundai*, 926 F.3d at 568 (finding that online claims process where class member must input VIN and class member ID not overly burdensome). Service Visits require documentation, but it is standard in settlements to require repair orders or receipts to substantiate a claim. *See Keegan, v. Am. Honda Motor Co.*, No. 10-09508-MMM, 2014 WL 12551213, \*15 (C.D. Cal. Jan. 21, 2014) ("Courts

<sup>32</sup> The inherent risks of proceeding to trial weigh in favor of settlement. *See In re Portal Software, Inc. Sec. Litig.*, 2007 U.S. Dist. LEXIS 88886, \*7-8 (N.D. Cal. Nov. 26, 2007) (recognizing that "inherent risks of proceeding to... trial and appeal also support the settlement").

frequently approve settlements that require class members to submit receipts or other documentation.”). In fact, most states have record-retention laws, and “dealerships and service centers routinely maintain such records; thus, to the extent that class members do not have an invoice in their possession, it is likely that they would be able to secure such documentation.” *Asghari v. Volkswagen Grp. of Am.*, No. 13-02529-MMM, 2015 WL 12732462, at \*29 (C.D. Cal. May 29, 2015) (overruling objection that requiring claimants to submit proof of compliance with scheduled oil changes in warranty maintenance manual is unfair and overly burdensome). And the Amended Settlement permits those who attempted to make repairs, but were turned away by a Ford Dealer, to submit claims for \$20 without any documentation other than an attestation under oath. (Amendment ¶ 8.)

If there is residue left from the guaranteed minimum at the end of the claims period, the Amendment contemplates an accounting and a second distribution, on a per capita basis, to all Class Members who submitted a valid claim for cash payment or received a payment through the Repurchase process. (Amendment ¶ 9.)

Class Counsel will seek attorneys’ fees through the concurrently-filed renewed fee application. Attorneys for Assisting Class Members will do so in the following week. Fees will be paid within 14 days after the Effective Date. (Sett. Agmt. ¶ II.P.)

Finally, aside from the Settlement Agreement and the Amendment, Lead Class Counsel have fee-sharing agreements with both Class Counsel Berger & Montague and Class Counsel Zimmerman Law Offices P.C. (“Zimmerman”), each of which has been consented to by each firm’s respective clients.<sup>33</sup> The existence of these fee-sharing agreements was previously presented to the Court, prompted by DeBolt’s objection. (ECF No. 167.) No other agreements have been made in connection with this Settlement under Rule 23(e)(3).

<sup>33</sup> The terms of the fee-sharing agreements are confidential, but Class Counsel will disclose the fee arrangement, *in camera*, if ordered by the Court pursuant to Rule 54(d)(2)(B) “If directed by the court, the motion shall also disclose the terms of any agreement with respect to fees to be paid for the services for which claim is made.”

### 3. The Settlement Treats Class Members Equitably

Rule 23(e)(2)(D) requires that the Court consider whether “the proposal treats class members equitably relative to each other.” The Settlement does not grant preferential treatment to any other segment of the Class. Rather, the Settlement was structured to deliver the most complete relief to those Class Members that experienced persistent defects—which is a requirement of a breach of warranty claim. *See In re Citric Acid Antitrust Litig.*, 145 F. Supp. 2d 1152, 1154 (N.D. Cal. 2001) (“A plan of allocation that reimburses class members based on the type and extent of their injuries is generally reasonable.”). Class Members receiving more than others do so because they have had more Service Visits, which is indicative of the seriousness of their Transmission problems. This is an objective and logical explanation for the variations in monetary recovery.

The Amended Settlement does not provide different benefits for former owners/lessees vis-a-vis current owners/lessees. Both groups are subject to the same requirements. Of course, former owners cannot qualify for additional cash payments for future Service Visits or breach of warranty claims, just as former owners cannot benefit from an extended warranty, but that difference is not a structural division created by the Settlement.<sup>34</sup> However, it would not be unfair even if the Settlement were to favor current owners structurally, since, under Ninth Circuit case law, such structural advantages are permitted (as current owners exert more litigation leverage than former owners). *See In re Volkswagen “Clean Diesel” Mktng., Sales Practices, and Prods. Litig.*, 895 F.3d 597, 608-609 (9th Cir. 2018) (finding no intra-class conflict even though settlement provides more benefits to current owners). Here, the Amended Settlement does not structurally favor any segment of class members over any other. As such, there is not even a question that the Settlement treats all Class Members fairly.

<sup>34</sup> *See Asghari*, 2015 WL 12732462, at \*22 ([t]he possibility that the settlement does not provide for a payout to every conceivable class member who in some way may have been affected by the purported defect does not establish that the settlement is unfair or unreasonable.”).

#### 4. The Extent of Discovery and Stage of Proceedings

Courts may also consider the extent of discovery and the current stage of the litigation to evaluate whether parties have sufficient information to make an informed decision to settle the action. *See Linney v. Cellular Alaska Partnership*, 151 F.3d 1234, 1239 (9th Cir. 1998). A settlement negotiated at an earlier stage in the litigation will not be denied so long as sufficient investigation has been conducted. *Eisen v. Porsche*, 2014 WL 439006, at \*13 (finding that counsel had “ample information and opportunity to assess the strengths and weaknesses of their claims” despite “discovery [being] limited because the parties decided to pursue settlement discussions early on.”).

As described in Section II.B, *supra*, Plaintiffs engaged in extensive investigation and discovery, including reviewing over a million documents, retaining experts and conducting their own testing, and taking depositions of two of Defendant’s corporate representatives in Michigan and a corporate representative of Transmission part supplier Getrag. (*See* Wu Decl. ¶¶ 9-14; Paul Decl. ¶¶ 7-11.)

#### 5. The Views of Experienced Counsel

The fact that sophisticated parties with experienced counsel have agreed to settle their dispute should be given considerable weight by courts, since “parties represented by competent counsel are better positioned than courts to produce a settlement that fairly reflects each party’s expected outcome in the litigation.” *In re Pac. Enters. Sec. Litig.*, 47 F.3d 373, 378 (9th Cir. 1995). Here, the Parties achieved a settlement after a thorough review of relevant documents and testimony, as well as a rigorous analysis of the Parties’ claims and defenses. The Amended Settlement incorporates the expectations of all Parties and, as set forth above, is non-collusive, being the product of arm’s-length negotiations and finalized with the assistance of an experienced and respected mediator.

The Parties were represented by counsel possessing significant experience in automotive defect and class action matters. (*See, e.g.*, Wu Decl. ¶¶ 38-40; Paul Decl. ¶¶ 21-28.) Likewise, Ford’s counsel, Dykema Gossett, is a well-respected defense firm. The Parties’ recommendation to approve this Settlement should therefore “be given

great weight.” *Eisen*, 2014 WL 439006, at \*5 (crediting the experience and views of counsel in approving a settlement resolving automotive defect allegations). The proposed Amended Settlement is also supported by Assisting Class Members, who had good faith objections to the original Settlement. Counsel for Assisting Class Members include Michael Kirkpatrick, who litigates on behalf of Public Citizen, a highly regarded public interest organization that regularly advocates on behalf of consumers and employees before the U.S. Supreme Court. (*See* Amendment.)

## 6. The Reaction of Class Members to the Proposed Settlement<sup>35</sup>

The objection, opt-out, and opt-in deadline was September 5, 2017. Approximately 10,350 of the 1.9 million Class Members, or under 1 percent of the Class, have chosen to opt out. (Wu Decl. ¶ 22; ECF No. 240, Ex. A.) This small percentage of exclusions demonstrate that Class Members have reacted favorably to the Settlement, supporting final approval. *See, e.g., See Churchill Vill. v. Gen. Elec.*, 361 F.3d 566, 577 (9th Cir. 2004) (affirming final approval where “only 45” of the approximately 90,000 class members objected and 500 opted out); *Chun-Hoon v. McKee Foods Corp.*, 716 F. Supp. 2d 848, 852 (N.D. Cal. 2010) (granting final approval where the opt-out rate was 4.86% of the class); *Eisen*, 2014 WL 439006, at \*5 (“Although 235,152 class notices were sent, 243 class members have asked to be excluded ....”); *Milligan v. Toyota Motor Sales, U.S.A.*, No. 09-05418-RS, 2012 U.S. Dist. LEXIS 189782, \*25 (N.D. Cal. Jan. 6, 2012) (finding favorable reaction where 364 individuals opted out [0.06%] following a mailing of 613,960 notices). Further, only fifteen Class Members had objected, and all six who have appealed final approval have now withdrawn their objections and support final approval of the Amended Settlement. (Amendment ¶ 1.) The reaction of the Class supports final approval.

## D. The Settlement Satisfies the *Bluetooth* Factors

Finally, pre-certification settlements require further inquiry for “more subtle signs” of potential collusion between class counsel and defendant. *In re Bluetooth*, 654

<sup>35</sup> There is no governmental participant in this case, and so this factor is neutral.

1 F.3d at 946-47. But in applying “all of these factors, considerations, ‘subtle signs,’ and  
2 red flags, the underlying question remains this: Is the settlement fair?” *Volkswagen*  
3 “*Clean Diesel*,” 895 F.3d at 611. These factors “in the end are just guideposts.” *Id.*

4 As discussed, the Settlement creates a minimum of \$77.4 million to be delivered  
5 to the Class (facts that were not before the Ninth Circuit panel in this case). This  
6 settlement does not bear the hallmarks of collusion, such as when class counsel “receive  
7 a disproportionate distribution of the settlement” or when “class receives no monetary  
8 distribution but class counsel are amply rewarded.” *Bluetooth*, 654 F.3d at 947.  
9 Counsel’s fees and costs are \$8.85 million, or under 12% of the \$77.4 million minimum  
10 class payout, and under 10% of the overall settlement value, is decidedly not  
11 disproportionate to Class’s benefits. The Settlement is not collusive under the first  
12 *Bluetooth* factor.

13 The *Hyundai Fuel Economy* case is instructive. In *Hyundai*, the settlement  
14 delivered roughly \$100 million in benefits (much of which is also attributable to a  
15 voluntary program created by automakers in response to an EPA investigation), had a  
16 clear sailing provision for several but not all of the firms serving as class counsel, and no  
17 reverter. On those facts, the Ninth Circuit en banc panel found that it bore “none of the  
18 typical signs of collusion.” *Hyundai*, 926 F.3d at 569. The en banc panel distinguished  
19 its facts from *Bluetooth*, in which “the settlement paid the class zero dollars,” a clear-  
20 sailing provision where defendants agreed not to contest “an award of attorneys’ fees  
21 totaling eight times the *cy pres* award,” and a kicker clause on fees. *Id.*

22 Even though there was a “clear sailing” provision for some class counsel, the *en*  
23 *banc* court in *Hyundai* held that it was not problematic, since “[t]he settling parties  
24 agreed on the amount of class compensation” well before negotiating, “‘over multiple  
25 mediation sessions with a respected and experience mediator,’ the ‘reasonable attorney’s  
26 fees provided in the settlement agreement.’” *Hyundai*, 926 F.3d at 569-70. The en banc  
27 panel emphasized that the Ninth Circuit had “previously approved such an approach,” as  
28 it “put a good deal of stock in the product of an arm’s-length, non-collusive, negotiated

1 resolution.” *Id.* (citation omitted). That fees were separately awarded under the lodestar  
 2 method, with a multiplier ranging from 1.22 to 1.55, also supports a finding that the  
 3 settlement was not collusive. *Id.* at 571-72.

4 Under *Hyundai*, therefore, a “clear-sailing” provision is not inherently  
 5 problematic so long as the fees do not dwarf the class benefits and were negotiated  
 6 separately, with the assistance of an experienced mediator. This is in accord with pre-  
 7 *Hyundai* cases. *See, e.g., MyFord Touch*, 2019 WL 1411510, at \*7 (approving  
 8 settlement with a “clear-sailing provision” partly because the fee agreement were  
 9 reached under the auspices of an experienced mediator); *Schuchardt v. Law Office of*  
 10 *Rory W. Clark*, 314 F.R.D. 673, 687 (N.D. Cal. 2016) (clear-sailing provision does not  
 11 signal collusion when the agreed-upon fees are reasonable and the relief negotiated for  
 12 the class is favorable). Indeed, the U.S. Supreme Court had instructed parties to “settle  
 13 the amount of a fee” to avoid uncertainty, risk, and the potential of a resource-draining  
 14 “second major litigation” on fees. *Hensley v. Eckerhart*, 461 U.S. 424, 437 (1983).

15 Thus, even though the Settlement contains a clear-sailing provision, it is not  
 16 problematic and does not support collusiveness under the second *Bluetooth* factor. The  
 17 fees were negotiated in a separate mediation after class relief was finalized, an approach  
 18 approved by the *Hyundai* en banc court. (Wu Decl. ¶ 16.) Moreover, the attorneys’ fees  
 19 constitute less than 10% of the \$100 million+ value of the Settlement. And, as set forth  
 20 in Plaintiffs’ renewed fee application, the requested fees will represent a negative  
 21 multiplier on Class Counsel’s \$10,541,276.65 lodestar. “[C]ourts view self-reduced  
 22 fees” representing a negative multiplier on the lodestar “favorably.” *MyFord Touch*,  
 23 2019 WL 1411510, at \*7 (quoting *Schuchardt*, 314 F.R.D. at 690). “[H]ad the fee  
 24 amount been litigated and not negotiated, a [substantial] multiplier could have been  
 25 awarded and the fees substantially higher.” *Mendoza*, 2017 WL 342059, at \*12. Indeed,  
 26 *Mendoza*’s example for the risks of not resolving fees was a case involving these very  
 27 counsel, where Lead Class Counsel secured a 2.0 multiplier on their contested catalyst  
 28 fees after Ford performed a recall. *Id.* (citing *MacDonald v. Ford Motor Co.*, No. 13-

1 2988, 2016 WL 3055643, at \*\*9-10 (N.D. Cal. May 31, 2016)). The existence of a  
2 clear-sailing provision, on these facts, is not an indicia of collusiveness.

3 Finally, the third *Bluetooth* factor is also absent, as there is no reversion to Ford.  
4 For the cash payments, the Settling Parties have negotiated a multi-stage distribution  
5 process to ensure that no amount reverts to Ford. Other benefits are claimed on a  
6 “claims-made” basis and would not revert.

7 Quite simply, no badges of collusion exist. The Court, after applying the  
8 *Bluetooth* factors, should find that the Settlement is not the product of collusion and is  
9 fair, reasonable and adequate, meriting final approval.

10 **E. Ms. Maharry’s Request To Circumvent Rule 23 Procedures Must Be**  
11 **Rejected**

12 Finally, the Court asked the parties to respond to Class Member Ayanna Maharry,  
13 who has filed an objection-like correspondence with the Court more than two years after  
14 the objection deadline. (ECF No. 277.) First, Ms. Maharry did not timely object and her  
15 correspondence cannot be deemed an objection. Second, Ms. Maharry’s letter is  
16 premised on Ford’s liability having been established; it has not. As set forth above, the  
17 MDL plaintiff’s fraud claims have been adjudicated in Ford’s favor by this Court.

18 Third, Ms. Maharry was actually offered a Repurchase by Ford, presumably after  
19 providing notice to Ford under the Settlement but believes that this was not good  
20 enough. She wants civil penalties, too. Setting aside that she was offered essentially full  
21 relief under the Settlement, that a settlement “could have been better” is not a ground for  
22 disapproving it. *See Hanlon*, 150 F.3d at 1027. Moreover, the Amended Settlement now  
23 permits Class Members to recover civil penalties under certain circumstances if state law  
24 authorizes it. (Amendment ¶ 15.)

25 Fourth, Ms. Maharry said she is subject to California lemon laws, yet she retained  
26 a lemon lawyer who apparently advised her that she needed to retain her vehicle to  
27 obtain a Repurchase. (ECF No. 277, at 2-3.) If she qualifies for a Repurchase under  
28 California lemon law then she can receive payment under the Settlement even if she no

1 longer has possession of the Class Vehicle. (Amendment ¶ 11.) The Settlement cannot  
2 be blamed for her own lawyer's apparently misguided advice.

3 Fifth, Ms. Maharry has presented no facts for excusable neglect or good cause for  
4 the Court to permit a belated opt-out. *See Volkswagen "Clean Diesel,"* 895 F.3d at 614-  
5 615 (affirming denial of belated opt-out for lack of good cause). In fact, she did not try to  
6 opt out after learning of the Settlement. Instead, she apparently sought to file a claim first  
7 and was offered a Repurchase. (ECF No. 277 at 3.) As set forth above, the dissemination  
8 of the Class Notice satisfied Rule 23(e) and due process, and there was no timely  
9 objection to the notice process. Further, the Ninth Circuit opinion did not vacate the  
10 preliminary approval order establishing the dates of the opt-out and objections. The  
11 Ninth Circuit's only directive is for this Court to engage in "a more searching inquiry"  
12 before rendering a decision on whether to finally approve the proposed Settlement.  
13 Allowing Ms. Maharry to belatedly opt out without good cause would create disarray, as  
14 it would encourage lemon lawyers to inundate the Court with belated opt-out requests.  
15 This Court must therefore reject Ms. Maharry's attempt to throw a wrench in the  
16 settlement process and delay final approval of a settlement exceeding \$100 million.

17 ///

1 **IV. CONCLUSION**

2 Based on the foregoing, the proposed Settlement is fair, adequate, and reasonable,  
3 and satisfies the standard for final approval. Accordingly, Plaintiffs move the Court to  
4 enter the Order Granting Final Approval of the Settlement Agreement, enter Final  
5 Judgment, and grant such other and additional relief as the Court may deem appropriate.

**DECLARATION OF RYAN H. WU IN  
SUPPORT OF PLAINTIFFS'  
RENEWED MOTION FOR FINAL  
APPROVAL OF THE CLASS ACTION  
SETTLEMENT**

Date: February 28, 2020  
Time: 10:00 a.m.  
Place: Courtroom 7B

**DECLARATION OF RYAN H. WU**

I, Ryan H. Wu, declare as follows:

1. I am an attorney licensed to practice before all courts of the State of California. Unless the context indicates otherwise, I have personal knowledge of the facts stated in this declaration and, if called as a witness, I could and would testify competently thereto. I am a partner at Capstone Law APC (“Capstone” or “Lead Class Counsel”), one of the counsel of record for Plaintiffs Omar Vargas, Michelle Harris, Sharon Heberling, Robert Bertone, Kevin Klipfel, Andrea Klipfel, Maureen Cusick, Eric Dufour, Abigail Fisher, Christie Groshong, Virginia Otte, Tonya Patze, Lindsay Schmidt, Patricia Schwenker, Patricia Soltesiz, Joshua Bruno, Jason Porterfield, and Jamie Porterfield in the above-captioned action. I make this declaration in support of Plaintiffs’ Renewed Motion for Final Approval of the Class Action Settlement.

2. Attached as **Exhibit 1** is the Stipulation and Agreement of Settlement (“Settlement Agreement”) between Plaintiffs and Defendant Ford Motor Company (“Ford”) that was preliminarily approved by the Court on April 25, 2017. (ECF No. 133.) This copy of the Settlement Agreement does not include the attached exhibits, as certain documents will be revised to conform to the revised terms as reflected in the Amendment below.

3. Attached as **Exhibit 2** is Amendment of Stipulation and Agreement of Settlement (“Amendment”) that was negotiated and agreed upon by Plaintiffs, Ford. The Settlement Agreement and Amendment together comprise the “Amended Settlement” or “Amended Settlement Agreement.” Unless specifically defined here, all capitalized terms as used herein are defined in either the Settlement or the Amendment. Because the final version of the Amendment was agreed upon by all parties only a day before the date of this filing, I submit a copy of the Amendment executed by Class Counsel, Ford’s counsel, and Ford’s corporate representative, and several Class Representatives. The parties expect to file a fully executed Amendment by February 8, 2020, well before the final fairness hearing on February 28, 2020.

1  
2 4. Attached as **Exhibit 3** is a chart, which I prepared, comparing recently  
3 approved class action settlements alleging automotive defects to the proposed Amended  
4 Settlement.

5 5. Attached as **Exhibit 4** are summaries of state lemon law provisions  
6 involving (a) statute of limitations; (b) pre-dispute resolution requirements; (c)  
7 presumption for a buyback; (d) notice requirements; (e) and manufacturers' opportunity  
8 to cure previously submitted by Plaintiffs as Exhibits 1 through 5 in support their  
9 Response to Objections (ECF No. 170-1, at 5-46).

10 6. Attached as **Exhibit 5** is Capstone's firm resume that summarizes the  
11 firm's major accomplishments and provides a short professional biography of each  
12 attorney at the firm.

13 **SUMMARY OF ALLEGATIONS AND PROCEDURAL HISTORY**

14 7. This action consolidates three cases. The original action was filed by  
15 Plaintiff Omar Vargas on September 28, 2012, in the Central District of California  
16 against Ford. The Complaint alleged that the Transmission, which Ford billed as a new  
17 type that combines the best features of automatic and standard transmissions, causes  
18 Class Vehicles to slip, buck, jerk, and suffer sudden or delayed acceleration and delays  
19 in downshifts ("Alleged Defect"). (ECF No. 1.) Alleging Ford failed to disclose to  
20 consumers the Alleged Defect and that it was a safety hazard, Plaintiff sought damages  
21 and injunctive relief under California consumer protection laws, breach of express  
22 warranty, and breach of implied warranty under the Song-Beverly Consumer Warranty  
23 Act. Subsequent amended pleadings added new claims and additional plaintiffs Robert  
24 Bertone, Michelle Harris, and Sharon Heberling. (ECF Nos. 24, 57.) Another suit  
25 alleging nearly identical claims, *Klipfel v. Ford Motor Co.*, No. 15-CVP0044, was  
26 consolidated with *Vargas* and *Klipfel* on December 2, 2015. (ECF No. 34.) Two  
27 additional actions alleging similar claims, *Cusick v. Ford Motor Company*, Case No.  
28 2:15-cv-08831-AB (C.D. Cal.), filed on November 12, 2015, and *Anderson v. Ford*

1 *Motor Co.*, No. 1:16-cv-01632 (N.D. Ill.), filed on April 21, 2016, were also brought by  
2 Ford consumers. *Cusick* was consolidated with the instant action on February 22, 2017  
3 (ECF No. 52), and the First Amended Complaint in *Cusick*, filed on February 22, 2016,  
4 was deemed the “Operative Complaint” for settlement purposes.

5 8. Ford instituted three Customer Satisfaction Programs during the pendency  
6 of the litigation. The 14M01 Program attempted to address the problems Plaintiffs  
7 identified in this lawsuit by extending the warranty coverage for the Transmission’s  
8 input shafts, clutch, and software calibration in those Class Vehicles manufactured prior  
9 to June 5, 2013. The 14M02 Program extended the warranty on the Transmission  
10 Control Module to 10 years of service or 150,000 miles for specific 2011-2015 Fiesta  
11 and 2012-2015 Focus vehicles. In August 2019 Ford issued Program 19N08 which  
12 extended the warranty on the clutch on additional Class Vehicles to 7 years/100,000  
13 miles. <https://static.nhtsa.gov/odi/tsbs/2019/MC-10164603-0001.pdf>.

14 9. Investigation and Discovery. Both before and after these actions were  
15 filed, Plaintiffs thoroughly investigated and litigated their claims, including conducting  
16 testing regarding the Alleged Defect, which allowed Plaintiffs’ counsel to evaluate  
17 Ford’s representations concerning the alleged Transmission problems and repair  
18 solutions. Among other tasks, Plaintiffs fielded tens of thousands of inquiries from  
19 putative Class Members and investigated many of their reported claims. They consulted  
20 and retained automotive experts and researched publicly available materials and  
21 information provided by the National Highway Traffic Safety Administration  
22 (“NHTSA”) concerning consumer complaints about the Transmission. They reviewed  
23 and researched consumer complaints and discussions of Transmission problems in  
24 articles and forums online, in addition to various manuals and technical service bulletins  
25 (“TSBs”) discussing the alleged defect.

26 10. Furthermore, Plaintiffs propounded discovery on Ford. In response, Ford  
27 produced over 1.5 million pages of documents, including spreadsheets with millions of  
28 lines of data, owners’ manuals, maintenance and warranty manuals, design documents

(e.g., technical drawings), VIN Decoders, TSBs, field reports, customer comments detail reports, warranty data, and internal emails and emails between Ford and third parties regarding the Transmission. Class Counsel also defended the depositions of four class representatives. Plaintiffs obtained additional discovery from third parties Getrag Transmission Corporation (“Getrag”), and LuK USA LLC, LuK Clutch Systems, LLC and LuK Transmission Systems, LLC (collectively, “LuK”), the manufacturers and suppliers of the Transmission and its clutches. Plaintiffs subpoenaed and received over 20,000 documents comprised of 117,000 pages from Getrag and nearly 10,000 documents comprised of over 36,000 pages from LuK.

11. Plaintiffs also took Fed. R. Civ. P. 30(b)(6) depositions, including that of Chris Kwasniewicz, the engineer Ford assigned to “problem solve” the Transmission, and Matt Fyie, a Ford Design Analysis Engineer. These depositions elicited information about the Transmission’s design, its dual-clutch function, the manufacturing processes of its various components, the problems it exhibited and their root causes, changes to the clutch material, the input shaft seals, control software, and the customer service programs and warranty extensions Ford initiated during the litigation.

12. In reviewing this discovery, including hundreds of thousands of pages of email correspondence and databases containing millions of lines of data produced by Ford, Class Counsel identified information that was instrumental to the case and to Plaintiffs’ efforts during mediation.

13. Furthermore, Class Counsel identified topics for Fed. R. Civ. P. 30(b)(6) depositions, including those of Chris Kwasniewicz, the engineer Ford assigned to “problem solve” the Transmission, and Matt Fyie, a Design Analysis Engineer for Ford’s automatic transmissions. Mr. Kwasniewicz’s deposition elicited information about the Transmission’s design, its dual-clutch function, the manufacturing processes of its various components, the problems it exhibited and their root causes, changes to the clutch material, the input shaft seals, control software, and the customer satisfaction programs and warranty extensions Ford initiated during the litigation. Matt Fyie’s

1 deposition elicited information about the incidences of Transmission problems and the  
2 number of replacement parts provided to the class.

3 14. Moreover, over the course of litigation, thousands of Class Members  
4 contacted Class Counsel to report problems with their Class Vehicles and seek relief.  
5 Class Counsel logged each Class Member's complaint in a database and developed a  
6 plan for litigation and settlement based in large part on their reported experiences with  
7 their Class Vehicles and with Ford dealers.

#### 8 **ARM'S-LENGTH NEGOTIATIONS AND INITIAL SETTLEMENT**

9 15. Negotiating the Initial Nationwide Settlement: The proposed Settlement is  
10 the culmination of lengthy discussions between the Parties, consultation with their  
11 experts, comprehensive discovery, and thorough analysis of the pertinent facts and law at  
12 issue. On August 18, 2015, the Parties attended the first of five in-person mediation  
13 sessions in Boston, Massachusetts with one of the top mediators in the field, Professor  
14 Eric D. Green of Resolutions LLC. In advance of the mediation, the Parties submitted  
15 detailed mediation briefs setting forth their positions. The Parties were unable to reach  
16 an agreement on all material terms of the proposed relief to the Class in this initial  
17 mediation but agreed to engage in further negotiations with Prof. Green.

18 16. Following a second session on May 6, 2016, the Parties made substantial  
19 progress, and, with Prof. Green's continuing assistance, agreed to terms regarding relief  
20 for the Class during a third session on June 2, 2016. On June 9, 2016, after confirming  
21 the terms for Class relief, the Parties participated in a fourth mediation session in Boston  
22 with Prof. Green focused solely on the issue of attorneys' fees, costs, and service awards,  
23 which they were ultimately able to resolve. Plaintiffs and Class Counsel ensured that  
24 their interests aligned with the Class's by negotiating attorneys' fees, costs, and service  
25 awards only after the Settlement benefits for the Class had been determined.

26 17. After completing mediation, the Parties worked diligently to formalize this  
27 complex, sweeping Settlement and time to, *inter alia*, (a) refining and harmonizing the  
28 separate cash payment components of the Settlement, (b) drafting the Arbitration Rules,

(c) researching each state's lemon laws and class action settlements involving similar automotive defects, (d) creating notices that would clearly answersupporting documents. Class Members' questions regarding the Settlement, and (e) drafting the final settlement and motion papers. The process of finalizing all of the terms of the Settlement spanned six months. Plaintiffs also spent considerable time vetting arbitration administrators before choosing DeMars & Associates. The proposed Settlement was previously submitted the Court on March 24, 2017, as part of Plaintiffs' Motion for Preliminary Approval of the Class Action Settlement. (ECF No. 120.) The Court granted preliminary approval on April 25, 2017, certifying the Settlement Class, designating Plaintiffs as Class Representatives, and appointed Capstone Law APC, Berger & Montague, P.C., and Zimmerman Law Offices, P.C. as Class Counsel and designated Capstone as Lead Class Counsel. 23(b)(3). (ECF No. 133.)

#### **PRELIMINARY APPROVAL AND INITIAL FINAL APPROVAL**

18. Class Counsel prepared and filed Plaintiffs' Motion for Preliminary Approval of the Class Action Settlement on March 24, 2017. (ECF No. 120.) Following the hearing on April 24, 2017, the Court granted preliminary approval on April 25, 2017. (ECF No. 133.) In its Order Granting Preliminary Approval, this Court determined that the Settlement Class, as defined, satisfies the requirements of Rule 23(a) and Rule 23(b)(3). The Court designated Plaintiffs Omar Vargas, Michelle Harris, Sharon Heberling, Robert Bertone, Kevin Klipfel, Andrea Klipfel, Maureen Cusick, Eric Dufour, Abigail Fisher, Christie Groshong, Virginia Otte, Tonya Patze, Lindsay Schmidt, Patricia Schwenker, Patricia Soltesiz, Joshua Bruno, Jason Porterfield, and Jamie Porterfield as the Class Representatives of the Settlement Class. The Court also appointed Capstone Law APC, Berger & Montague, P.C., and Zimmerman Law Offices, P.C. as Class Counsel, and designated Capstone as Lead Class Counsel.

19. Upon review of the Settlement terms, this Court also found that the Settlement's "terms appear sufficiently fair, reasonable, and adequate" for the purposes of preliminary approval. (ECF No. 133, ¶ 8.) The Court approved the form of the

1 notices, including the Short Form Class Notice to be disseminated to Class Members and  
2 a Long Form Class Notice that will be stored on the Settlement web site. The Court then  
3 appointed Kurtzman Carson Consultants (“KCC”) as Claims Administrator to  
4 administer the notice and claims process.

5 20. Following the Parties’ Stipulations, the Court entered orders amending the  
6 Preliminary Approval Order on scheduling (ECF No. 135) and the temporary restraining  
7 order. (ECF No. 139.) The Claims Administration implemented the notice program.

8 21. Plaintiffs then filed their initial Motion for Attorneys’ Fees, Costs, and  
9 Service Awards on August 21, 2017. (ECF No. 146.) They filed their initial Motion for  
10 Final Approval of Class Action Settlement on August 28, 2017. (ECF No. 150.)

11 22. The opt-out/objection deadline was September 5, 2017. Approximately  
12 10,350 recipients of the class notice validly opted out. However, several disputes arose  
13 regarding the validity of certain Class Members’ opt-outs. The Court entered an order  
14 memorializing the final opt-out list on December 13, 2017. (ECF No. 240.) The same  
15 opt-out list is attached to the Proposed Final Approval Order as Exhibit A.

16 23. Fifteen Class Members, including Brenda Lott, Suzanne Lutz, Carlie  
17 Olivant, Gail Slomine, and Philip Woloszyn (the “Lott Group”) and James “Jason”  
18 DeBolt (collectively “Assisting Class Members”), timely objected. The Lott Group took  
19 issue with the lack of valuation analysis in the approval papers, the adequacy of the  
20 benefits offered by the Settlement, the documentation requirements, and their concern  
21 that the Program would not benefit Ford consumers as much as individual litigation  
22 would, among other objections. DeBolt objected to, among other things, the relief  
23 provided to former owners, the documentation requirements, the scope of the release, the  
24 overall sufficiency of the benefits, and the attorneys’ fee request. (ECF No. 167.) In  
25 response, Plaintiffs submitted a 40-page supplemental brief, attaching painstakingly  
26 assembled summaries of the lemon law requirements of the 50 states and the features of  
27 comparable automotive settlements. (ECF No. 170.)

28 24. At the initial Final Fairness Hearing on October 2, 2017, the Court

1 questioned Class Counsel, counsel for Ford, and Mr. Michael Kirkpatrick, counsel for  
2 the Lott Group for several hours. Following the hearing, this Court issued a Final Order  
3 and Judgment, overruling the objections and determining that the Settlement, with its  
4 uncapped structure and repurchase benefit under consumer-friendly rules, was fair,  
5 reasonable, and adequate. (ECF No. 192-193, 204.) The Court awarded attorneys' fees,  
6 costs, and incentive awards under the lodestar method, finding that Plaintiffs'  
7 submissions demonstrated reasonable hours and reasonable rates, and applied a modest  
8 1.22 multiplier. (ECF No. 196.) The Court also found the fees reasonable by cross-  
9 checking them as a percentage of a settlement that "exceeds \$34.12 million" based on  
10 Plaintiffs' submissions. (*Id.*)

#### 11 **APPEAL, POST-APPEAL MEDIATION, AND SETTLEMENT APPROVAL**

12 25. Both the Lott Group and DeBolt appealed. Following briefing and oral  
13 argument, a Ninth Circuit panel issued a memorandum decision on September 13, 2019.  
14 In a 2-1 split, the panel vacated the final approval order and remanded the matter for a  
15 "more searching inquiry" pursuant to *Allen v. Bedolla*, 787 F.3d 1218, 1224 (9th Cir.  
16 2015). *See Vargas v. Lott*, 787 Fed.Appx. 372, 374 (9th Cir. 2019). The majority  
17 complained that this Court's purportedly cursory order did not allow for substantive  
18 review. In a sharp dissent, Judge Rawlinson observed that the majority ignored binding  
19 precedent supporting this Court's order granting approval and that the Settlement  
20 delivers valuable relief to the Class. *Id.* at 375-76.

21 26. On December 9, 2019, Class Counsel, counsel for Ford, and counsel for  
22 both the Lott Group and DeBolt participated in a mediation conducted by Prof. Green.  
23 Through arm's-length negotiations, the parties reached a global settlement to provide  
24 additional benefits to the Class. The additional Class benefits include: (1) Ford's  
25 guarantee of a minimum payment of \$30 million for the cash payment component; (2) a  
26 new \$20 payment to Class Members who attest to having been turned away from  
27 obtaining a Transmission repair; (3) favorable modifications for former owners/lessees,  
28 including allowing them to have the same SOL extension covering current

owners/lessees and to obtain a Repurchase under the “fallback” standard; (4) making additional changes to the Arbitration Program for the benefit of Class Members, including removing the “opportunity to repair” prerequisite for certain Claimants and the bar on civil penalties; and (5) an informational notice to all Class Members alerting them to new benefits. These terms resolve the Lott Group’s primary concern regarding valuation, the treatment of former owners, and their specific issues with the Arbitration Program. These terms also resolve DeBolt’s specific objections to the Arbitration Program’s rules regarding former owners and the documentation requirements for cash payments. Ford also agrees to pay attorneys’ fees (up to their documented lodestar enhanced by a 1.2 multiplier) and service awards of \$5000 to the Lott Group and DeBolt, if the Court approves their request. The parties have reached final agreement on the proposed language, which is memorialized in the Amendment.

#### **CONTINUING SERVICES TO CLASS MEMBERS**

27. Services to Class Members. Due to the high interest in this litigation, even before Preliminary Approval, Class Counsel received dozens of inquiries a day, with a substantial number of putative Class Members continuing to submit repair orders or provide other, detailed information about their experiences with the Class Vehicles and the Alleged Defect. Since Preliminary Approval, Class Counsel has continued to devote considerable time and resources to Class Members’ inquiries, which now surpass 18,000, confirming and explaining the Settlement benefits. Indeed, the flood of Class Member inquiries following Preliminary Approval required multiple attorneys to work exclusively on this case.

28. As part of their comprehensive efforts to accommodate Class Members following the dissemination of Class Notice, Lead Class Counsel responded to hundreds of phone calls a day from Class Members, e-mailed another several dozen a day, created an interactive voice response system, developed a content-rich website to educate Class Members about the Settlement’s benefits, and worked to resolve numerous administrative issues that arose during this phase. Moreover, Class Counsel, jointly with

1 Ford's counsel, contributed to the development of the Claims Administrator's Settlement  
2 website and interactive voice response system, as well as to the Arbitration  
3 Administrator's website.

4 29. In addition, Lead Class Counsel will continue to serve Class Members  
5 during the claims' period, which will run for years to process both cash payments and  
6 arbitration. Lead Class Counsel expects that it will expend hundreds of hours after the  
7 filing of this Motion delivering services to Class Members regarding the Settlement.

8 30. Since the entry of the Order Granting Preliminary Approval, nothing has  
9 changed that would affect the Court's ruling on class certification. The Court should  
10 therefore reaffirm its order granting certification of the Settlement Class.

11 **VALUE AND BENEFITS OF THE AMENDED SETTLEMENT**

12 31. \$47.4 Million in Confirmed Payouts. A little over two years after the start  
13 of the Repurchase process, Class Members who initiated the process (by serving a notice  
14 of intent to arbitrate) have already received **\$47.4 million** in payments. (*See* Declaration  
15 of G. Keith Barron ¶ 3.) This is before the start of the formal Arbitration Program, which  
16 would be implemented after all direct appeals are exhausted.<sup>1</sup> Plaintiffs expect, based on  
17 consultations with thousands of Class Members, that many more will pursue Repurchase  
18 once the formal program begins. While the Ninth Circuit panel did not have the benefit  
19 of this payout information, this updated information confirms that the Class has already  
20 received valuable benefits.

21 32. \$30 Million Guaranteed Minimum. The Amended Settlement provides a  
22 minimum guarantee of \$30 million for the cash payment benefits alone. That is, the \$30  
23 million guarantee is separate from (and do not account for) the \$47.4 million already  
24 paid out for Repurchase claim. Thus, the Settlement guarantees that the Class will receive  
25 a minimum of **\$77.4 million**.

26 <sup>1</sup> The Settling Parties have implemented a voluntary arbitration program, proceeding under the  
27 same rules as the Arbitration Program, to meet Class Member demand. However, individual claimants  
28 proceeding under the voluntary program must execute a separate release because the Settlement is not  
yet finally approved with all direct appeals exhausted.

1           33.   Cash Payments for Service Visits for a Transmission Hardware  
2 Replacement. The Settlement provides that Class Members who have had three or more  
3 Service Visits to authorized Ford dealers to replace qualifying parts (“Transmission  
4 Hardware Replacement”)<sup>2</sup> will be entitled to either a cash payment or a Discount  
5 Certificate, valued at twice the amount of the cash payment, toward the purchase or lease  
6 of a new Ford vehicle. The value of each cash payment or Certificate is determined by  
7 the number of Service Visits made, with \$2,325 cash or \$4,650 Certificate value being  
8 the maximum amount payable. The Settlement does not impose a definitive cut-off date  
9 for Class Members to submit claims for which they qualify. Each Class Member  
10 remains eligible for new or additional benefits if a qualifying Transmission Hardware  
11 Replacement is made within the 7 year/100,000 mile period, and the Class Member  
12 timely files the claim.

13           34.   Cash Payments for Software Flashes. The Settlement provides that Class  
14 Members are also entitled to receive \$50 for each Software Flash, starting with the third,  
15 that was performed within the same 7 year/100,000 mile period. (Settlement Agreement  
16 ¶ II.B.) Class Members may receive up to \$600 in payments for Software Flashes. As  
17 with the Transmission Hardware Replacements, Class Members may continue to submit  
18 new or additional claims for each qualifying Service Visit made within 7 years or  
19 100,000 miles of the date of delivery to the first retail customer, whichever comes first.  
20 Once Class Members have qualified for and submitted a claim for a Transmission  
21 Hardware Replacement payment, however, they are no longer eligible for a Software  
22 Flash payment

23           35.   Arbitration Program for Repurchase. Class Members may obtain a  
24 Repurchase of their Class Vehicles if they qualify under their state lemon law or under a  
25

26 <sup>2</sup> Qualifying Transmission parts are defined as the following: (1) 7B546 Disc Asy-Clutch; (2)  
27 7Z369 Control Mod Trans (TCM); (3) 7052 Oil Seal-Trans Rear; (4) 7000 Transmission Asy-Aut; (5)  
28 7C604 Motor-Frt Clutch; (6) 7A508 Rod-Cl/Slave Cyl Pus; (7) 6K301 Seal/RetC/Shft Oil; (8) 7060  
Shaft/Bshg Asy-Out; (9) 7048 Seal-Input Shaft Oil; and/or (10) 7515 Lever Asy-Clutch Rel. These ten  
parts are the most common parts replaced on the Transmission.

1 Settlement-created fall back standard. (Sett. Agmt. ¶ II.N.) For Claimants who prevail  
2 Ford refunds the actual amount that the Class Member paid for the vehicle (excluding  
3 any modifications or additions after the vehicle's purchase or lease), including finance  
4 charges, less a reasonable allowance for use. If the vehicle was leased, Ford refunds the  
5 payments made to the lending institution or lessor plus net trade-in and cash down  
6 payment, less a reasonable allowance for use.

7 36. The Repurchase remedy is awarded through an Arbitration Program that  
8 enhances Class Members' rights in several ways. First, the Program resolves Class  
9 Members' lemon law claims within two or three months of submission, rather than the  
10 year or more for a lemon law suit filed in court. Second, the Program extends the  
11 applicable statute of limitations, preserving claims for six years from the date of original  
12 sale or six months of the Effective Date of the Settlement, whichever is later for both  
13 current and former owner/lessees. (*Id.*, ¶ II.N.1.d.; Amendment ¶ 12.)

14 37. Claims for Repurchase will be governed either by the state lemon law  
15 applicable to each Class Member or, if the claims do not qualify under state lemon law,  
16 by the Settlement's consumer-friendly fallback standard. (Sett. Agmt. ¶ II.N.1.e.) Under  
17 the Settlement's fallback standard, the Arbitrator may award a repurchase if 4 or more  
18 Transmission Hardware Replacements were performed within 5 years/60,000 miles, and  
19 the vehicle continues to malfunction. This is more generous to consumers than most  
20 state's lemon laws. And Ford will pay a maximum of \$6,000 in attorneys' fees to each  
21 Class Member who prevails on his or her claim.<sup>3</sup> (*Id.*, ¶ II.N.1.h.)

22 38. The Amended Settlement removes several prior limitations on

23 <sup>3</sup> Significantly, Class Members will have the opportunity to appeal an adverse Program decision  
24 to a JAMS arbitrator, though any costs for an appeal must be advanced by the Class Member, to be  
25 reimbursed by Ford if the Class Member prevails. (*Id.*, ¶ II.N.1.g.) Ford has no right to appeal, except for  
26 an award of civil penalties, which can be awarded under certain circumstances in jurisdictions that allow  
27 for it. (Amendment ¶ 14.) The Arbitrator may not award punitive damages. (*Id.*, II.N.1.g.) Furthermore,  
28 even if a Class Member's first repurchase claim is denied, he or she may pursue a second repurchase  
claim under the Program if his or her Class Vehicle has subsequent qualifying repairs. (*Id.*, ¶ II.N.1.i.)  
Finally, Class Members will not be denied the opportunity to re-submit a repurchase claim to the  
Program, even if an initial claim for a buyback made with the Better Business Bureau or other similar  
organization prior to the Settlement was denied. (*Id.*)

Repurchases. First, it eliminated the original Settlement’s requirement allowing Ford to perform one final repair attempt after receiving a notice of intent to arbitrate from a Claimant with three or fewer repair attempts. (Amendment ¶ 10.) Second, it permits Class Members to recover civil penalties if their state’s law authorizes civil penalties, not to exceed the amount of the Repurchase award, if (a) their state’s law authorizes civil penalties (b) Ford knew of its obligation under state law or the Settlement Agreement, as amended, to repurchase the vehicle and (c) prior to the arbitrator’s award, declined to do so after being provided with the Claimant’s notice of intent to proceed to arbitration under the Settlement Agreement. (*Id.* ¶ 15.) Third, the identical statute of limitations period extension for current owners/lessees will be extended to former owners/lessees. (*Id.* ¶ 12.) Fourth, a former owner/lessee may obtain a Repurchase award if they meet the Settlement’s fallback standard, even if her state’s lemon law does not allow repurchase for former owners/lessees. (*Id.* ¶ 11.)

39. Significantly, Class Members will have the opportunity to appeal an adverse Program decision to a JAMS arbitrator, though any costs for an appeal must be advanced by the Class Member, to be reimbursed by Ford if the Class Member prevails. (*Id.*, ¶ II.N.1.g.) Ford has no right to appeal, except for an award of civil penalties, which can be awarded under certain circumstances in jurisdictions that allow for it. (Amendment ¶ 15.) The Arbitrator may not award punitive damages. (*Id.*, II.N.1.g.) Furthermore, even if a Class Member’s first repurchase claim is denied, he or she may pursue a second repurchase claim under the Program if his or her Class Vehicle has subsequent qualifying repairs. (*Id.*, ¶ II.N.1.i.) Finally, Class Members will not be denied the opportunity to re-submit a repurchase claim to the Program, even if an initial claim for a buyback made with the Better Business Bureau or other similar organization prior to the Settlement was denied. (*Id.*)

40. Arbitration Program for Breach of New Vehicle Limited Warranty. Class Members who have incurred out-of-pocket expenses for repairs they believe should have been covered by Ford’s New Vehicle Limited Warranty (“Warranty”) or who believe

1 that a Ford dealer improperly denied Warranty repairs are eligible to pursue their claims  
2 in a qualified version of the Program (“Warranty Arbitration”). Ford will pay the costs  
3 of each Warranty Arbitration. The Arbitrator is authorized to award reimbursement, a  
4 complimentary repair, or an extension of warranty by Ford. However, the Arbitrator may  
5 not award a Class Member’s attorneys’ fees, and claims must be submitted within the  
6 statute of limitations for express warranty claims as determined by law of the state in  
7 which the Class Vehicle was purchased or leased.

8 41. Reimbursement for Clutch Replacement. The Settlement provides that  
9 Class Members who own or lease a Class Vehicle manufactured after June 5, 2013, and  
10 had two clutches replaced during the 5-year/60,000-mile Powertrain Warranty are  
11 entitled to reimbursement for out-of-pocket costs for a third clutch replacement within 7  
12 years/100,000 miles from delivery to the first retail customer. The replacement clutch  
13 will also be covered by a two-year warranty. Ford’s Customer Satisfaction Program  
14 19N08, issued in August 2019, improves on this provision. Under Program 19N08 and  
15 the previously issued Program 14M01, the clutches on most if not all Class Vehicles are  
16 covered by an extended warranty of 7 years/100,000 miles.

17 42. The claims process has been designed to minimize the burden on Class  
18 Members while ensuring that only valid claims are paid. The Settlement requires Class  
19 Members to submit documentation typically required to substantiate such claims.  
20 (Settlement Agreement ¶ II.E.) Except for the sworn declaration payment, Class  
21 Members need only provide, either electronically through the Claims Administrator’s  
22 website portal or by mail, a receipt, repair order, or other invoice containing standard  
23 information, (*e.g.*, repair date, a description of the vehicle, the dealership or facility  
24 where the work was performed, the vehicle’ mileage at the time of repair, an itemized  
25 list of parts and labor), along with proof of ownership and a sworn written statement  
26 attesting to the authenticity of the documents provided.<sup>4</sup> (*Id.*) Subsequent claims for cash  
27

28 <sup>4</sup> For reimbursement of a clutch replacement, Class Members will need to show proof of

1 payments will have a reduced standard for proof, as the Claims Administrator will retain  
2 previous submissions. (*Id.*, ¶ II.E.4.) For those who were denied repairs and therefore  
3 cannot document Service Visits, the Amended Settlement provides a cash payment of  
4 \$20, if the Class Member attests to those facts. (Amendment ¶ 8.)

5 43. Claims can be submitted through the Settlement website. A portal will  
6 walk Class Members through a series of prompts and fields in which to provide the  
7 information required. The site provides clear instructions, and the portal permits Class  
8 Members to upload scanned documents supporting their claims.

9 44. The Program is also streamlined. A Class Member initiates the process by  
10 calling a dedicated phone number or by submitting a form through the Settlement  
11 website or by mail, indicating directly to Ford his or her intent to submit a claim for  
12 repurchase or breach of warranty. (Settlement Agreement ¶ II.N.1.) Ford will then have  
13 ten days to resolve the matter informally with the Class Member. (*Id.*) After that, the  
14 Class Member may proceed directly to arbitration.

#### 15 SETTLEMENT ADMINISTRATION

16 45. At the request of the attorneys general of California, Arizona, Michigan,  
17 New Jersey, North Carolina, Texas, and Washington, the Parties stipulated to amend the  
18 Preliminary Approval Order to ensure that Class Members can cooperate with any state  
19 investigation, and that stipulation was filed on July 7, 2017. (ECF No. 138.) The Court  
20 granted the request and entered the amended order on July 11, 2017. (ECF No. 139.)

21 46. Lead Class Counsel also maintains a Settlement website with detailed  
22 explanations, in layman's terms, about the Settlement benefits and Class Members'  
23 rights.

24 47. The Settling Parties have consistently updated the website with new  
25 information. And updated information on the Amended Settlement will be posted  
26

27 payment, common for such claims, and a diagnostic from a Ford dealer showing that a clutch  
28 replacement was necessary, which is provided as a matter of course. (*Id.* ¶ II.G.1-2.)

1 following the Effective Date.

2 **FURTHER SUPPORT FOR THE SETTLEMENT BENEFITS**

3 48. Attorneys at my firm researched the application of cross-jurisdictional  
4 tolling under *American Pipe & Const. Co. v. Utah*, 414 U.S. 538, 554 (1974) across all  
5 fifty states, as well as the census data for each state. Based on this research, fifteen states  
6 have rejected cross-jurisdictional tolling: Arizona, California, Illinois, Kansas, Kentucky,  
7 Louisiana, Minnesota, New Mexico, Oklahoma, Oregon, Pennsylvania, South Dakota,  
8 Tennessee, Texas, & Virginia, with a combined population of 161,922,528. Ten states  
9 have not expressly ruled on the issue: Maine, Maryland, Mississippi, New York  
10 Nebraska, Nevada, New Hampshire, North Dakota, Rhode Island, Vermont, Wisconsin,  
11 Wyoming) with a combined population of 26,346,391.

12 49. Attorneys at my firm also reviewed the supplemental CAFA notice that  
13 recorded the number of Class Notices sent to Class Members in each state. Based on this  
14 data, 44% of Class Notice recipients live in states that have rejected cross-jurisdictional  
15 tolling, 12.4% of recipients live in states that have not expressly adopted the rule, and  
16 43.6% of recipients live in states that do permit cross-jurisdictional tolling. A majority of  
17 Class Members do not live in states that authorize cross-jurisdictional tolling.

18 50. As stated in earlier filings, the relief for attorneys' fees was negotiated  
19 separately. The Parties negotiated and agreed on terms for the substantial Class relief on  
20 June 2, 2016, with the supervision of well-respected mediator, Professor Eric Green.  
21 Only after the class relief was negotiated did the Parties negotiate attorneys' fees, costs,  
22 and service awards, with that mediation taking place on June 9, 2016. The Parties  
23 reached an agreement regarding fees after further mediator-guided negotiations  
24 following mediation.

25 51. During the pendency of this lawsuit, attorneys at my firm researched the  
26 lemon laws of all fifty states. Based on their research and for the Court's convenience  
27 and understanding, my firm has compiled exhibits documenting the lemon laws of all 50  
28 states (and the District of Columbia and certain U.S. territories), as they relate to: the

1 Statute of Limitations (attached hereto as Exhibit 1); Pre-filing Dispute Resolution  
2 Requirements (attached hereto as Exhibit 2); Repair/Timeframe To Establish  
3 Presumption for Repurchase (attached hereto as Exhibit 3); Notice to Manufacturer  
4 (attached hereto as Exhibit 4); and Manufacturer's Opportunity to Cure (attached hereto  
5 as Exhibit 5).

6 52. During the pendency of this lawsuit, attorneys at my firm reviewed  
7 settlement agreements involving alleged automotive defects that have been approved in  
8 California district courts and other district courts. For the Court's convenience and  
9 understanding, my firm has created a chart summarizing the major terms of the relevant  
10 settlements approved within the past five years. (Attached hereto as Exhibit 6 is a true  
11 and correct copy of this chart.)

#### 12 **THE RISK OF FURTHER LITIGATION**

13 53. First, the difficulty of the litigation, including prevailing on class  
14 certification and on the merits, favors approval. While Plaintiffs believe that their  
15 allegations have merit, Ford has raised a number of substantive defenses that present  
16 serious risks to Plaintiffs' case. These defenses include, among others, that no  
17 Transmission defect exists, or that, even if the Alleged Defect existed, Plaintiffs would  
18 not be able to show that it constitutes a safety concern. As a threshold matter, the  
19 existence of a defect may not lead to legal liability under federal or state statutes.  
20 Accordingly, Plaintiffs must meet a high burden to establish violations of state and  
21 federal consumer protection and warranty statutes.

22 54. Indeed, Plaintiffs may well be unable to maintain class status through trial.  
23 Ford contends that, as a result of changes in the manufacturing process, design, and  
24 software, there are multiple versions of the Transmission, precluding the likelihood that  
25 one common defect exists. Had litigation continued, Ford would have argued that the  
26 variations in the Transmission and in the Alleged Defect also preclude class certification  
27 of the consumer fraud claims for omission. In addition, Ford would have argued that,  
28 among other individual variations, questions regarding each customer's proper

1 maintenance of the vehicle, driving conditions, and repair attempts, such as whether the  
2 vehicle was timely taken to the dealer for repairs, among others, would preclude  
3 certification of the warranty claims. While Plaintiffs would vigorously dispute these  
4 claims, consumers bringing automotive defect actions face an uphill battle and are  
5 frequently denied class certification due to lack of common proof.<sup>5</sup> The Ninth Circuit's  
6 decision in *Mazza v. Am. Honda Motor Co.*, 666 F.3d 581, 594 (9th Cir. 2012), which  
7 makes it difficult to certify a nationwide class based on alleged violations of state law,  
8 would also likely have stymied Plaintiffs' efforts. Even if Plaintiffs were to prevail  
9 certification, *Mazza* would have required subclasses for some states; consumers in many  
10 other states may be left out altogether. *See, e.g., In re MyFord Touch*, 2019 WL  
11 1411510, at \*6 (settlement involving seven litigation state-specific subclasses).

12 55. While Plaintiffs would vigorously dispute these claims, consumers  
13 bringing automotive defect actions face an uphill battle and are frequently denied class  
14 certification due to lack of common proof.

15 56. Aside from certification risk, Plaintiffs could face the termination of their  
16 action at summary judgment or at trial. For instance, in another action against Ford  
17 involving a different vehicle, summary judgment was recently entered in favor of  
18 defendant after years of litigation, underscoring the difficulties faced by Plaintiffs here.

19 57. Second, the anticipated additional expenses that must be incurred also  
20 support final approval. Here, Plaintiffs shoulder exceedingly high financial risks in  
21 pursuing this action. This class action against a major automotive manufacturer, where  
22 Plaintiffs allege that nearly 1.5 million vehicles suffer a serious defect, has the strong  
23

24 <sup>5</sup> *See, e.g., See Philips v. Ford Motor Co.*, No. 14-02989, 2016 WL 7428810, \*17 (N.D. Cal.  
25 Dec. 22, 2016), *aff'd* 726 Fed.Appx. 608 (9th Cir. 2018) (finding that the plaintiffs failed to present a  
26 compelling damages model supporting a classwide determination regarding Ford's alleged omission of a  
27 "systemic defect" in the vehicle's electronic steering system); *Grodzitsky v. Am. Honda Motor Co.*, No.  
28 2-01142-SVW, 2014 U.S. Dist. LEXIS 24599 (C.D. Cal. Feb. 19, 2014) (denying certification due to  
lack of evidence that common materials were used for all defective "window regulators" in the class);  
*Cholakyan v. Mercedes-Benz USA, LLC*, 281 F.R.D. 534, 553 (C.D. Cal. 2012) ("There is also no  
evidence that a single design flaw that is common across all of the drains in question is responsible for  
the alleged water leak defect...").

1 potential to engulf the Parties in continued protracted, resource-draining court battles.  
2 Plaintiffs would rely on the testimony of a technical expert to dispute the import of what  
3 they consider to be minor part variations, along with that of a consumer expectations  
4 expert and a damages expert. These hefty costs would have to be advanced by Plaintiffs  
5 and Class Counsel and would add significantly to the risks of proceeding in litigation,  
6 which already exceeds \$300,000 without them.

7 58. Third, prompt settlements are highly preferable to protracted litigation.  
8 Thus, even if Plaintiffs were to certify the Class on contested motion and prevail on  
9 dispositive motions and at trial, the years of litigating this action would almost certainly  
10 diminish the relief to Class Members, as their Vehicles' value will depreciate over time.  
11 Any restitution remedies they could obtain would also be subject to offsets for car  
12 owners' use of the vehicles.

13 59. Because any repurchase or rescission remedy requires that a consumer  
14 return the product in a condition comparable to what he or she received, and because the  
15 vehicle's value depreciates significantly with use and time, Plaintiffs believe that a  
16 prompt resolution of this action provides the greatest benefit to Class Members.

17 60. This case presents substantial risk. First, this case against a major  
18 automotive manufacturer alleging a defect in over a million Class Vehicles has the  
19 potential to take up significant amounts of attorneys' time and Court resources. Had  
20 litigation continued, Ford would have argued that no defect exists, or that, even if it did  
21 exist, Plaintiffs would not be able to show that the defect constitutes a safety concern.  
22 Ford would also be expected to argue that individual issues as to liability and damages  
23 would prevail over common issues.

24 61. The technological issues in this case are complex, and Ford contends that  
25 changes in the manufacturing process, design, and software created multiple versions of  
26 the Transmission, precluding the likelihood that one common defect exists. Had  
27 litigation continued, Ford would likely have argued that the variations in the  
28 Transmission and in the Alleged Defect also preclude class certification of the consumer

1 fraud claims for omission. In addition, Ford would have argued that, among other  
2 individual variations, questions regarding each customer's proper maintenance of the  
3 vehicle, driving conditions, and the reasonableness of repair attempts, such as whether  
4 the vehicle was taken timely to the dealer for repairs, among others, would preclude  
5 certification of the warranty claims. These are the types of defenses that, if accepted,  
6 would support a denial of certification.

7 62. Furthermore, in investigating and prosecuting this action, Class Counsel  
8 was required to understand the highly-advanced technology at issue, defeat a motion to  
9 dismiss, and fashion a sophisticated settlement to address a range of harms.

10 63. Finally, because any repurchase or rescission remedy requires that a  
11 consumer return the product in a condition comparable to what he or she received, and  
12 because the vehicle's value depreciates significantly with use and time, a prompt  
13 resolution of this action provides the greatest benefit to Class Members.

14 **PLAINTIFFS AND CLASS COUNSEL'S ADEQUACY, ATTORNEYS' FEES, DISTRIBUTION**  
15 **AND OTHER AGREEMENTS**

16 64. There is no suggestion of a conflict between the Class Representatives and  
17 Class Counsel on the one hand, and Class Members on the other.

18 65. Plaintiffs and Class Counsel have vigorously pursued the claims on behalf  
19 of the Class, adducing important facts regarding Ford's pre-sale knowledge of the  
20 Alleged Defect, litigating the matter, and negotiating a valuable Settlement to deliver  
21 immediate relief to the Class. Thereafter, Class Counsel forcefully defended a Settlement  
22 that has already delivered over \$47.4 million to the Class and, together with Assisting  
23 Class Members, bargained for even greater benefits as part of a global settlement. Given  
24 the heightened interest in the Settlement, Class Counsel has devoted substantial  
25 resources to answering inquiries and instructing Class Members regarding claims  
26 submissions, documentation, problems with Ford Dealers and myriad other issues.

27 66. Lead Class Counsel Capstone has fee-sharing agreements with Class  
28 Counsel Berger & Montague and Class Counsel Zimmerman Law Offices P.C. These

1 arrangements have been consented to by the firm's respective clients. This was  
2 previously disclosed by Class Counsel. (ECF No. 170-1, ¶ 6.)

3 **CAPSTONE LAW APC'S QUALIFICATIONS AND EXPERIENCE**

4 67. Short biographies summarizing my experience and that of other attorneys  
5 at Capstone is set forth in a firm resume attached as Exhibit 1 to my declaration  
6 supporting Plaintiffs' Renewed Motion for Attorneys' Fees, Costs, and Service Awards.

7 68. I am a partner at Capstone and lead the firm's complex motion and appeals  
8 practice group. I was one of three of Capstone attorneys named as *California Lawyer's*  
9 Attorneys of the Year ("CLAY") in the employment practice area for 2014 for our work  
10 in the landmark case *Iskanian v. CLS Transportation Los Angeles*, 59 Cal. 4th 348  
11 (2014). I was also lead counsel on several other landmark decisions. In *McGill v.*  
12 *Citibank N.A.*, 2 Cal. 5th 945 (2017), named by Daily Journal as one of 2017's "Top 5  
13 Appellate Reversals" in California, I represented the plaintiffs and authored the merits  
14 briefs before the California Supreme Court, ultimately securing a major decision holding  
15 that the right to seek public injunctive relief under the state's consumer protection laws  
16 cannot be waived. In *Williams v. Superior Court (Marshalls of Calif.)*, 3 Cal.5th 531  
17 (2017), I authored the merits briefs in the California Supreme Court and achieved a  
18 watershed decision as to the broad scope of discovery in PAGA actions. Recently I was  
19 lead attorney on the appeal in the precedential *Nguyen v. Nissan N.A.*, 726 F.3d 811 (9th  
20 Cir. 2019), which reversed a denial of certification regarding allegations of an  
21 undisclosed automotive defect. *Nguyen* made law regarding the proper use of "benefit of  
22 the bargain" damages models in consumer class actions.

23 69. Capstone has an established practice in automotive defect class actions.  
24 Capstone, including Tarek Zohdy and Cody Padgett, is the lone Class Counsel in two  
25 pending actions involving alleged undisclosed automotive defects that achieved class  
26 certification on contested motion: *Victorino v. FCA US, LLC*, No. 16-1617-GPC, 2019  
27 WL 5268670 (S.D. Cal. Oct. 17, 2019) and *Salas v. Toyota Motor Sales, U.S.A., Inc.*,  
28 No. 15-8629-FMO, 2019 WL 1940619 (C.D. Cal. Mar. 27, 2019). Capstone is also lead

1 or co-lead Class Counsel in the following class actions involving alleged undisclosed  
2 automotive defects that resulted in a classwide settlement: *See Wylie v. Hyundai Motor*  
3 *America*, No. 16-02102-DOC (C.D. Cal.) (preliminary approval granted in settlement  
4 resolving allegations of transmission defect); *Weckwerth v. Nissan N.A.*, No. 18-00588  
5 (M.D. Tenn.) (preliminary approval granted in settlement resolving allegations of CVT  
6 transmission defect; awaiting final approval); *Granillo v. FCA US LLC*, No. 16-00153-  
7 FLW (D. N.J. Feb. 12, 2019) (finally approving settlement [describe]; *Morishige v.*  
8 *Mazda Motor of Am., Inc.*, No. BC595280 (Los Angeles Sup. Ct. Aug. 20, 2019); *Falco*  
9 *v. Nissan N. Am. Inc.*, No. 13-00686-DDP (C.D. Cal. July 16, 2018), Dkt. No. 341  
10 (finally approving settlement after certifying class alleging timing chain defect on  
11 contested motion); *Batista v. Nissan N.Am., Inc.*, No. 14-24728-RNS (S.D. Fla. June 29,

***Vargas v. Ford Motor Co***

**Case No. 2:12-cv-08388-AB-FFM**

**STIPULATION AND AGREEMENT OF SETTLEMENT**

This Stipulation and Agreement of Settlement (“Settlement Agreement” or “Settlement”) is entered into this \_\_\_th day of March, 2017 by and among the named Plaintiffs: Omar Vargas, Robert Bertone, Michelle Harris, Sharon Heberling, Kevin Klipfel, Andrea Klipfel, Maureen Cusick, Eric Dufour, Abigail Fisher, Christi Groshong, Virginia Otte, Tonya Patze, Lindsay Schmidt, Patricia Schwenker, and Patricia Soltesiz, Joshua Bruno, Jason Porterfield, and Jamie Porterfield (collectively, the “Named Plaintiffs” or “Class Representatives” or “Plaintiffs”) and Defendant, Ford Motor Company (“Ford”), by and through their respective counsel.

**RECITALS**

WHEREAS, on or about September 28, 2012, an action entitled *Omar Vargas v. Ford Motor Company* was filed in the United States District Court for the Central District of California (“*Vargas*”). The case was initially assigned to the Honorable Audrey B. Collins, given the case number 2:12-cv-08388, and subsequently transferred to the calendar of the Honorable André Birotte Jr.;

WHEREAS, the *Vargas* complaint alleged causes of action against Ford for violating California’s and Florida’s consumer protection laws, breach of express warranty, and breach of implied warranty under the Song-Beverly Consumer Warranty Act. The complaint alleged that the PowerShift Transmission (“Transmission” or “DPS6”) installed in the 2011-2013 Ford Fiesta and the 2012-2013 Ford Focus is dangerously defective. Plaintiffs allege that the Transmission slips, bucks, kicks, and jerks, resulting in sudden or delayed acceleration of the vehicle. In the

Complaint, Plaintiffs sought certification of a nationwide class of current and former owners and lessees of vehicles equipped with such transmissions;

WHEREAS, another suit, entitled *Klipfel v. Ford Motor Co.*, No. 2:15-cv-02140-AB (FFMx) (“*Klipfel*”), was filed in the San Luis Obispo Superior Court and removed by Ford to the Central District of California and alleged similar claims to *Vargas* but expanded the scope of the class to include additional model year vehicles with the PowerShift Transmission (“Class Vehicles”). The operative First Amended Complaint in *Klipfel*, which was filed on May 20, 2015;

WHEREAS, additional actions alleging similar claims and a common nucleus of facts also have been filed in the Central District of California and in other districts around the country, including *Cusick, et al v. Ford Motor Company*, No. 2:15-cv-08831-AB-FFM (C.D. Cal.) (“*Cusick*”) and *Anderson v. Ford Motor Company*, No. 1:16-cv-01632 (N.D. Ill.) (collectively, the “Actions”);

WHEREAS, pursuant to the parties’ stipulation, on December 12, 2015, the Court consolidated the *Vargas* and *Klipfel* actions, with *Vargas* designated as the surviving action;

WHEREAS, pursuant to the parties’ stipulation, on February 22, 2017, the Court consolidated *Cusick* with *Vargas* for settlement purposes, with *Vargas* designated as the surviving action. The First Amended Complaint in *Cusick*, filed on February 22, 2016, was deemed the “Operative Complaint” for settlement purposes.

WHEREAS, the Settling Parties participated in significant discovery, including review of voluminous documents and related databases produced by Ford; numerous written discovery requests; discovery from various third parties in response to Plaintiffs’ subpoenas; the depositions of two (2) Ford personnel; the deposition of third party Getrag Transmission Corp. and the depositions of approximately four (4) of the Named Plaintiffs;

WHEREAS, Class Counsel conducted a thorough investigation and evaluation of the facts and law relating to the claims asserted to determine how best to serve the interests of the Named Plaintiffs and the Class;

WHEREAS, counsel for the Settling Parties conducted extensive arm's-length negotiations, including four (4) sessions in which Eric D. Green, Esquire participated as a mediator regarding the substance and procedure of a possible class settlement prior to entering into this Settlement Agreement;

WHEREAS, the Plaintiffs, as well as Class Counsel, believe the Released Claims have merit. The Plaintiffs and Class Counsel, however, recognize and acknowledge the expense and length of continued proceedings that would be necessary to prosecute the Released Claims against Ford through trial and appeals, and the importance of providing timely relief to Class Members whose vehicles are aging. The Plaintiffs and Class Counsel also have taken into account the uncertain outcome and risk of any litigation, especially in complex actions such as this Litigation, as well as the difficulties and delays inherent in such litigation. The Plaintiffs and Class Counsel are mindful of the inherent problems of proof under, and possible defenses to, the Released Claims. The Plaintiffs and Class Counsel believe that the proposed Settlement confers substantial benefits upon the Class. Based on their evaluation of all of these factors, the Plaintiffs and Class Counsel have determined that the Settlement is in the best interests of the Class and represents a fair, reasonable, and adequate resolution of the Litigation; and

WHEREAS, Ford denies any liability to the Plaintiffs and the Class. Ford has taken thorough discovery concerning the claims asserted by the Plaintiffs and believes it has meritorious defenses to all of the claims raised in this Litigation. Nevertheless, Ford recognizes and acknowledges the expense and length of continued proceedings that would be necessary to defend the Litigation through trial and appeals. In agreeing to enter into this Settlement, Ford also has taken into account the uncertain outcome and risk of any litigation, especially in complex actions such as this Litigation, as well as the difficulties and delays inherent in such litigation;

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED, by and among the Settling Parties that, subject to approval of the Court, the Litigation and the Released Claims shall be fully and finally compromised, settled, and released, and that the Litigation will be dismissed with prejudice subject to and upon the terms and conditions described below.

Payments made under this section shall not exceed a total cumulative payment of \$600 per Class Member. Class Members who have previously received, or are at the time of the claim eligible for, a cash payment or Vehicle Discount Certificate pursuant to Section II.C are not eligible for a cash payment under this section with respect to the same Class Vehicle.

**C. Cash Payments or Vehicle Discount Certificates For Three or More Transmission Hardware Replacements.**

1. Cash Payment and Discount Certificate Value.

A Class Member who owns or leases a Class Vehicle that had three or more Transmission Hardware Replacements while that Class Member owned or leased the Class Vehicle is eligible to receive, at the Class Member's option, either (1) a cash payment from Ford, or (2) a Vehicle Discount Certificate, according to the following schedule based on the number of those Transmission Hardware Replacements performed on the Class Vehicle while the Vehicle was owned by that Class Member:

See Sections II.F.6 and 7 below for examples of the intended application of this Section.

However, any amount awarded by the Arbitrator for a Vehicle Repurchase shall be reduced by any cash payments made to the claimant pursuant to Sections II.B or II.C, or by the value of any used Vehicle Discount Certificates issued pursuant to Section II.C. Any amount awarded by the Arbitrator for a Vehicle Repurchase shall also be reduced by the value of any unused and unexpired Vehicle Discount Certificates, unless the Certificate is voided by the Arbitrator.

In addition to email copies of Claim Forms and hardcopy Claim Forms, which may be submitted by mail to the Claims Administrator, the Settlement Website shall be designed to permit the submission of claims electronically. The electronic claim submission process shall include the use of a unique claim number for each Class Member to whom notice is mailed. Once the unique claim number is entered by a Class Member via the electronic claim submission process, portions of the electronic Claim Form shall be automatically

completed with the Class Member's name and Vehicle Identification Number ("VIN") based upon information previously obtained by the Claims Administrator from Ford and/or R.L. Polk & Co. (nka IHS Automotive).

2. Claims for cash payments under Sections II.B and II.C cannot be submitted prior to the Approval Date. Claim forms will not be made available until the Approval Date.
3. Claims for cash payments under Sections II.B and II.C based on three or more Software Flashes or Transmission Hardware Replacements performed prior to or on the Approval Date, along with supporting documentation, must be submitted online or postmarked within 180 days of the Approval Date. Other claims for cash payments under Sections II.B and II.C must be submitted online or postmarked within 180 days of the Software Flash or Transmission Hardware Replacement for which a cash payment is sought. Neither the Claims Administrator nor Ford shall have any obligation to pay any claims pursuant to Section II.B or II.C. that are not timely submitted.

**E. Content of and Support for Claims Submitted Pursuant to Section II.B and II.C.**

1. Claims for benefits under Section II.B or II.C must include repair orders, receipts, other documentation from a Ford Dealership, or state vehicle inspection reports (or some combination thereof) sufficient to establish for each Transmission Hardware Replacement or Software Flash on which the claim is based all of the following information:
  - a. The Vehicle Identification Number ("VIN") of the vehicle on which the Transmission Hardware Replacement or Software Flash repairs were performed;

- b. The name and address of the Ford Dealer that performed the Transmission Hardware Replacement or Software Flash repairs;
  - c. Whether the Transmission Hardware Replacement or Software Flash repairs were performed on the Class Vehicle within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer, whichever occurs first; and
  - d. A description of the services rendered and parts provided.
2. Claims must also include documentation demonstrating the Class Member's Proof of Ownership at the time of each Transmission Hardware Replacement or Software Flash on which the claim is based.
3. Claims must also include a declaration signed under penalty of perjury by the Class Member that attests to and affirms the authenticity of the documentation provided to support the claim and states that the Class Member actually owned or leased the Class Vehicle at the time of each Transmission Hardware Replacement or Software Flash on which the claim is based.
4. Once a Class Member has submitted a claim pursuant to Section II.B or II.C. that was approved by the Claims Administrator, the Class Member may submit claims for subsequent Transmission Hardware Replacements or Software Flashes for the same Class Vehicle that are supported with the following documentation:
  - a. Repair orders, receipts, other documentation from a Ford Dealership, or state vehicle inspection reports (or some combination thereof) sufficient to establish for each subsequent Transmission Hardware Replacement or Software Flash all of the information set forth in Sections II.E.1.a.-d. above;

- b. Documentation establishing the Class Member's Proof of Ownership of the Class Vehicle at the time of the subsequent Transmission Hardware Replacement or Software Flash; and
- c. A declaration signed under penalty of perjury by the Class Member that attests to and affirms the authenticity of the documentation provided to support the claim and stating that the Class Member actually owned or leased the Class Vehicle at the time of each Transmission Hardware Replacement or Software Flash on which the claim is based.

**F. Examples.**

The following are examples of how the parties intend Sections II.B and II.C to be interpreted.

1. Class Member A experiences two Transmission Hardware Replacements and two Software Flashes while she owns a Class Vehicle and within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer and then sells the Class Vehicle to Class Member Z. Class Member Z experiences two Transmission Hardware Replacements and two Software Flashes while he owns the Class Vehicle and within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer. Neither Class Member A nor Class Member Z is entitled to any benefits under Sections II.B or II.C. Class Member Z later experiences a third Transmission Hardware Replacement and a Third Software Flash while he owns the Class Vehicle and within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer. Pursuant to Section II.C, Class Member Z is entitled to a cash payment of \$200, or a \$400 Vehicle Discount Certificate, provided he submits a claim and the required

documentation within 180 days of the third replacement. Class Member Z is not entitled to benefits under Section II.B, because he is eligible to seek a cash payment under Section II.C.

2. Class Member B experiences four Transmission Hardware Replacements while she owns a Class Vehicle and within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer. Class Member B submits a claim with the required documentation within 180 days of the Third Transmission Hardware Replacement. Class Member B is entitled to a cash payment of \$475 (\$200 for the third Transmission Hardware Replacement and \$275 for the fourth) or a Vehicle Discount Certificate in the amount of \$950 (\$400 for the third Transmission Hardware Replacement plus \$550 for the fourth). Class Member B elects the cash payment. Less than one year later, Class Member B experiences a fifth Transmission Hardware Replacement within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer. She submits a timely claim with the required documentation. She is entitled to an additional cash payment of \$350 or a Vehicle Discount Certificate in the amount of \$700.
3. Class Member C experiences four Transmission Hardware Replacements while she owns a Class Vehicle and within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer. Class Member C would, upon timely submission of a claim and supporting documentation, be entitled to a cash payment of \$475 or a Vehicle Discount Certificate in the amount of \$950. However, Class Member C fails to submit a timely claim and is not entitled to either a cash payment or a Vehicle Discount Certificate. One year

later, Class Member C still owns the Class Vehicle and experiences a fifth Transmission Hardware Replacement within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer. Class Member C submits a timely claim with supporting documentation. She is entitled to a cash payment of \$350 or a Vehicle Discount Certificate in the amount of \$700.

4. Class Member D experiences three Transmission Hardware Replacements while she owns a Class Vehicle and within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer. Class Member D timely submits a claim with supporting documentation and elects to receive a Vehicle Discount Certificate in the amount of \$400. Class Member D fails to redeem the Vehicle Discount Certificate within twelve months. At that time, the Certificate expires and cannot be reissued. However, Class Member D still owns the Class Vehicle and then experiences a fourth Transmission Hardware Replacement within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer. Class Member D submits a claim with supporting documentation within 180 days of the fourth Transmission Hardware Replacement. She is entitled to a cash payment of \$275. Alternatively, she may elect a Vehicle Discount Certificate in the amount of \$950 (\$550 for the fourth Transmission Hardware Repair plus the amount of the unused and expired certificate).
5. Class Member E makes a trip to a Ford Dealer seeking repairs of a PowerShift Transmission problem. The Ford Dealer replaces “Part 7B546 Disc Asy-Clutch” and “Part 7Z396 Control Mod Trans (TCM)”. The Dealer orders “Part 7000 Transmission Asy-Aut,”

which is out of stock. Class Member E returns to the Dealer two weeks later to have “Part 7000 Transmission Asy-Aut” installed. The two trips to the Dealer are counted as one Service Visit, and all three Transmission Hardware Replacements are counted as a single Transmission Hardware Replacement. Therefore, Class Member E is not entitled to a cash payment.

6. Class Member F brings her Class Vehicle to a Dealer at 10,000 miles and within a year of delivery, complaining of transmission problems. The Dealer performs a Software Flash and replaces the clutch (Part 7B546 Disc Asy-Clutch). Three months later, Class Member F brings her vehicle back to the Dealer complaining of continuing transmission problems. Once again, the Dealer performs a software flash and replaces the clutch (Part 7B546 Disc Asy-Clutch). One year later, at 24,000 miles, the Dealer performs another Software Flash in an attempt to resolve Class Member F’s continuing concerns. Class Member F is entitled to \$50 under Section II.B. She makes a properly documented claim within 180 days of the third Software Flash and is paid \$50. A year later, at 50,000 miles, while Class Member F still owns the Class Vehicle, the Ford Dealer once again replaces the clutch (Part 7B546 Disc Asy-Clutch). Class Member F is now entitled to \$200 under Section II.C , but that payment must be reduced by the \$50 previously paid pursuant to Section II.B, because that payment was based in part on Service Visits at which both a Software Flash and a Transmission Hardware Replacement were performed. Class Member F makes a timely and properly documented claim and is paid \$150. Class Member F is no longer eligible for any cash payments under Section II.B, but she can make future claims under Section II.C if

additional Transmission Hardware Replacements are performed while she owns the Class Vehicle and within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer.

7. Prior to the Approval Date, Class Member G experienced five Software Flashes during five Service Visits, within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer and while Class Member G still owns the vehicle. No Transmission Hardware Replacements were performed during three of these Service Visits. However, on the fourth and fifth Service Visits, the Ford Dealer both performed a Software Flash and replaced her clutch (“Part 7B546 Disc Asy-Clutch”). As of the Approval Date, Class Member G is entitled to nothing pursuant to Section II.C, but she is entitled to \$150 pursuant to Section II.B (\$50 for the Software Flash performed on the third Service Visit, \$50 for the Software Flash performed on the fourth Service Visit, and \$50 for the Software Flash performed on the fifth Service Visit). She must make a claim for this payment within 180 days of the Approval Date. A year after the Effective Date, within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer and while Class Member G still owns the vehicle, a Ford Dealer once again replaces the clutch (“Part 7B546 Disc Asy-Clutch”). If Class Member G makes a claim within 180 days of this Service Visit, she is entitled to a cash payment of \$100 under Section II.C (\$200 less \$100 attributable to the portion of the payment she previously received under Section II.B. that was based in part on Service Visits that involved both Software Flashes and Transmission Hardware Replacements). The net effect is that Class Member G collects \$50 for the three Software Flashes that were performed

independently of the Transmission Hardware Replacements, and \$200 for the three Transmission Hardware Replacements that were accompanied by Software Flashes. Class Member G is not eligible for any further payments under Section II.B, but she is eligible for additional payments under Section II.C if she has additional Transmission Hardware Replacements within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer and while Class Member G still owns the vehicle.

**G. Clutch Replacement And Extended Warranty For Vehicles Manufactured After June 5, 2013.**

For Class Vehicles manufactured after June 5, 2013, which are not covered by Customer Campaign 14M01, if (1) the Class Member has replaced the clutch twice within the 5-year/60,000 mile powertrain warranty, and (2) a Ford Dealer performs the appropriate diagnostic procedures and determines based on these procedures that a third clutch replacement is necessary, the Class Member may claim reimbursement for the cost of the additional clutch replacement if all three replacements were performed by a Ford Dealer while the Class Member owned or leased the Class Vehicle and the third replacement is performed by a Ford Dealer within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer, whichever occurs first. This replacement clutch itself shall be warranted for 2 years from the date of the clutch installation. Claims for reimbursement under this section must be submitted to the Claims Administrator, along with supporting documentation, within 180 days of the additional clutch replacement. Claims for reimbursement under this section cannot be submitted prior to the Approval Date, however, and all claims for reimbursement for additional clutch replacements under this Section that were performed prior to or on the Approval Date must be submitted within 180 days of the Approval Date. The supporting documentation for claims for reimbursement under this section must include all of the following:

1. Repair orders, receipts, other documentation from a Ford Dealer, or state vehicle inspection reports (or some combination thereof) sufficient to establish for at least two replacements of the clutch (part number 7B546 Disc Asy-Clutch), all of the following information:
  - a. The Vehicle Identification Number (“VIN”) of the vehicle on which the clutch replacement was performed;
  - b. The name and address of the Ford Dealer(s) that replaced the clutch on each occasion;
  - c. Whether the clutch replacement was performed on the Class Vehicle within 5 years/60,000 miles of delivery of the Class Vehicle to the first retail customer, whichever occurs first; and
  - d. A description of the services rendered and parts provided in connection with each clutch replacement.
2. Repair orders, receipts, other documentation from a Ford Dealer, or state vehicle inspection reports (or some combination thereof) sufficient to establish for an additional replacement of the clutch (part number 7B546 Disc Asy-Clutch), all of the following information:
  - a. The Vehicle Identification Number (“VIN”) of the vehicle on which the clutch replacement was performed;
  - b. The name and address of the Ford Dealer that replaced the clutch;
  - c. Whether the clutch replacement was performed on the Class Vehicle within 7 years/100,000 miles of delivery of the Class Vehicle to the first retail customer, whichever occurs first;
  - d. A description of the services rendered and parts provided in connection with the clutch replacement;
  - e. Information sufficient to establish that the appropriate diagnostic procedures specified in Ford’s Service Manual or in applicable

Technical Service Bulletins were performed and that based on the results the Ford Dealer determined that a clutch replacement was necessary; and

- f. The documented and unreimbursed amounts paid by the Class Member to a Ford Dealer for the parts and labor for the clutch replacement. Class Members shall not be reimbursed for consequential damages such as lost revenue/profits, lost employee time from loss of use of the Class Vehicle, or towing charges or other costs of transporting the vehicle to or from the place of repair.

3. Documentation demonstrating the Class Member's Proof of Ownership of the Class Vehicle at the time of each clutch replacement on which the claim is based.
4. A declaration signed under penalty of perjury by the Class Member that attests to and affirms the authenticity of the documentation provided to support the claim and stating that the Class Member actually owned or leased the Class Vehicle at the time of each clutch replacement on which the claim is based.

**H. Submission of Documentation in Support of Claims.**

For each claim for cash payments, Vehicle Discount Certificates, or reimbursement submitted pursuant to Section II.B., II.C., or II.G., Class Members must submit a hard copy or a scanned copy of all required documents to the Claims Administrator by mail, through the Settlement Website, or via email, and these documents shall be retained by the Claims Administrator until the end of the claims administration period.

**I. Rejected Claims and Claim Investigation.**

The Claims Administrator may reject any claim submitted pursuant to Section II.B., II.C or II.G. that does not include the required information and documentation specified above. The Claims Administrator may investigate any claim, including by requesting further documentation

when necessary, in order to determine whether the claim should be approved. If the Claims Administrator rejects the claim, it will advise the Class Member of the reason for the rejection (e.g., missing information, ineligibility for a payment or discount certificate, etc.). If the claim is rejected due to missing information and the original claim was submitted by the applicable deadline noted above, the Claims Administrator will give the Class Member one opportunity to resubmit the claim within 30 days with additional information.

**J. Inadvertent Submissions.**

In the event a Class Member inadvertently submits a claim to the Claims Administrator that pursuant to this agreement is within the jurisdiction of the Arbitration Administrator, the Claims Administrator shall provide notice to the Claimant of the inadvertent submission and provide the claim directly to the Arbitration Administrator on the Class Member's behalf, as long as the claim was timely submitted to the Claims Administrator and the Class Member complied with the notice requirements set forth in section II.N.4, below. Any inadvertent submission made within the applicable arbitration deadlines shall be considered timely submitted.

**K. Approved Claims.**

Approved claims for cash payments will be paid by prepaid card, which will be issued subject to Terms and Conditions substantially similar to those attached as Exhibit G. Any unused balance on a prepaid card will expire six months after the card is issued.

**L. Pre-Sale Disclosure Statement.**

Ford shall provide Ford Dealers with the following language that Dealers may use to inform prospective purchasers of DPS6 transmission-equipped vehicles of the characteristics of the DPS6 transmission:

The PowerShift 6-Speed, dual-clutch automatic transmission is designed to offer drivers both enhanced fuel efficiency and fun to drive performance. This transmission's dual-clutch technology uses electronically shifted clutches to operate two separate transmissions all in a small lightweight package. Since the clutch and gear operation is derived from a manual transmission, the

PowerShift automatic transmission will drive, sound, and feel similar to a manual transmission minus the required user-inputs. For example, the transmission may exhibit mechanical noises, firm gear shifts and/or light clutch vibrations when accelerating slowly as the clutches automatically engage. These are all considered to be normal and expected driving characteristics.

**M. Clarifications to Customer Campaign 14M01.**

Ford shall clarify to Ford Dealers that Customer Campaign 14M01 does not require a seal leak for repairs to be performed for excessive shudder at light acceleration.

**N. The Arbitration Program.**

Class Members may pursue binding arbitration for claims seeking a Vehicle Repurchase based in whole or in part on alleged defects in the PowerShift Transmission under the terms described below. The arbitrator shall follow the rules of arbitration attached as Exhibit H. Except as specifically noted below, Ford shall bear all costs and fees associated with the Arbitration program, irrespective of whether the Arbitration Claimant prevails in the Arbitration. No appeals from the Arbitrator's decisions and no requests for judicial review shall be allowed except as permitted by this Settlement.

**1. Claims for Vehicle Repurchase.**

Class members are entitled to binding arbitration of claims for Vehicle Repurchases based in whole or in part on alleged defects in the PowerShift Transmission, subject to the following terms and conditions.

**a. Applicable Law.**

Except as modified by Sections II.N.1.b-h, and by Sections II.N.2 and II.N.3, the Arbitrator shall apply the lemon law of the state where the Arbitration Claimant took delivery of the vehicle and shall award a Vehicle Repurchase if, considering Transmission and non-Transmission defects, a Vehicle Repurchase is required by applicable lemon law.

**b. Final Repair Attempt.**

If the Class Member has had no more than three (3) transmission repair attempts, Ford must be given a final opportunity to repair the Class Vehicle, free of charge to the Class Member. If the Class Member has had four (4) or more transmission repair attempts, or if the Class Member has sold or returned the Class Vehicle prior to filing the request for Arbitration, the Class Member has no obligation to provide Ford with any additional repair attempts.

c. Requests for Arbitration By Class Members Who Have Sold Class Vehicles or Returned Leased Class Vehicles.

Class Members who, prior to the Approval Date, have sold their Class Vehicles or returned leased Class Vehicles will only be entitled to arbitration of claims for Vehicle Repurchases based in whole or in part on alleged defects in the PowerShift Transmission in those Class Vehicles if (1) the lemon law of the state where the Arbitration Claimant took delivery of the vehicle allows vehicle owners or lessees to pursue Vehicle Repurchase claims after they have sold or returned their vehicles; and (2) the request for Arbitration is filed before the expiration of the applicable state statute of limitations for such a claim or 180 days after the Approval Date, whichever is earlier.

Class Members who sell Class Vehicles or return leased Class Vehicles on or after the Approval Date will only be entitled to arbitration of claims for Vehicle Repurchases based in whole or in part on alleged defects in the PowerShift Transmission in those Class Vehicles if (1) the lemon law of the state where the Arbitration Claimant took delivery of the vehicle allows vehicle owners or lessees to pursue Vehicle Repurchase claims after they have sold or returned their vehicles; and (2) the request for Arbitration is filed before the expiration of the applicable state statute of limitations for such a claim or 180 days after the date on which the Class Member sold or returned the Class Vehicle, whichever is earlier.

d. Extension of Statute of Limitations For Class Members Who Still Own or Lease Class Vehicles At The Time Of An Arbitration Hearing.

Regardless of the applicable state law governing the claims of an Arbitration Claimant who still owns or leases a Class Vehicle as of the time of an Arbitration Hearing, the Statute of Limitations for a Vehicle Repurchase claim brought by such a Claimant that is based in whole or in part on alleged defects in the PowerShift Transmission shall be six (6) years after delivery of the Class Vehicle to the first retail purchaser, or 180 days after the Approval Date, whichever is later.

- e. Vehicle Repurchase Permitted For Class Members Who Still Own or Lease Class Vehicles At The Time of an Arbitration Hearing, Even When Not Available Under State Law.

Even if an Arbitration Claimant who still owns or leases a Class Vehicle at the time of an Arbitration Hearing is not entitled to a Vehicle Repurchase under the applicable lemon law, the Arbitrator may award a Vehicle Repurchase if the notice requirements and statute of limitations conditions established by this Agreement are satisfied and the following conditions are met:

- i. During the period when the Class Vehicle was owned or leased by the Arbitration Claimant and within 5 years or 60,000 miles of delivery of the vehicle to the first retail customer (whichever occurs first), the Class Vehicle was repaired on four (4) separate Service Visits and on each Service Visit the Claimant received a Transmission Hardware Replacement, and:
- ii. The transmission continues to malfunction.

The requisite four Transmission Hardware Replacements may be for unrelated conditions or malfunctions.

- f. Repurchase Amount.

If the Arbitrator determines that a Vehicle Repurchase is required by the applicable lemon law, the Arbitrator shall award repurchase or replacement according to the terms of state law. If the Arbitrator determines that a Vehicle Repurchase is not required by the applicable lemon law, but is required under Section II.N.1.d, the Arbitrator shall award a repurchase on the

terms set forth in the rules of arbitration attached as Exhibit H. In either case, any amount awarded by the arbitrator shall be reduced by any cash payments made to the claimant pursuant to Sections II.B or II.C, or by the value of any used Vehicle Discount Certificates issued pursuant to Section II.C. Any amount awarded by the Arbitrator for a Vehicle Repurchase shall also be reduced by the value of any unused and unexpired Vehicle Discount Certificates, unless the Certificate is voided by the Arbitrator.

g. Arbitration Appeal.

The Arbitrator's decision with respect to a Vehicle Repurchase shall be final and binding with no right of appeal by Ford. However, Arbitration Claimants who do not prevail on a claim for a Vehicle Repurchase are entitled to appeal the Arbitrator's award to an Appellate Arbitrator. The Arbitration Claimant seeking appeal must advance the entire cost of the appeal proceeding as set by the Appellate Arbitration Administrator. If the Arbitration Claimant prevails on appeal, Ford shall reimburse all fees and costs charged by the Appellate Arbitration Administrator. The Arbitration Claimant shall not be entitled to reimbursement of fees and costs if Ford prevails on appeal. No other appeals or requests for judicial review shall be allowed.

h. Attorney Fees.

An Arbitrator may award reasonable attorneys' fees incurred in pursuing a claim for a Vehicle Repurchase to an Arbitration Claimant who prevails on such a claim. Fees awarded shall be reasonable and shall not exceed \$6,000 total, including any attorneys' fees incurred during the initial arbitration and any Arbitration Appeal. No fees may be awarded for pursuing or prevailing on any claims other than Vehicle Repurchase claims.

i. Prior BBB Arbitration and Second Arbitration.

Class Members who were denied a Vehicle Repurchase by the BBB Auto Line before the Effective Date may still submit Vehicle Repurchase claims to the Arbitration Program, provided no lawsuit has been filed. All Class Members may resubmit denied Vehicle Repurchase claims for a second arbitration if a subsequent Transmission Hardware Replacement has been performed

at a Ford Dealer, subject to the applicable statute of limitations established by this Settlement Agreement.

2. Claims Alleging Breach of New Vehicle Limited Warranty, or Extensions Thereof.

Class Members who do not qualify for a Vehicle Repurchase but claim a breach of Ford's New Vehicle Limited Warranty, or any extensions of that warranty, based in whole or in part on Transmission defects may submit these claims to the Arbitrator. If a breach is established, the Arbitrator may, as appropriate, order a repair, or reimbursement for any amounts paid by the Class Member for a repair, or may order Ford to provide a Ford extended service plan for the Class Vehicle. No other relief may be awarded under this section. Such claims must be filed within the statute of limitations for express warranty claims established by the law of the state where Class Members purchased their vehicles. The Arbitrator may not award attorney fees for pursuing a claim for breach of Ford's New Vehicle Limited Warranty or any extension of that warranty.

3. Civil Penalties and Punitive Damages.

Notwithstanding any provision of state law to the contrary, the Arbitrator may not award civil penalties or punitive damages to any Arbitration Claimant.

4. Notice.

To file any arbitration claim, Class Members must first give direct notice to Ford of their intent to proceed to arbitration and the nature of the claim(s) they intend to pursue in arbitration. This notice must be given at least ten days before the filing of an arbitration claim. Notice may be given via telephone at 1-888-260-4563 or through the Settlement website. During this ten-day period, Ford may contact the Class Member or, if the Class Member is represented, the Class Member's counsel, in an attempt to resolve the matter. If a Class Member accepts monetary compensation offered by Ford in an attempt to resolve the matter, the amount of that compensation shall be deducted from any award later ordered by the Arbitrator.

**O. Administration of the Settlement.**

Ford will retain the Claims Administrator to administer the program described above and will bear all costs and expenses related to the administration of the Settlement.

Promptly after the Preliminary Approval Date and prior to mailing the Short Form Class Notice, the Claims Administrator will establish a Settlement Website and a toll-free telephone number to provide information to Class Members concerning the Settlement, including, but not limited to, relevant Settlement deadlines and dates, the Long Form Class Notice, Claim Forms (when available), administration of the claim process, the status of the Settlement approval process, and applicable Settlement deadlines. The Settlement Website shall permit Class Members to submit their claims electronically beginning shortly after the Approval Date, although the Claims Administrator will not begin reviewing and processing claims until after the Effective Date. The Claims Administrator shall also establish a toll-free telephone number that Class Members may call for information and a mailing address to which Class Members can send Claim Forms. The Claims Administrator shall also make arrangements for the Publication Notice.

The Claims Administrator shall provide regular updates to Class Counsel and Ford concerning the number of claims received by the Claims Administrator, the number of claims reviewed by the Claims Administrator, the number of approval letters sent and the value of each approved claim, the total dollar amount of claims approved, the number of denial letters sent and the basis for each rejected claim, and the number of additional claims still undergoing processing. Class Counsel or Ford may request information specific to one or more claims processed by the Claims Administrator to evaluate and assess the claim administration process or any concerns raised by a specific Class Member. The Claims Administrator shall provide Class Counsel and Ford with the e-mail addresses and other contact information for Class Members who submit claims.

**P. Attorneys' Fees and Expenses.**

Ford will pay Plaintiffs' counsel reasonable attorneys' fees, costs and expenses as approved by the Court, separate and apart from the consideration flowing to the Class, not to

exceed a total of \$8,856,500. Lead Class Counsel will apply on behalf of all counsel for Plaintiffs to the Court for an award of attorneys' fees and expenses to be paid by Ford of no more than this amount, covering all legal services provided by Plaintiffs' counsel in the past and future to Plaintiffs and the Class Members in connection with the Litigation, the Settlement of the Litigation, any appeal in connection with the Settlement, and implementation of the Settlement Agreement (the "Fee and Expense Application"), except for any fees awarded by Arbitrators pursuant to the Arbitration Program, which is separate from the requested attorneys' fees and expenses identified here. The Court will determine what amount of fees and expenses shall be awarded and issue an Order stating the amount of fees and expenses to be awarded. The amount of fees to be awarded shall be determined by California law in effect on the date this agreement is executed. The parties expressly agree that any change in the law regarding attorneys' fees, including entitlement to fees or timing of payment, shall not affect application of this provision.

Lead Class Counsel shall make all determinations regarding the allocation of fees and expenses among Plaintiffs' counsel. Should any counsel other than Lead Class Counsel petition the Court for an award of attorneys' fees, costs, or expenses, Lead Class Counsel will oppose such petition. Ford shall not be required to pay any amounts of money to such counsel.. Any appeal of only the award of attorneys' fees and costs will not affect the Parties and Claims Administrator's obligations under the Order Granting Final Approval. This means that an appeal of only the attorneys' fees and costs will not extend the Effective Date or otherwise delay implementation of any Settlement benefits.

Within 14 business days after the Effective Date of Settlement, Ford shall pay the amount awarded by the Court for attorneys' fees and expenses to Lead Class Counsel who shall distribute the attorneys' fees among all counsel at their discretion.

Lead Class Counsel must provide Ford with a completed W-9 form for the first payee of attorneys' fees and costs. Any order or proceedings relating to the Fee and Expense Application, or any appeal solely from any order related thereto or reversal or modification thereof, will not

operate to terminate or cancel this Settlement Agreement, or affect or delay the finality of the Judgment approving this Settlement Agreement.

- a. Omar Vargas - \$10,000

Ford will pay to the Claims Administrator, promptly after the Effective Date, the total amount of service awards approved by the Court. The Claims Administrator will distribute the amount to each Named Plaintiff in accordance with the Court's order.

### **III. SETTLEMENT APPROVAL PROCESS.**

#### **A. Preliminary Approval of Settlement.**

In a reasonable time after the execution of this Settlement Agreement, counsel for Plaintiffs shall present this Settlement Agreement to the Court, along with a motion requesting that the Court issue a Preliminary Approval Order substantially in the form attached as Exhibit E, which shall include, among other things, the following:

1. Preliminary certification under Federal Rule of Civil Procedure 23, for settlement purposes only, of the Class;
2. Preliminary approval of the Settlement memorialized in this Settlement Agreement as fair, reasonable and adequate;
3. Approval of the Short Form Class Notice, the Long Form Class Notice, and the Publication Notice, containing the language contained in Exhibits A, B and C, respectively, or materially the same language;
4. A direction to Ford to distribute, at its expense, the Short Form Class Notice in the form approved by the Court to Class Members; a direction to Ford to publish, at its expense, the Publication Notice in the form approved by the Court; a direction to Ford to establish the Settlement Website as contemplated by this Settlement Agreement; a direction that each potential Class Member who wishes to be excluded from the Class must respond to the Class Notice in accordance with the instructions set forth in the Class Notice; a direction to each owner or lessee of a Class Vehicle with a pending lawsuit against Ford alleging problems with the PowerShift Transmission in a Class Vehicle in

which final judgment has not yet been entered of the right to opt-in to the Settlement, and a direction that their opt-in forms must be received by the date set forth in the Preliminary Approval Order;

5. A finding that the Short Form Class Notice, the Long Form Class Notice, and the Publication Notice together constitute the best notice practicable under the circumstances, including individual notice to all Class Members who can be identified with reasonable effort, and constitutes valid, due, and sufficient notice to Class Members in full compliance with the requirements of applicable law, including the due process clause of the United States Constitution;
6. A direction that, pending final determination of the joint application for approval of this Settlement Agreement, all proceedings in this Litigation other than settlement approval proceedings shall be stayed;
7. A direction that any Class Member who has not properly and timely requested exclusion from the Class will be bound by the Final Order and Judgment;
8. The scheduling of a final hearing to determine whether this Settlement Agreement should be approved as fair, reasonable, and adequate and whether the proposed Final Order and Judgment should be entered (the “Fairness Hearing”);
9. A direction that Ford shall tabulate communications from prospective Class Members asking to be excluded from the Class and shall report the names and addresses of such entities and natural persons to the Court and to Class Counsel no less than seven days before the Fairness Hearing;
10. A direction that Class Counsel shall file a Fee and Expense Application and Plaintiffs’ Service Award application approximately 14 days prior to the date set forth in the Preliminary Approval Order as the deadline for the objections; and that Class Counsel shall file any supplemental brief in support of final

approval of the Settlement Agreement no later than seven days prior to the Fairness Hearing;

11. A direction that any Class Member who wishes to object to the proposed Settlement Agreement, the proposed Final Order and Judgment, the Fee and Expense Application, and/or Plaintiffs' Service Award must file and serve such objections no later than the date set forth in the Preliminary Approval Order, together with copies of all papers in support of his/her/its position as provided in Section III.D.2 of the Settlement Agreement. The Long Form Class Notice shall state that the Court will not consider the objections of any Class Member who has not properly served copies of his/her/its objections on a timely basis or complied with the requirements of Section III.D.2 of the Settlement Agreement.
12. A provision ordering that all Class Members and their representatives who do not timely exclude themselves from the Settlement are preliminarily enjoined from filing, commencing, prosecuting, maintaining, intervening in, participating in, conducting, or continuing, individually, as class members or otherwise, any lawsuit (including putative class actions), arbitration, remediation, administrative or regulatory proceeding or order in any jurisdiction, asserting any claims based on alleged defects in the PowerShift Transmission or asserting any Released Claims. This preliminary injunction shall not include any claims for non-binding mediation or arbitration filed with the Better Business Bureau pursuant to the provisions in Ford's New Vehicle Limited Warranty.

**B. Notice to Attorneys General.**

In compliance with the attorney general notification provision of the Class Action Fairness Act, 28 U.S.C. § 1715, within ten days after the motion for Preliminary Approval Order is filed, Ford shall provide notice of this proposed Settlement to the Attorney General of the

United States, and the attorneys general of each state or territory in which a Class Member resides. The notice will include: (1) a copy of the Operative Complaint; (2) a copy of this Settlement Agreement and its exhibits; and (3) a reasonable estimate of the number of class members in each state/territory and their percentage representation in the Class. Ford will provide copies of such notifications to Class Counsel at the time of their submission to the attorneys general.

**C. Notice to Class Members.**

The Claims Administrator will mail, by first-class mail at Ford's expense, the Short Form Class Notice containing the language in Exhibit A, and substantially in the same form as in Exhibit A. As soon as is practicable after the preliminary approval of the Settlement, the Claims Administrator will obtain from Ford and HIS Automotive (formerly R.L. Polk) the name and last known address of each potential member of the Class. Lead Class Counsel may request that, to the extent permitted by law, this information also shall be provided to Lead Class Counsel, who agree to use the list for the limited purpose of informing Class members of the Settlement and their rights thereunder and for no other purpose. Ford does not oppose this request. Prior to mailing the Short Form Class Notice, the last known address of potential Class Members will be checked and updated going back four years through the use of the National Change of Address Database. Thereafter, the Claims Administrator shall send a copy of the Short Form Class Notice by first-class mail to each Class Member so identified, and each copy of the Short Form Class Notice shall include a claim number unique to the recipient. The Claims Administrator shall use its best efforts to complete the initial mailing of the Short Form Class Notice to potential Class Members within 75 days after the Preliminary Approval Date.

If any Short Form Class Notice mailed to any potential Class Member is returned to the Claims Administrator as undeliverable, then the Claims Administrator shall perform a reasonable search (e.g., the National Change of Address Database) for a more current name and/or address for the potential Class Member and (provided that a more current name and/or address can be found through such a search) re-send the returned Short Form Class Notice to the potential Class

Member by first-class mail. In the event that any Short Form Class Notice mailed to a potential Class Member is returned as undeliverable a second time, then no further mailing shall be required. The Claims Administrator will promptly log each Short Form Class Notice that is returned as undeliverable and provide copies of the log to Class Counsel. The Claims Administrator shall cause, by the Notice Date, a one-time publication of the Publication Notice, substantially in the form attached as Exhibit C, to appear in the Marketplace/Legal Notice Section of USA Today. Defendant shall bear the cost of the publication of the Publication Notice.

**D. Response to Notice.**

1. Objection to Settlement.

Any Class Member who intends to object to the fairness of the Settlement Agreement must, by the date specified in the Preliminary Approval Order and recited in the Class Notice (which shall be no later than 130 days after the Preliminary Approval Date), file any such objection with the Court and provide copies of the objection to: (1) Jordan Lurie, Tarek Zohdy, Cody Padgett, Karen Wallace, Capstone Law APC, 1875 Century Park East, Suite 1000, Los Angeles, CA, 90067; and (2) Krista L. Lenart, Dykema Gossett PLLC, 2723 South State Street, Suite 400, Ann Arbor, MI 48104. Any objection to the Settlement Agreement must be individually and personally signed by the Class Member (if the Class Member is represented by counsel, the objection additionally must be signed by such counsel), and must include:

- a. The objector's full name, address, and telephone number;
- b. The model, model year, and vehicle identification number of the Class Member's Class Vehicle, along with proof that the objector has owned or leased a Class Vehicle (e.g., a true copy of a vehicle title, registration, or license receipt);
- c. A written statement of all grounds for the objection accompanied by any legal support for such objection;

- d. Copies of any papers, briefs, or other documents upon which the objection is based;
- e. A list of all cases in which the objector and/or his or her counsel has filed or in any way participated in—financially or otherwise—objections to a class action settlement in the preceding five years;
- f. The name, address, email address, and telephone number of all attorneys representing the objector; and
- g. A statement indicating whether the objector and/or his or her counsel intends to appear at the Fairness Hearing, and if so, a list of all persons, if any, who will be called to testify in support of the objection.

Any member of the Class who does not file a timely written objection to the Settlement and notice of his or her intent to appear at the Fairness Hearing or who fails to otherwise comply with the requirements of this section, shall be foreclosed from seeking any adjudication or review of the Settlement by appeal or otherwise.

2. Requests for Exclusion and Opt-ins.

Any Class Member who wishes to be excluded from the Class must submit a request for exclusion (“Request for Exclusion”) to the Claims Administrator at the address specified in the Class Notice by the date specified in the Preliminary Approval Order and recited in the Class Notice (which shall be no later than 130 days after the Preliminary Approval Date). Class Members who wish to be excluded from the Class must do so with respect to all Class Vehicles they own(ed) or lease(d); Class Members may not exclude themselves from the Class with respect to some Class Vehicles and include themselves in the Class with respect to other Class Vehicles. To be effective, the Request for Exclusion must be sent via first-class U.S. mail to the specified address and must:

- a. Include the Class Member’s full name, address, and telephone number;

- b. Identify the model, model year, and vehicle identification number of the Class Member's Class Vehicle(s);
- c. Specifically and unambiguously state his/her/its desire to be excluded from the Class in *Vargas v. Ford Motor Co.*; and
- d. Be individually and personally signed by the Class Member (if the Class Member is represented by counsel, the Request for Exclusion additionally must be signed by such counsel).

Any Class Member who fails to submit a timely and complete Request for Exclusion sent to the proper address, shall be subject to and bound by this Settlement Agreement and every order or judgment entered pursuant to this Settlement Agreement. Any purported Request for Exclusion sent to such address that is ambiguous or internally inconsistent with respect to the Class Member's desire to be excluded from the Class will be deemed invalid unless determined otherwise by the Court. The Claims Administrator will receive purported Requests for Exclusion and will follow guidelines developed jointly by Class Counsel and Ford's counsel for determining whether they meet the requirements of a Request for Exclusion. Any communications from Class Members (whether styled as an exclusion request, an objection, or a comment) as to which it is not readily apparent whether the Class Member meant to exclude himself/herself from the Class will be evaluated jointly by Class Counsel and Ford's counsel, who will make a good faith evaluation, if possible. Any uncertainties about whether a Class Member is requesting exclusion from the Class will be resolved by the Court.

The Claims Administrator will maintain a list of all Requests for Exclusion, and shall report the names and addresses of all such entities and natural persons requesting exclusion to the Court, Ford's counsel, and Class Counsel seven days prior to the Fairness Hearing, and the list of entities and natural persons deemed by the Court to have excluded themselves from the Class will be attached as an exhibit to the Final Order and Judgment.

The Claims Administrator will also maintain a list of all owners or lessees of Class Vehicles with lawsuits against Ford alleging problems with the PowerShift Transmission in

Class Vehicles pending on the Notice Date in which final judgment has not yet been entered who opt in to the Settlement pursuant to Section I.L. above.

**E. Fairness Hearing.**

On the date set forth in the Preliminary Approval Order, which shall be approximately one month after the deadline for submitting objections and Requests for Exclusion, a Fairness Hearing will be held at which the Court will consider: (1) whether to finally certify the Settlement Class; (2) whether to approve the Settlement Agreement as fair, reasonable, and adequate; (3) whether to approve the application for a Service Award for the Named Plaintiffs; and (4) whether to approve Class Counsel's Fee and Expense Application.

**F. Final Order and Judgment.**

If this Settlement Agreement is finally approved by the Court, a Final Order and Judgment directing the entry of judgment pursuant to Fed. R. Civ. P. 54(b) shall be entered substantially in the form attached as Exhibit F, as follows:

1. Certifying the Class solely for purposes of this Settlement Agreement;
2. Approving the Settlement Agreement as fair, reasonable, and adequate as it applies to the Class;
3. Declaring the Settlement Agreement to be binding on Ford and the Plaintiffs, as well as all Members of the Class;
4. Dismissing on the merits and with prejudice the *Vargas*, *Klipfel*, and *Cusick* actions;
5. Forever discharging the Released Parties from all Released Claims;
6. Indicating the amount of the Service Award for the Named Plaintiffs;
7. Indicating the amount of attorneys' fees and expenses to be awarded to Plaintiffs' counsel;
8. Providing that all Class Members who did not request exclusion from the Class shall be permanently enjoined from commencing or prosecuting any

action, suit, proceeding, claim, or cause of action asserting the Released Claims in any court or before any tribunal; and

9. Providing that all Class Members who have not made their objections to the Settlement in the manner provided in the Notice are deemed to have waived any objections by appeal, collateral attack, or otherwise.

**G. Withdrawal from Settlement.**

Either party shall have the option to withdraw from this Settlement Agreement, and to render it null and void, if any of the following occurs:

1. Any objections to the proposed Settlement are sustained and such objection results in changes to the agreement that the withdrawing party deems in good faith to be material (e.g., because it increases the cost of the settlement, or deprives the withdrawing party of a material benefit of the Settlement);
2. Any attorney general is allowed to intervene in the action and such intervention results in changes to the agreement that the withdrawing party deems in good faith to be material (e.g., because it increases the cost of the settlement, or deprives the withdrawing party of a material benefit of the Settlement);
3. The preliminary or final approval of the Settlement Agreement is not obtained without modification and any modification required by the Court for approval (including any modification that increases the attorney fees or service awards agreed to herein) is deemed in good faith to be material and is not agreed to by the withdrawing party (e.g., because it increases the cost of the settlement, or deprives the withdrawing party of a significant benefit of the Settlement); and
4. Entry of the Final Order and Judgment described in this Settlement is reversed or substantially modified by an appellate court. However, a

reversal or modification of an order awarding reasonable attorneys' fees and expenses shall not be a basis for withdrawal, provided that the amount of fees and expenses ultimately awarded does not exceed the amounts set forth in this Agreement.

Ford shall, in addition, have the option to withdraw from this Settlement Agreement, and to render it null and void, if Class Members collectively owning or leasing 75,000 or more Class Vehicles exclude themselves from the Settlement.

If any state or federal trial court sustains a collateral attack on this settlement, Ford and Lead Counsel shall cooperate in attempting to reverse that ruling on appeal. If that ruling is affirmed on appeal by a state appellate court or by a federal Circuit Court of Appeal, either party, at its option, may withdraw from this Agreement.

To withdraw from the Settlement Agreement under this Section, the withdrawing party must provide written notice to the other party's lead counsel and to the Court. In the event either party withdraws from the Settlement, this Settlement Agreement shall be null and void, shall have no further force and effect with respect to any party in the Litigation, and shall not be offered in evidence or used in any litigation for any purpose, including the existence, certification, or maintenance of any purported class. In the event of such withdrawal, this Settlement Agreement and all negotiations, proceedings, documents prepared, and statements made in connection herewith shall be without prejudice to the Settling Parties, and shall not be deemed or construed to be an admission or confession by any party of any fact, matter, or proposition of law, and shall not be used in any manner for any purpose, and all parties to the Litigation shall stand in the same position as if this Settlement Agreement had not been negotiated, made, or filed with the Court. Upon withdrawal, either party may elect to move the Court to vacate any and all orders entered pursuant to the provisions of this Settlement Agreement.

#### **H. Released Claims.**

##### **1. Class Members' Claims.**

Upon the Effective Date of the Settlement, and except for the rights and entitlements created by this Settlement, including those under Section II herein, the Plaintiffs and each Class Member shall be deemed to have, and by operation of the Final Order and Judgment shall have, released, waived, and discharged the Released Parties from his, her, or its Released Claims as defined above, except with respect to claims that qualify for the Arbitration Program. This release, and the rights and entitlements created by this Settlement, including those under Section II herein, will run with the vehicle if the Class Member sells the Class Vehicle.

2. Total Satisfaction of Released Claims.

Any benefits offered or obtained pursuant to the Settlement Agreement are in full, complete, and total satisfaction of all of the Released Claims against the Released Parties, the Benefits are sufficient and adequate consideration for each and every term of this Release, and this Release shall be irrevocably binding upon Class Representatives and Class Members who do not opt out of the Class.

3. Dismissal of *Anderson*.

Within 14 days of the Effective Date, Class Counsel shall secure the dismissal with prejudice of the *Anderson* litigation.

4. Release Not Conditioned on Claim or Payment.

The Release shall be effective with respect to all Class Members, regardless of whether those Class Members ultimately file a Claim or receive compensation under this Settlement Agreement.

5. Basis for Entering Release.

Class Counsel acknowledge that they have conducted sufficient independent investigation and discovery to enter into this Settlement Agreement and that they execute this Settlement Agreement freely, voluntarily, and without being pressured or influenced by, or relying on any statements, representations, promises, or inducements made by the Released Parties or any person or entity representing the Released Parties, other than as set forth in this

Settlement Agreement. Class Representatives acknowledge, agree, and specifically represent and warrant that they have discussed with Class Counsel the terms of this Settlement Agreement and have received legal advice with respect to the advisability of entering into this Settlement Agreement and the Release, and the legal effect of this Settlement Agreement and the Release. The representations and warranties made throughout the Settlement Agreement shall survive the execution of the Settlement Agreement and shall be binding upon the respective heirs, representatives, successors and assigns of the Parties.

**I. Material Term.**

Class Representatives and Class Counsel hereby agree and acknowledge that Section III.H. was separately bargained for and constitutes a key, material term of the Settlement Agreement that shall be reflected in the Final Approval Order.

**J. Agreement to Cooperate to Effectuate Settlement.**

Counsel for all Parties warrant and represent that they are expressly authorized by the Parties whom they represent to negotiate this Settlement Agreement. The persons signing this Settlement Agreement on behalf of each Party warrants that he/she is authorized to sign this Settlement Agreement on behalf of that Party.

The Parties and their respective counsel will cooperate with each other, act in good faith, and use their best efforts to effect the implementation of the Settlement Agreement and advance the Arbitration Program. In the event the Parties are unable to reach agreement on the form or content of any document needed to implement the Settlement Agreement, or on any supplemental provisions that may become necessary to effectuate the terms of this Class Action Agreement, the Parties may seek the assistance of the Court to resolve such disagreement.

The Parties further agree to make all reasonable efforts to ensure the timely and expeditious administration and implementation of the Settlement Agreement and to minimize the costs and expenses incurred therein.

**K. Modification of the Agreement.**

The terms and provisions of this Settlement Agreement may be amended, modified, or expanded by written agreement of the Parties and approval of the Court; provided, however, that after entry of the Final Approval Order, the Parties may by written agreement effect such amendments, modifications, or expansions of this Settlement Agreement and its implementing documents (including all exhibits hereto) without further notice to the Class or approval by the Court if such changes are consistent with the Court's Final Approval Order and do not limit the rights of Class Members under this Settlement Agreement.

#### **IV. MISCELLANEOUS PROVISIONS.**

##### **A. Class Certification.**

The Parties agree that for the purposes of this Settlement only, certification of the Class as defined above in Paragraph I.L. is appropriate pursuant to Fed. R. Civ. P. 23(b)(3).

##### **B. Effect of Exhibits.**

The exhibits to this Settlement Agreement are an integral part of the Settlement and are expressly incorporated and made a part of this Settlement Agreement.

##### **C. No Admission.**

This Settlement Agreement is for settlement purposes only. Neither the fact of, nor any provision contained in this Settlement Agreement, nor any action taken hereunder, shall constitute, or be construed as, any admission of the validity of any claim or any fact alleged in the Litigation or of any wrongdoing, fault, violation of law, or liability of any kind on the part of Ford or any admissions by Ford of any claim or allegation made in any action or proceeding against Ford. If this Settlement Agreement is terminated and becomes null and void, the class action portions of this Settlement shall have no further force and effect with respect to any party to the Litigation and shall not be offered in evidence or used in the Litigation or any other proceeding. This Settlement Agreement shall not be offered or be admissible in evidence against Ford or cited or referred to in any action or proceeding, except in an action or proceeding brought to enforce its terms. Information provided by Ford to the Plaintiffs and Class Counsel in

connection with settlement negotiations is for settlement purposes only and shall not be used or disclosed for any other purpose whatsoever.

**D. Return of Confidential Documents.**

Upon the Effective Date, all documents and information marked or designated as Confidential and all Protected Documents, as defined in and subject to the Protective Order, signed by Magistrate Judge Frederick F. Mumm on June 14, 2013, or any previous or subsequent protective order entered in this Litigation, shall be returned or disposed of within the time frame and according to the procedures set forth in the Protective Order.

**E. Entire Agreement.**

This Settlement Agreement represents the entire agreement and understanding among the Settling Parties and supersedes all prior proposals, negotiations, agreements, and understandings relating to the subject matter of this Settlement Agreement. The Settling Parties acknowledge, stipulate, and agree that no covenant, obligation, condition, representation, warranty, inducement, negotiation, or understanding concerning any part or all of the subject matter of this Settlement Agreement has been made or relied on except as expressly set forth in this Settlement Agreement. No modification or waiver of any provisions of this Settlement Agreement shall in any event be effective unless the same shall be in writing and signed by the person against whom enforcement of the Settlement Agreement is sought.

**F. Counterparts.**

This Settlement Agreement may be executed in one or more counterparts, each of which shall be deemed an original as against any party who has signed it, and all of which shall be deemed a single agreement.

**G. Arm's-Length Negotiations.**

The Settling Parties have negotiated all of the terms and conditions of this Settlement Agreement at arm's length. All terms, conditions, and exhibits in their exact form are material and necessary to this Settlement Agreement and have been relied upon by the Settling Parties in entering into this Settlement Agreement. All Settling Parties have participated in the drafting of

this agreement and it is not to be construed in favor of or against any of the Settling Parties.

**H. Continuing Jurisdiction.**

The Court shall retain continuing and exclusive jurisdiction over the Parties to this Settlement Agreement, including all Class Members, for the purpose of the administration, interpretation and enforcement of this Settlement Agreement.

**I. Dispute Resolution.**

Any dispute between Lead Counsel and Ford regarding the interpretation of any provision of this agreement (other than those which the Settlement Agreement shall be resolved otherwise) shall be presented to the mediator, Eric D. Green before it is presented to the Court.

**J. Binding Effect of Settlement Agreement.**

This Settlement Agreement shall be binding upon and inure to the benefit of the Settling Parties and their representatives, heirs, successors, and assigns.

**K. Nullification.**

In the event any one or more of the provisions contained in this Settlement Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect other provisions if Ford and Class Counsel, on behalf of the Settling Parties, mutually elect to proceed as if such invalid, illegal, or unenforceable provision had never been included in this Settlement Agreement.

**L. Extensions of Time.**

The Settling Parties may agree upon a reasonable extension of time for deadlines and dates reflected in this Settlement Agreement, without further notice (subject to Court approval as to Court dates).

**M. Service or Notice.**

Whenever, under the terms of this Settlement Agreement, a person is required to provide service or written notice to Ford or Class Counsel, such service or notice shall be directed to the individuals and addresses specified below, unless those individuals or their

successors give notice to the other Settling Parties in writing:

# Exhibit 2

**In the United States District Court  
for the Central District of California**

***Vargas v. Ford Motor Co***

**Case No. 2:12-cv-08388-AB-FFM**

**AMENDMENT TO STIPULATION AND AGREEMENT OF SETTLEMENT**

This Amendment (“Amendment”) to the Stipulation and Agreement of Settlement (“Settlement Agreement”) is entered into by and among the named Plaintiffs Omar Vargas, Robert Bertone, Michelle Harris, Sharon Heberling, Kevin Klipfel, Andrea Klipfel, Maureen Cusick, Eric Dufour, Abigail Fisher, Christi Groshong, Virginia Otte, Tonya Patze, Lindsay Schmidt, Patricia Schwenker, and Patricia Soltesiz, Joshua Bruno, Jason Porterfield, and Jamie Porterfield (collectively, the “Named Plaintiffs” or “Class Representatives” or “Plaintiffs”), Defendant Ford Motor Company (“Ford”) (collectively, the “Settling Parties”), and Objectors Brenda Lott, Suzanne Lutz, Carlie Olivant, Gail Slomine, Philip Woloszyn (collectively, the “Lott Objectors”), and James “Jason” DeBolt (“Objector DeBolt”, and collectively with the Lott Objectors, the “Objectors”), by and through their respective counsel.

**RECITALS**

WHEREAS, on September 28, 2012, the action entitled *Omar Vargas v. Ford Motor Company* was filed in the United States District Court for the Central District of California (“*Vargas*”). The case was initially assigned to the Honorable Audrey B. Collins, given the case number 2:12-cv-08388, and subsequently transferred to the calendar of the Honorable André Birotte Jr.;

WHEREAS, the *Vargas* complaint alleged causes of action against Ford for violating California’s and Florida’s consumer protection laws, breach of express warranty, and breach of implied warranty under the Song-Beverly Consumer Warranty Act. The complaint alleged that the PowerShift Transmission (“Transmission” or “DPS6”) installed in certain model year Ford Fiesta and Ford Focus vehicles is dangerously defective. Plaintiffs allege that the Transmission slips, bucks, kicks, and jerks, resulting in sudden or delayed acceleration of the vehicle. In the Complaint, Plaintiffs sought certification of a nationwide class of current and former owners and lessees of vehicles equipped with such

transmissions;

WHEREAS, after multiple mediation sessions, Plaintiffs and Ford reached a nationwide class action settlement that the district court preliminarily approved on April 25, 2017. Following class notice mailed to nearly 2,000,000 Class Members, approximately 10,350 recipients of the class notice opted out, and fifteen Class Members, including the Objectors, objected. The Lott Objectors objected that Plaintiffs did not provide a valuation analysis of the Settlement, the benefits offered by the Settlement were inadequate, the qualifications for obtaining benefits were onerous, and the Arbitration Program (as that term is defined by the Settlement Agreement) would not benefit Ford consumers as much as individual litigation would, among other objections. Objector DeBolt objected to the scope of the release, the sufficiency of the benefits, the form of the notice, and the attorneys' fee request.

WHEREAS, the district court issued a Final Order and Judgment approving the Settlement Agreement, awarding attorneys' fees in full, and overruling all objections. Following appeals by the Objectors, a split Ninth Circuit panel issued a memorandum decision on September 13, 2019, vacating the Final Order and Judgment and remanding the matter for a "more searching inquiry" pursuant to *Allen v. Bedolla*, 787 F.3d 1218, 1224 (9th Cir. 2015), finding that the district court's order did not provide sufficient analysis for substantive appellate review.

WHEREAS, the Settling Parties and Objectors participated in a mediation on December 9, 2019, conducted by Professor Eric Green of Resolutions LLC, and, as a result of arms'-length negotiations, reached a settlement that resolves Objectors' objections, it is hereby agreed by Ford, by Plaintiffs, and by the Objectors as follows:

1. The Lott Objectors and Objector DeBolt shall withdraw their objections to the Settlement.
2. Ford and Plaintiffs acknowledge that the Lott Objectors and Objector DeBolt contributed substantially to the improvements to the Settlement contained in this Amendment. The Lott Objectors successfully pursued increased benefits for both present and former owners, and Objector DeBolt successfully pursued increased benefits for former owners.
3. Ford will not oppose a request by the Lott Objectors and by Objector DeBolt that it pay an award of attorney fees to their counsel, provided (a) the award does not exceed 1.2 times their verified,

reasonable lodestar, plus verified costs; (b) as to the Lott Objectors the award does not exceed \$348,004; and (c) as to Objector DeBolt the amount does not exceed \$98,340.

4. Ford will not oppose a request by the Lott Objectors and Objector DeBolt that it pay a service award of \$5,000 to each of the Lott Objectors and to Objector DeBolt.
5. References to “Approval Date” in Sections II.D.3, II.F, II.G, and II.N.1.c shall be replaced with references to the “Effective Date” as redefined in this Amendment.
6. Section I.R of the Settlement Agreement is amended to read as follows:

“Effective Date of Settlement” or “Effective Date” means the first business day after: (1) the Court enters the Final Order and Judgment, in all material respects similar to the form attached ~~hereto as Exhibit F~~ to the Amendment to Stipulation and Agreement of Settlement; and (2) all appellate rights with respect to the Final Order and Judgment have expired or have been exhausted in such a manner as to affirm the Final Order and Judgment. If any appeal has been taken from the Final Approval Order, the “Effective Date” means the date on which all appeals therefrom, including petitions for rehearing or reargument, petitions for rehearing en banc and petitions for a writ of certiorari or any other form of review, have been fully disposed of in a manner that affirms the Final Approval Order. An appeal that challenges only attorneys’ fees, costs, or service awards shall extend the Effective Date only with respect to such attorneys’ fees, costs, or service awards.

7. Section I.S of the Settlement Agreement is amended to read as follows:

The “Fairness Hearing” means the ~~final hearing, held after the Preliminary Approval Order is issued~~ in which the Court will determine whether this Settlement Agreement as amended should be finally approved as fair, reasonable, and adequate, and whether the proposed Final Order and Judgment should be entered, and if so, to determine the amount of attorneys’ fees and costs to be awarded to Class Counsel and Objectors’ counsel.

8. Section II.EE is added to immediately follow Section II.E.4.c.

**II.EE. Cash Payments For Customers Turned Away By Ford Dealers.**

1. A one-time cash payment of \$20 shall be paid to any Class Member who (a) has not received cash payments or Vehicle Discount Certificates under Sections II.B or II.C and (b) submits a declaration under penalty of perjury attesting that he or she experienced Transmission problems and sought relief within 7 years or 100,000 miles of delivery of the Class Vehicle to the first retail customer (whichever occurs first), that a Ford Dealer refused to make hardware or software repairs because the Dealer claimed there was nothing wrong with the vehicle, and that the Ford Dealer did not subsequently make hardware or software repairs. The declaration must identify the VIN of the Class

Vehicle, the Ford Dealer, and the date on which the Class Member was turned away to receive payment. A form for submitting such claims shall be made available to Class Members on the Settlement Website.

2. All claims for a cash payment under this section arising from a refused repair prior to the Effective Date must be submitted online or postmarked within 180 days of the Effective Date. For refused repairs that occur after the Effective Date, the claim for payment must be submitted online or postmarked within 180 days of the refused repair for which a cash payment is sought. Neither the Claims Administrator nor Ford shall have any obligation to pay any claims pursuant to Section II.EE that are not timely submitted.

3. If a class member receives a \$20 cash payment under this section and later makes a valid claim for a cash payment or Vehicle Discount Certificate under Sections II.B or II.C, the Claims Administrator shall deduct \$20 from the amount otherwise payable under Sections II.B or II.C.

Sections II.H, II.I, and II.K shall apply to claims made pursuant to this Section.

9. Section II.FF is added to the Settlement Agreement to immediately follow Section II.F.7:

**FF. Guaranteed Minimum Payment.**

1. Ford will pay a minimum sum of \$30,000,000 for the benefits provided for in Sections II.B, II.C, and II.EE of the Settlement ("Guaranteed Minimum Payout").

2. Within thirty days after October 21, 2024, the Claims Administrator shall calculate and submit to Ford and Class Counsel the Total Payment Amount, which will be the sum of the total dollar value of all prepaid cards issued pursuant to Sections II.B, II.C, and II.EE, plus the total face value of all Vehicle Discount Certificates issued under Section II.C. If the Total Payment Amount is less than the Guaranteed Minimum Payout, that difference ("the Residue") shall be distributed equally to each Class Member who submitted a valid claim under Sections II.B, II.C or II.EE or who received a payment from Ford after providing Notice of Intent to arbitrate pursuant to Section II.N.4. In the event the per capita amount of the residual payment would be less than \$5.00, the Residue shall be distributed only to Class Members who submitted a valid claim pursuant to Section II.C. If the per capita amount of the residual payment remains less than \$5.00, the Residue shall be distributed to a *cy pres* beneficiary to be determined jointly by Class Counsel and Ford.

3. Prior to distributing the residual payment, the Claims Administrator shall perform a reasonable search (via the National Change of Address Database) for a current name and/or address of all Class Members who are entitled to a residual payment.

4. If any dispute arises regarding Ford's obligations to fulfill the Guaranteed Minimum Payout, and the parties cannot, after good faith negotiations, reach a resolution, the Settling Parties shall submit a joint report to the Court describing the

dispute, summarizing each party's positions. The Court shall make a final determination with respect to the dispute.

5. Payments to Class Members made pursuant to this section shall be made by prepaid cards as provided in Section II.K. The unused value of any prepaid cards issued pursuant to this section shall be distributed to the *cy pres* beneficiary designated by Ford and Plaintiffs.

10. Section II.N.1.b of the Settlement Agreement is deleted.

11. Section II.N.1.c of the Settlement Agreement is amended to read as follows:

Except as provided in Section II.N.1.e, as amended, Class Members who, prior to the Approval Effective Date, have sold their Class Vehicles or returned leased Class Vehicles will only be entitled to arbitration of claims for Vehicle Repurchases based in whole or in part on alleged defects in the PowerShift Transmission in those Class Vehicles if (1) the lemon law of the state where the Arbitration Claimant took delivery of the vehicle allows vehicle owners or lessees to pursue Vehicle Repurchase claims after they have sold or returned their vehicles; and (2) the request for Arbitration is filed before the expiration of the applicable state statute of limitations for such a claim or 180 days after the Approval Date, whichever is earlier.

~~Class Members who sell Class Vehicles or return leased Class Vehicles on or after the Approval Date will only be entitled to arbitration of claims for Vehicle Repurchases based in whole or in part on alleged defects in the PowerShift Transmission in those Class Vehicles if .1. the lemon law of the state where the Arbitration Claimant took delivery of the vehicle allows vehicle owners or lessees to pursue Vehicle Repurchase claims after they have sold or returned their vehicles; and .2. the request for Arbitration is filed before the expiration of the applicable state statute of limitations for such a claim or 180 days after the date on which the Class Member sold or returned the Class Vehicle, whichever is earlier.~~

12. Section II.N.1.d of the Settlement Agreement is amended to read as follows:

~~d. Extension of Statute of Limitations For Class Members Who Still Own or Lease Class Vehicles At The Time Of An Arbitration Hearing.~~

Regardless of the applicable state law governing the claims of an Arbitration Claimant ~~who still owns or leases a Class Vehicle as of the time of an Arbitration Hearing~~, the Statute of Limitations for a Vehicle Repurchase claim brought by such a Claimant that is based in whole or in part on alleged defects in the PowerShift Transmission shall be six (6) years after delivery of the Class Vehicle to the first retail purchaser, or 180 days after the Approval Effective Date, whichever is later.

13. Section II.N.1.e of the Settlement Agreement is amended to read as follows:

~~e. Vehicle Repurchase Permitted For Class Members Who Still Own or Lease Class Vehicles At The Time of an Arbitration Hearing, Even~~

When Not Available Under State Law.

Even if an Arbitration Claimant ~~who still owns or leases a Class Vehicle at the time of an Arbitration Hearing~~ is not entitled to a Vehicle Repurchase under the applicable lemon law, the Arbitrator may award a Vehicle Repurchase if the notice requirements and statute of limitations conditions established by this Agreement are satisfied and the following conditions are met:

- i. During the period when the Class Vehicle was owned or leased by the Arbitration Claimant and within 5 years or 60,000 miles of delivery of the vehicle to the first retail customer (whichever occurs first), the Class Vehicle was repaired on four (4) separate Service Visits and on each Service Visit the Claimant received a Transmission Hardware Replacement, and;
- ii. The transmission continues to malfunction (or, in the case of former owners or lessees, continued to malfunction at the time the vehicle was disposed of).

The requisite four Transmission Hardware Replacements may be for unrelated conditions or malfunctions.

14. Section II.N.1.g of the Settlement Agreement is amended to read as follows:

Except as provided in Section II.N.3, The Arbitrator's decision with respect to a Vehicle Repurchase shall be final and binding with no right of appeal by Ford. However, Arbitration Claimants who do not prevail on a claim for a Vehicle Repurchase are entitled to appeal the Arbitrator's award to an Appellate Arbitrator. The Arbitration Claimant seeking appeal must advance the entire cost of the appeal proceeding as set by the Appellate Arbitration Administrator. If the Arbitration Claimant prevails on appeal, Ford shall reimburse all fees and costs charged by the Appellate Arbitration Administrator. The Arbitration Claimant shall not be entitled to reimbursement of fees and costs if Ford prevails on appeal. No other appeals or requests for judicial review shall be allowed.

15. Section II.N.3 of the Settlement Agreement is amended to read as follows:

Except as provided in this Section, and notwithstanding any provision of state law to the contrary, the Arbitrator may not award civil penalties or punitive damages to any Arbitration Claimant. The Arbitrator may award a civil penalty if applicable state law permits a recovery of civil penalties and if the Claimant establishes that Ford (a) knew of its obligation under state law or this Settlement Agreement, as amended, to repurchase the Claimant's vehicle and, (b) prior to the Arbitrator's award, declined to do so after being provided with the Claimant's notice of intent to proceed to arbitration under Section II.N.4. Civil penalties cannot be awarded if Ford reasonably and in good faith believed that the facts did not require an offer to replace the vehicle or refund the lease payments. The award of civil penalties may not exceed the repurchase amount awarded

by the Arbitrator. Ford has the right to appeal any award of civil penalties to the Appellate Arbitrator at its own expense.

16. The first three lines of Section III.F are amended to read as follows:

If this Settlement Agreement, as amended, is finally approved by the Court, a Final Order and Judgment directing the entry of judgment pursuant to Fed. R. Civ. P. 54(b) shall be entered substantially in the form attached to the Amendment to Stipulation and Agreement of Settlements Exhibit F, as follows:

17. Section IV.O is added to read as follows:

Ford and Plaintiffs shall jointly prepare an informational, single-page postcard advising Class Members that improvements have been made to the Settlement and referring them to the Settlement Website for details. Within 14 days of the Effective Date, the Claims Administrator shall mail the postcard, at Ford's expense, using the same mailing list used for the original class notice. Within 14 days of the Effective Date, Ford and Plaintiffs shall jointly develop a summary of the Settlement, including the new provisions, for inclusion on the Settlement Website.

18. Ford and Plaintiffs shall jointly develop amendments to the Exhibits to the Settlement Agreement, including the Rules of Arbitration, to the extent necessary to incorporate the terms of these Amendments.
19. In support of Plaintiffs' motion for final approval of the Settlement, as amended by this agreement, Ford will submit a declaration establishing what it has paid to date to repurchase vehicles owned by Class Members who gave notice of intent to arbitrate pursuant to Section II.N.4.

## FIRM PROFILE

Capstone Law APC is one of California's largest plaintiff-only labor and consumer law firms. With over twenty-five seasoned attorneys, many formerly with prominent class action or defense firms, Capstone has the experience, resources, and expertise to successfully prosecute complex employment and consumer actions.

Since its founding in 2012, Capstone has emerged as a major force in aggregate litigation, making law on cutting-edge issues and obtaining over a hundred million dollars in recovery for employees and consumers:

- Capstone has made important contributions to consumer protection law. In *McGill v. Citibank N.A.*, 2 Cal. 5th 945 (2017), Capstone represented plaintiffs in a major decision holding that the right to seek public injunctive relief under the state's consumer protection laws cannot be waived and that consumers need not satisfy class certification requirements to enjoin unfair business practices on behalf of the public. In *Nguyen v. Nissan N.A.*, 726 F.3d 811 (9th Cir. 2019), Capstone attorneys reversed a denial of class certification, making law that clarified the use of "benefit of the bargain" damages models in consumer class actions.
- In February 2015, Capstone attorneys Raul Perez and Ryan H. Wu were honored with the *California Lawyer* Attorney of the Year (CLAY) award in labor and employment for their work in the landmark case *Iskanian v. CLS Transportation Los Angeles*, 59 Cal.4th 348 (2014), which preserved the right of California workers to bring representative actions under the Labor Code Private Attorneys General Act ("PAGA") notwithstanding a representative action waiver in an arbitration agreement.
- Recognized as a leading firm in the prosecution of PAGA enforcement actions, Capstone is responsible for some of the most important decisions in this area. In *Williams v. Superior Court (Marshall of Calif.)*, 3 Cal.5th 531 (2017), Capstone attorneys achieved a watershed decision before the California Supreme Court as to the broad scope of discovery in PAGA actions. In *Baumann v. Chase Inv. Servs. Corp.*, 747 F.3d 1117 (9th Cir. 2014), a case of first impression, Capstone successfully argued that PAGA actions are state enforcement actions not covered by the Class Action Fairness Act.
- Capstone has an established practice in automotive defect class actions and is currently appointed sole class counsel, following contested class certification, in *Victorino v. FCA US, LLC*, No. 16-1617-GPC, 2019 WL 5268670 (S.D. Cal. Oct. 17, 2019) and *Salas v. Toyota Motor Sales, U.S.A., Inc.*, No. 15-8629-FMO, 2019 WL 1940619 (C.D. Cal. Mar. 27, 2019). Capstone has negotiated numerous class action settlements providing relief to owners/lessees the last five years. See *Granillo v. FCA US LLC*, No. 16-00153-FLW (D. N.J. Feb. 12, 2019); *Morishige v. Mazda Motor of Am., Inc.*, No. BC595280 (Los Angeles Sup. Ct. Aug. 20, 2019); *Falco v. Nissan N. Am. Inc.*, No. 13-00686-DDP (C.D. Cal. July 16, 2018), Dkt. No. 341 (finally approving settlement after certifying class alleging timing chain defect on contested motion); *Vargas v. Ford Motor Co.*, No. CV12-08388 AB (FFMX), 2017 WL 4766677 (C.D. Cal. Oct. 18, 2017) (class action settlement involving transmission defects for 1.8 million class vehicles; final approval pending); *Batista v. Nissan N. Am., Inc.*, No. 14-24728-RNS (S.D. Fla. June 29, 2017), Dkt. 191 (finally approving class action settlement alleging CVT defect); *Chan v. Porsche Cars N.A., Inc.*, No. No. 15-02106-CCC (D. N.J. Oct. 6, 2017), Dkt. 65 (finally approving class action settlement involving alleged windshield glare defect); *Klee v. Nissan N. Am., Inc.*, No. 12-08238-AWT, 2015 WL 4538426, at \*1 (C.D. Cal. July 7, 2015) (settlement involving allegations that Nissan Leaf's

driving range, based on the battery capacity, was lower than was represented by Nissan); *Asghari v. Volkswagen Group of America, Inc.*, Case No. 13-cv-02529-MMM-VBK, 2015 WL 12732462 (C.D. Cal. May 29, 2015) (class action settlement providing repairs and reimbursement for oil consumption problem in certain Audi vehicles); *Aarons v. BMW of N. Am.*, LLC, No. CV 11-7667 PSG, 2014 WL 4090564 (C.D. Cal. Apr. 29, 2014), objections overruled, No. CV 11-7667 PSG CWX, 2014 WL 4090512 (C.D. Cal. June 20, 2014) (C.D. Cal.) (class action settlement providing up to \$4,100 for repairs and reimbursement of transmission defect in certain BMW vehicles).

- Capstone has served as class counsel in a number of significant consumer class actions, providing relief and protection to consumers from deceptive and unlawful business practices, data breaches, and deceptive and false advertising by large corporations and manufacturers. These cases include *Aceves v. AutoZone, Inc.*, No. 14-2032 (C.D. Cal.); *Fernandez v. Home Depot U.S.A.*, No. 13-648 (C.D. Cal.); *Livingston v. MiTAC*, No. 18-05993 (N.D. Cal.).
- Capstone served as class counsel in a number of significant wage and hour settlements, including \$12 million on behalf of a nationwide class of in *Hightower v. JPMorgan Chase Bank*, Case No. 11-01802 (C.D. Cal.), over \$10 million on behalf of non-exempt hourly workers in *Zamora v. Balboa Life & Casualty LLC*, Case No. BC360026 (L.A. Super. Ct.); and \$9 million on behalf of pharmacists in *Dittmar v. Costco Wholesale Corp.*, No. 14-1156 (S.D. Cal.). In *Vorise v. 24 Hour Fitness USA, Inc.*, No. C 15-02051 (Contra Costa Super. Ct.), Capstone and co-counsel negotiated an \$11 million PAGA settlement on behalf of over 36,000 employees for Labor Code violations.

#### SUMMARY OF SIGNIFICANT SETTLEMENTS

Since its founding, Capstone has settled over 100 high-stakes class and representative actions totaling well over \$200 million dollars. Capstone's settlements have directly compensated hundreds of thousands of California workers and consumers. Capstone's actions have also forced employers to modify their policies for the benefit of employees, including changing the compensation structure for commissioned employees and changing practices to ensure that workers will be able to take timely rest and meal breaks. **DECLARATION OF RUSSELL D.  
PAUL IN SUPPORT OF PLAINTIFFS'  
RENEWED MOTION FOR FINAL  
APPROVAL OF CLASS ACTION  
SETTLEMENT**

Date: February 28, 2020  
Time: 10:00 a.m.  
Place: Courtroom 7B

**DECLARATION OF RUSSELL D. PAUL**

I, Russell D. Paul, declare as follows:

1. I am an attorney licensed to practice before all courts of the Commonwealth of Pennsylvania and the States of New York, New Jersey and Delaware. I filed a motion to appear *pro hac vice* in *Cusick v. Ford Motor Company*, No. 2:15-cv-08831-AB (C.D. Cal.) (“*Cusick*”), which was granted on December 23, 2015. Unless the context indicates otherwise, I have personal knowledge of the facts stated in this Declaration and if called as a witness, I could and would testify competently thereto. I am a Shareholder at Berger Montague PC, counsel of record for Plaintiffs in the above-captioned action (“Plaintiffs’ Counsel”). I make this Declaration in support of Plaintiffs’ Renewed Motion for Final Approval of Class Action Settlement.

**SUMMARY OF ALLEGATIONS AND PROCEDURAL HISTORY OF *CUSICK***

2. On November 12, 2015, Plaintiffs Maureen Cusick, Tonya Patze, Patricia Soltesiz, Lindsay Schmidt, Joshua Bruno, Virginia Otte, Patricia Schwenker, Jason Porterfield, Jamie Porterfield, Abigail Fisher, Christi Groshong, and Eric Dufour filed a Complaint in this putative class action against Defendant Ford Motor Co., alleging claims arising from damages related to an alleged defect in the PowerShift dual-clutch automatic transmission (the “Transmission”) that resulted in the affected vehicles lunging or jerking forward when attempting to decelerate, hesitation, and jerking when attempting to accelerate, akin to a slingshot effect. (*Cusick*, Dkt. 1.) These Plaintiffs were residents of the following states: Arizona, California, Colorado, New Jersey, New York, Oregon, Pennsylvania and Washington. The First Amended Complaint was filed on February 22, 2016. (Dkt. 27)

3. Plaintiffs alleged that the Transmission, which Ford billed as a new type of transmission that combines the best features of automatic and standard transmissions, causes the affected vehicles to slip, buck, jerk and to suffer sudden or delayed acceleration and delays in downshifts. Plaintiff Bruno specifically alleged that he began experiencing these types of Transmission problems with his 2011 Ford Fiesta soon after

1 he purchased the vehicle and made multiple visits to Ford dealers to have the  
2 Transmission repaired, to no avail.

3 4. Plaintiffs alleged that Ford knew that the Transmission was defective and  
4 presented a safety hazard but did not disclose this information to its customers. Plaintiffs  
5 sought damages and injunctive relief against Ford for violating the consumer protection  
6 laws of Arizona, California, Colorado, New Jersey, New York, Oregon, Pennsylvania  
7 and Washington, breach of express warranty, breach of implied warranty, breach of  
8 warranty under the Magnuson-Moss Warranty Act and unjust enrichment.

9 5. Ford instituted two Customer Satisfaction Programs, called 14M01 and  
10 14M02. The 14M01 Program attempted to address the problems Plaintiffs identified in  
11 this lawsuit by extending the warranty coverage for the Transmission's input shafts,  
12 clutch, and software calibration in the affected vehicles manufactured prior to June 5,  
13 2013. The 14M02 Program extended the warranty on the Transmission Control Module  
14 to 10 years of service or 150,000 miles for specific 2011-2015 Fiesta and 2012-2016  
15 Focus vehicles. However, Plaintiffs alleged that neither program fully remedied the  
16 harm Class members experienced.

17 6. *Cusick* was consolidated with the instant action on February 22, 2017  
18 (*Vargas* Dkt. 52), and the First Amended Complaint was deemed the "Operative  
19 Complaint" for settlement purposes.

20 **THIRD-PARTY DISCOVERY PERFORMED BY BERGER & MONTAGUE, P.C.**

21 7. In addition to the discovery propounded on Ford, Plaintiffs, through  
22 counsel Berger Montague PC, propounded and obtained significant discovery from  
23 third-parties Getrag Transmission Corporation ("Getrag") and LuK USA LLC, LuK  
24 Clutch Systems, LLC and LuK Transmission Systems, LLC (collectively, "LuK"), the  
25 manufacturers and suppliers of the PowerShift Transmission and its clutches.

26 8. Plaintiffs subpoenaed and received from Getrag over 20,000 documents  
27 comprised of 117,000 pages. After reviewing those and other documents, Plaintiffs,  
28 through counsel Berger Montague, issued a subpoena for deposition, pursuant to Fed. R.

1 Civ. P. 45 and 30(b)(6). During the course of discovery, Getrag made objections to the  
2 scope of the Plaintiffs' document subpoenas and deposition topics. Counsel for Plaintiffs  
3 and Getrag engaged in several telephonic meet-and-confers regarding those disputes in  
4 order to seek resolution and obtain the requested discovery.

5 9. Plaintiffs subpoenaed and received nearly 10,000 documents comprised of  
6 over 36,000 pages from LuK. The LuK documents were obtained as a result of three (3)  
7 separate subpoenas to each of the LuK business entities and after several negotiations  
8 concerning the LuK custodians whose documents were to be searched and the electronic  
9 search terms to be used.

10 10. The documents that Plaintiffs obtained from Getrag and LuK concerned:  
11 the design, specifications, components, manufacture, and modification of the PowerShift  
12 Transmission; the test, analysis, study, simulation, investigation, report and evaluation  
13 concerning the modifications of the PowerShift Transmission installed in the affected  
14 vehicles; and communications with Ford concerning the alleged defect in the PowerShift  
15 Transmission.

16 11. On November 30, 2016, counsel Berger Montague conducted a full-day  
17 deposition of Getrag's corporate representative Neil Jackson in Detroit, Michigan. Mr.  
18 Jackson is the Managing Director of Getrag Transmission Corporation and the Senior  
19 Manager of Product Development. The deposition of Mr. Jackson elicited information  
20 about the Transmission's design, Ford's system requirements and specifications for the  
21 Transmission, the manufacturing processes of its various components, the problems  
22 those components exhibited and their root causes, the thermal capacity of the  
23 Transmission, and changes made to the clutch material, the input shaft seals and the  
24 control software.

25 **BENEFITS OF SETTLEMENT WEIGHED AGAINST RISK OF FURTHER LITIGATION**

26 12. The executed Settlement Agreement, including all exhibits, was previously  
27 submitted to the Court as part of Plaintiffs' Motion for Preliminary Approval. (Dkt. No.  
28 121.) As an experienced class action litigator, I believe that the Settlement Agreement

1 attached as Exhibits 1 and 2 to the Declaration of Ryan H. Wu (the “Amended  
2 Settlement”) reached is fair, reasonable, and adequate and will provide substantial  
3 benefits to Class Members. Those benefits include (1) cash payments for service visits  
4 and software flashes, an arbitration program for repurchase, (2) an arbitration program  
5 for breach of Ford’s New Vehicle Limited Warranty and a reimbursement for certain  
6 clutch replacements, (3) Ford’s guarantee of a minimum payment of \$30 million for the  
7 cash payment component; (4), a \$20 payment to Class Members who attest to having  
8 been turned away from obtaining a Transmission repair; (5) additional benefits for  
9 former owners/lessees, including allowing them to have the same SOL extension  
10 covering current owners/lessees and to obtain a Repurchase under the “fallback”  
11 requirements; (6) making additional changes to the Arbitration Program for the benefit  
12 of Class Members, including removing the “opportunity to repair” prerequisite for  
13 certain Claimants and the bar on civil penalties; and (7) informational notice as detailed  
14 in Plaintiffs’ Renewed Motion For Final Approval of Class Action Settlement and the  
15 Wu Decl.

16 13. The proposed Amended Settlement fairly, reasonably and adequately  
17 provides relief to Class Members for their experiences, particularly in light of the risks of  
18 further litigation and the fact that Ford had extended warranty coverage for Transmission  
19 problems arising in certain of the affected vehicles. As described above, this Amended  
20 Settlement offers substantial benefits to Class Members, including cash payments for  
21 multiple repair visits and an arbitration program that expands Class Members’ rights  
22 while providing an expeditious process for resolving their claims. Plaintiffs expect that a  
23 substantial number of Class members will qualify to receive cash payments, which, to be  
24 clear, is not reimbursement for out-of-pocket expenses but payment for the  
25 inconvenience of taking their vehicle for repairs covered under warranty. The ability to  
26 obtain a repurchase under an expedited program with expanded rights is also significant  
27 – and directly provides a remedy to Class members harmed by the alleged defect.

28 14. When weighed against the risk of further litigation, the Amended

1 Settlement clearly falls within the range of reasonableness. In our view, while the case is  
2 strong on the merits, Ford has raised a number of substantive defenses that present  
3 serious risks in continued litigation. This includes, among other things, a defense that no  
4 Transmission defect exists, or that, even if a defect existed, Plaintiffs would be unable to  
5 show that it constitutes a safety concern. Ford would also have likely argued that  
6 individual issues as to liability and damages would predominate over common issues.

7 15. Certification of a class on a contested motion would also present  
8 significant risks. Ford contends that, as a result of changes in the manufacturing process,  
9 design and software, there are various types of PowerShift Transmissions and not one  
10 common defect. Had litigation continued, Ford would have likely argued that the  
11 variations in the Transmission and in the defects preclude class certification of the  
12 consumer fraud claims for omission. Ford would have also argued that the individual  
13 variations of each customer's proper maintenance of the vehicle, driving conditions, and  
14 whether the vehicle was taken to the dealer in a reasonable time period for repairs,  
15 among others, preclude certification of the warranty claims. While Plaintiffs would have  
16 vigorously disputed these defenses, consumers bringing automotive defect actions face  
17 an uphill battle and are frequently denied class certification due to lack of common  
18 proof.

19 16. Moreover, Plaintiffs shoulder exceedingly high financial risks in pursuing  
20 a consumer action such as the case at bar. A class action against a major automotive  
21 manufacturer, where approximately 2 million vehicles are alleged to suffer a serious  
22 defect, has the strong potential to engulf plaintiffs in protracted, resource-draining court  
23 battles.

24 17. The difficulty of certifying such a class generally, and of prevailing on a  
25 contested motion in this technologically complex case specifically, would be daunting.  
26 In a contested certification motion, Ford would likely submit expert testimony from a  
27 Ford engineer showing that the Transmission for the various affected vehicles differs in  
28 kind – for example, that some Transmissions contain a linear-sliding piston while others

1 do not, or some contain an “Anti-Shuffle Control” while others do not. Plaintiffs would  
2 rely on expert testimony disputing the import of these minor part variations, along with  
3 an expert on consumer expectations, and a damages expert. These hefty costs would  
4 have to be advanced by Plaintiffs and Class Counsel and add significantly to the risks of  
5 proceeding in litigation.

6 18. Even if Plaintiffs were to certify a class on a contested motion, and prevail  
7 on dispositive motions and at trial, the years of litigating this action would almost  
8 certainly diminish the value of the relief to Class members, as their vehicle’s value will  
9 depreciate over time. Any restitution remedies they obtain would be subject to offsets  
10 for the car owner’s use of the vehicle.

11 19. Because any repurchase or rescission remedy requires that a consumer  
12 return the vehicle in a comparable condition to that in which he or she received it, and  
13 because the vehicle’s value depreciates significantly with use and time, Plaintiffs believe  
14 that a prompt resolution of this action would strongly benefit Class members. To that  
15 end, Plaintiffs negotiated a dispute resolution program that expeditiously resolves Class  
16 members’ claims while preserving their right to their own state lemon law remedies.  
17 The proposed Amended Settlement here expands Class members’ rights by increasing  
18 the statute of limitations for current owners or lessees bringing suit and providing for a  
19 default repurchase remedy.

20 20. In light of the substantial risks of continued litigation, including the risk of  
21 maintaining class certification, the strong relief secured for the Class by the proposed  
22 Amended Settlement should be viewed as a fair, reasonable, and adequate compromise  
23 of the issues in dispute.

24 **BERGER MONTAGUE PC.S QUALIFICATIONS AND EXPERIENCE**

25 21. Short biographies summarizing my experience and other attorneys at  
26 Berger Montague is set forth in the firm resume previously submitted the Court as  
27 Exhibit A to my declaration in support of the Motion for Preliminary Approval. Also set  
28 forth in the firm resume are some of Berger Montague’s most significant

1 accomplishments since its creation in 1970. As one of the largest firms in the nation that  
2 prosecutes aggregate actions on a wholly contingent basis, Berger Montague has  
3 recovered billions of dollars for its clients and the classes they represent.

4 22. Berger Montague pioneered the use of class actions in the United States  
5 and its work has resulted in numerous record-breaking recoveries over the past five  
6 decades. By way just a few examples:

- 7 • *Cook v. Rockwell International Corp.*, No. 14-1112, 2015 WL 3853593  
8 (10th Cir. June 23, 2015) (reinstating a \$926 million trial judgment,  
9 including prejudgment interest and punitive damages, obtained by B&M  
10 on behalf of thousands of property owners whose homes were  
11 contaminated by radioactive materials);
- 12 • *Exxon Valdez Oil Spill Litig.*, No. A89 0095 (D. Alaska) (B&M was a  
13 principal trial counsel and obtained a jury award of \$5 billion, later reduced  
14 to \$507.5 million by the U.S. Supreme Court); and
- 15 • *King Drug Co. of Florence, Inc. v. Cephalon, Inc.*, No. 2:06-cv-1797 (E.D.  
16 Pa. Oct. 19, 2015) (\$512 million cash settlement in antitrust case alleging  
17 delayed generic entry of narcolepsy drug Provigil).

18 23. *The National Law Journal*, which recognizes a select group of law firms  
19 each year that have done “exemplary, cutting-edge work on the plaintiffs side,” has  
20 selected Berger & Montague in 11 out of the last fourteen years (2003-05, 2007-13,  
21 2015-16) for its “Hot List” of top plaintiffs’ oriented litigation firms in the United States.  
22 The firm has also achieved the highest possible rating by its peers and opponents as  
23 reported in Martindale-Hubbell.

24 24. In 2009, The Public Justice Foundation awarded its prestigious Trial  
25 Lawyer of the Year Award to Berger Montague attorneys in the *Rocky Flats* mass  
26 tort/environmental class action, for their “long and hard-fought” trial victory against  
27 “formidable corporate and government defendants,” the second time B&M has won this  
28 award.

1           25. Most recently, Berger Montague was honored as the top plaintiffs' law

Case No. CV12-08388 AB (FFMx)

**DECLARATION OF KATHLEEN WYATT  
RE: CLASS NOTICE**

Final Approval Hrg: October 2, 2017

I, Kathleen Wyatt, declare as follows:

1. I am employed by Kurtzman Carson Consultants (“KCC”), located at 3301 Kerner Blvd., San Rafael, California. KCC was retained as the Settlement Administrator in this matter. I have personal knowledge of the facts set forth herein and, if called as a witness, could and would testify competently thereto.

2. KCC performed the services listed herein under my supervision relating to the dissemination of the Notice and preparing for the claims processing following Final Approval.

3. On or about April 3, 2017, KCC caused the CAFA notice to be mailed to the Attorneys General of the states and territories, and the United States Attorney General. The notice

1 included the documents provided by defense counsel and a CD with the relevant case documents.  
2 A true and correct copy of the CAFA notice packet is attached as Exhibit A. A Supplemental  
3 CAFA Notice is in process, which will identify the estimated number of potential class members  
4 that reside in each state and territory.

5 4. Between May 2, 2017 and May 4, 2017, KCC received from defense counsel four  
6 files of Vehicle Identification Numbers (VINs) representing the Model Year 2012-2016 Ford  
7 Focus and Model Year 2011-2016 Ford Fiesta class vehicles equipped with the PowerShift  
8 Transmission originally sold or leased in the U.S. (including territories).

9 5. On or about May 4, 2017, KCC sent these lists to the vendor IHS (Polk) to request  
10 DMV data for all current and former owners and lessees of the vehicles for which the VINs were  
11 provided.

12 6. On or about May 18, Polk confirmed that there were 1,648,673 unique VINs in the  
13 lists.

14 7. On or about June 5, 2017, KCC received the class vehicle registration data from  
15 Polk for all states except California and New Hampshire. The data for California was provided  
16 by Polk on June 7, 2017. The data included the state of registration, model year, model, VIN,  
17 owner type, and transaction date.

18 8. Between June 16, 2017 and June 17, 2017, defense counsel provided three lists of  
19 names of plaintiffs and their attorneys who had pending lawsuits against Ford. KCC, as directed,  
20 removed the names of those plaintiffs from the notice mailing list and added the attorneys who  
21 represent those plaintiffs.

22 9. On July 6, 2017, KCC received the data from Polk for the final state of New  
23 Hampshire.

24 10. KCC formatted the lists for mailing purposes, processed the names and addresses  
25 through the National Change of Address Database to update any addresses on file with the United  
26 States Postal Service ("USPS"), removed 112 duplicate records, removed 3,163 plaintiff records,  
27 added 3,620 attorney records and combined 516,264 records into 5,695 "fleets" for mailing only  
28

one postcard to each entity with 10 or more class vehicles.

11. On July 7, 2017, KCC caused the short form of the Notice of Class Action Settlement ("Notice Postcard") to be printed and mailed to the 2,150,307 names on the list. A true and correct copy of the Notice Postcard is attached hereto as Exhibit B.

12. On or before July 7, 2017, KCC established a toll-free telephone number that class members could call to hear general information and the answers to anticipated frequently asked questions, with the option to speak to a live operator. English and Spanish speaking live operators are available Monday through Friday between the hours of 8:00 a.m. and 8:00 p.m. Eastern Standard Time.

13. On or about July 7, 2017, KCC created a case-dedicated website [www.FordTransmissionSettlement.com](http://www.FordTransmissionSettlement.com) on which class members can review Frequently Asked Questions, retrieve a copy of the Long Form Notice, the Opt In Form and other case documents, and obtain contact information for KCC customer service and Class Counsel. The website has received 279,500 hits since its inception.

14. On July 13, 2017, KCC caused the publication notice to be published in one edition of USA Today. A true and correct copy of the publication notice is attached hereto as Exhibit C.

15. On or about July 28, 2017, KCC learned from defense counsel that the original VIN lists had been over-inclusive. The lists had contained 179,783 VINs for Ford Focus and Ford Fiesta vehicles that did not have the PowerShift transmission. These have been noted in KCC's system of record as "non-class vehicles" on the 258,726 records with these VINs.

16. Since mailing the Notice to the class members, KCC received 130,363 Notices returned by the USPS with undeliverable addresses. KCC, through a third party locator service, performed address searches for these Notices and was able to find updated addresses for 88,469 records. The Notices were re-mailed to the updated addresses.

17. The filing postmark deadline for opt-out s is on September 5, 2017. To date, KCC has received 1,081 timely requests for exclusion from the Settlement. A true and correct report of

1 opt outs is attached hereto as Exhibit D.  
2

3 I declare under penalty of perjury that the foregoing is true and correct to the best of my  
4 knowledge and that this declaration was executed this 28th day of August, 2017 at San Rafael,  
5 California.

## Legal Notice of Class Action Settlement

This Notice concerns the proposed settlement of class action lawsuit against Ford Motor Company (the "Settlement"). The lawsuit alleges that certain Ford Focus and Fiesta vehicles are equipped with defective PowerShift Dual-Clutch Automatic (DPS6) Transmissions ("PowerShift Transmission") that may slip, buck, kick, or jerk, and result in sudden or delayed vehicle acceleration. Ford denies that it has violated any laws, denies that it has engaged in any wrongdoing, and denies that there is any safety hazard or defect. The parties agreed to resolve these issues before they were decided by the Court.

You are receiving this mailing because Ford's records show that you are a current or former owner/lessee of a 2012-2016 Ford Focus or a 2011-2016 Ford Fiesta with a PowerShift Transmission (the "Class Vehicles") and are likely to be included in the Settlement. You will be required to take action to protect your rights or to obtain benefits within the time limits provided by the Settlement and the Orders of the Court. For more important information regarding the Settlement, including how to protect your rights and claim your benefits, go to [www.FordTransmissionSettlement.com](http://www.FordTransmissionSettlement.com) / **1-844-540-6011**.

### What benefits does the Settlement provide?

- If your vehicle's transmission is malfunctioning, you may be entitled to a repair or a repurchase of your vehicle, through an expedited binding arbitration program created by the Settlement.
- If an authorized Ford dealer performed three or more transmission software flashes on your vehicle, you may be entitled to cash payments ranging from \$50 to \$600, depending on the number of service visits.
- If an authorized Ford dealer replaced three or more qualifying hardware parts in your PowerShift Transmission while you owned the vehicle, you may be entitled to cash payments ranging from \$200 to \$2,325 or Vehicle Discount Certificates ranging in value from \$400 to \$4,650, depending on the number of service visits.
- If you paid for a repair to the Powershift Transmission that you think should have been covered by warranty, you may be entitled to be reimbursed.
- If your vehicle was manufactured after June 5, 2013, and two or more clutch replacements were performed on your vehicle under warranty, and you had to pay for a clutch replacement after warranty, you may qualify for reimbursement.

**To learn more about the terms of the Settlement and your rights,  
go to [www.FordTransmissionSettlement.com](http://www.FordTransmissionSettlement.com) or call (844) 540-6011**

### What are my options?

- If you do nothing, you will be part of the Settlement and you will be able to claim benefits if the Settlement is approved by the Court. However, going forward, you will not be able to sue Ford with respect to any issues relating to the PowerShift Transmission in your vehicle.
- If you do not want to be part of the Settlement, you can exclude yourself in writing by **September 5, 2017** in accordance with the terms of Settlement. If you exclude yourself from the Settlement, you will be able to sue Ford with respect to issues relating to the PowerShift Transmission, but you will not get any benefits provided by the Settlement.
- If you do not exclude yourself, you can object to all or part of the Settlement by **September 5, 2017** in accordance with the terms of the Settlement.
- If you have pending litigation against Ford alleging problems with the PowerShift Transmission in Class Vehicles, you are not a part of this Settlement. If final judgment has not yet been entered in your litigation, you have the right to opt-in to the Settlement by **September 5, 2017**. Please consult your attorney before you take action.

### When will I get my benefits?

No benefits will be available, and no claims will be accepted, unless and until the Court approves the Settlement. The Court will hold a fairness hearing on **October 2, 2017** to determine whether to approve the Settlement and to decide the fees and costs for attorneys representing the class and the class representative incentive awards. Plaintiffs' application for attorneys' fees and costs will be filed by August 21, 2017. Please check the website for additional information. You are not required to appear at the fairness hearing, but you may. If you choose to appear, you may hire an attorney to appear for you, at your expense. If and when the Settlement is approved, if you have not timely excluded yourself from it, you will need to submit the appropriate claim forms and supporting documents to the Settlement Administrator or to the Arbitration Administrator to claim your benefits. You may do so through [www.FordTransmissionSettlement.com](http://www.FordTransmissionSettlement.com). If the Settlement is challenged on appeal, claims can be submitted but benefits will not be available until the appeal is resolved.

The Long Form Class Notice and details regarding Settlement benefits and the options available to you are available online at the Settlement website [www.FordTransmissionSettlement.com](http://www.FordTransmissionSettlement.com) or by phone at 844-540-6011. # Harassment on social media runs rampant, poll shows

41% of U.S. adults have been insulted, threatened or stalked

Rachel Sandler  
USA TODAY

Harassment and abuse are becoming the new normal online: 41% of American adults have been personally subjected to on-line harassment — an increase from two years ago — and 66% have witnessed it, a new study released Tuesday by the Pew Research Center found.

The most common forms of harassment, the study found, are offensive name-calling and purposeful embarrassment. But 18% of those who said they have been harassed were victims of more severe forms of harassment, such as threats of physical harm, harassment over a sustained period, sexual harassment or stalking.

According to the study, which surveyed 4,248 people, most of these interactions take place on social media platforms. Some 14% said they were targeted for their political views. Nearly 1 in 10 said they were harassed because of their physical appearance.

Social media giants have been grappling with preventing harassment on their platforms. Over the past year, Twitter has rolled out new tools that make it easier to mute notifications from unknown accounts and trolls. Last year, Instagram announced it would let users filter any inappropriate or abusive comments.

Most respondents, 79%, said tech companies have a duty to step in and prevent abuse on their platforms.

THE MOTLEY FOOL

The study broke the results down by race and gender. More blacks and Hispanics said they were targeted online because of their race and ethnicity. And women were twice as likely as men to say they were harassed because of their gender.

Additionally, female respondents reported they were subjected to sexual harassment at higher rates than men. The study found that 21% of women ages 18 to 29 said they were sexually harassed online — more than twice the number of men in that same age group.

About half of female respondents ages 18 to 29 also told Pew that someone has sent them explicit images they did not ask for.

Men and women also differed in how they view online harassment as a relative problem. About 70% of women said it was a “major” problem while only 54% of men did. More women also said they valued feeling safe and welcome in online spaces more than being able to speak their minds freely.

Overall though, while there is widespread concern over online harassment (62% of respondents said they viewed it as a major problem), there is disagreement in how platforms should balance being able to speak freely and preventing abuse. While 53% said it was more important for people to feel safe, 45% said free speech should take precedence.

Most of the respondents in the Pew study, 79%, said tech companies have a duty to step in and prevent abuse.

# FIAT CHRYSLER TO CLOSE VIPER FACTORY IN DETROIT

FCA US LLC

Fiat Chrysler says it is ending production of the Dodge Viper, first built in 1992, with the 2017 model — its 25th anniversary.

## Automaker says it will offer jobs to all 87 workers at plant

Fiat Chrysler will close the Detroit factory where workers made the small-volume Dodge Viper supercar by hand.

The Italian-American automaker informed Michigan government officials the plant would close Aug. 31 and that it would offer jobs to all of the workers there, according to a letter that surfaced Wednesday.

The plant, built in 1966 and acquired by Chrysler in 1995, now employs about 87 people, according to the letter. The company had announced in 2016 that Vi-

per production would end after the 2017 model year, putting the 392,000-square-foot factory's future in jeopardy.

The facility's closure leaves the Motor City with only one assembly plant completely inside its borders: Fiat Chrysler's factory on Jefferson Avenue. General Motors also owns a plant that straddles the border of Detroit and Hamtramck.

GM remains headquartered in downtown Detroit and the city has many automotive suppliers, but its heritage as a major source of vehicle assembly ended many years ago with the globalization of the auto industry.

Fiat Chrysler spokeswoman Jodi Tinson said the outcome should not come as a surprise.

Over the years, the plant's products included the Prowler, Viper 10-cylinder engines, the SRT10 Roadster and the SRT10 Coupe.

The company's 2015 contract with the United Auto Workers union outlined that no new product would replace the Viper at the plant after the vehicle was discontinued. The company is “just following the law” by filing documentation with the government, Tinson said.

The Viper factory, known locally as the Conner Assembly Plant for the street where it's lo-

cated, has had a turbulent past. It was idled in July 2010 after the Viper was temporarily discontinued following Chrysler's brush with death during its 2009 bankruptcy.

Fiat Chrysler renovated and reopened the plant in December 2012 after redesigning and reviving the Viper. But sales failed to meet projections of 1,500 units per year, and the company was forced to lower the price.

Over the years, the plant's products included the Prowler, Viper 10-cylinder engines, the SRT10 Roadster and the SRT10 Coupe. Altogether, the company made more than 25,400 Vipers at the plant from 1992 through 2016. The vehicle hits the end of the road on its 25th anniversary.

### NOTICES

### LEGAL NOTICE

Legal Notice of Class Action Settlement  
*Vargas v. Ford Motor Co.*, Case No. 2:12-cv-08388-AB-FFM  
United States District Court for the Central District of California

If you purchased/leased a Ford Focus (2012-2016 models) or Ford Fiesta (2011-2016 models) equipped with a PowerShift dual-clutch automatic transmission, this Notice provides information of a proposed class action settlement that could affect your legal rights.

**What is this Notice about?** This Notice concerns the proposed settlement of a class action lawsuit against Ford Motor Company (the “Settlement”). The lawsuit alleges that certain Ford Focus and Fiesta vehicles are equipped with a defective PowerShift Dual-Clutch Automatic (DPS6) Transmission (“PowerShift Transmission”) that may slip, buck, kick, or jerk, and result in sudden or delayed vehicle acceleration. Ford denies that it has violated any laws, denies that it has engaged in any wrongdoing, and denies that there is any safety hazard or defect. The parties agreed to resolve these issues before they were decided by the Court. If you are a current or former owner/lessee of a 2012-2016 Ford Focus or a 2011-2016 Ford Fiesta with a PowerShift Transmission (the “Class Vehicles”), you must take action to protect your rights or to obtain benefits within the time limits provided by the Settlement and the Orders of the Court. For more important information regarding the Settlement, including how to protect your rights and claim your benefits, go to [www.FordTransmissionSettlement.com](http://www.FordTransmissionSettlement.com) or call (844) 540-6011.

**What benefits does the Settlement provide?**

- If your Class Vehicle's transmission is malfunctioning, you may be entitled to a repair or a repurchase of your vehicle through an expedited binding arbitration program created by the Settlement.
- If an authorized Ford dealer performed three or more transmission software flashes on your Class Vehicle, you may be entitled to cash payments ranging from \$50 to \$600, depending on the number of service visits.
- If an authorized Ford dealer replaced three or more qualifying hardware parts in your PowerShift Transmission while you owned the Class Vehicle, you may be entitled to cash payments ranging from \$200 to \$2,325 or Vehicle Discount Certificates ranging in value from \$400 to \$4,650, depending on the number of service visits.
- If you paid for a repair to the PowerShift Transmission that you think should have been covered by warranty, you may be entitled to reimbursement.
- If your Class Vehicle was manufactured after June 5, 2013, and two or more clutch replacements were performed on your Class Vehicle under warranty, and you had to pay for a clutch replacement after warranty, you may qualify for reimbursement.

**What are my options?**

- If you are a current or former owner/lessee of a Class Vehicle and do nothing, you will likely be part of the Settlement class and may claim benefits if the Settlement is approved by the Court. However, going forward, you will not be able to sue Ford with respect to any issues relating to the PowerShift Transmission in your vehicle.
- If you are a current or former owner/lessee of a Class Vehicle and do not want to be part of the Settlement class, you can exclude yourself in writing by September 5, 2017, in accordance with the terms of Settlement. If you exclude yourself from the Settlement class, you will be able to sue Ford with respect to issues relating to the PowerShift Transmission, but you will not get any benefits provided by the Settlement.
- If you do not exclude yourself, you can object to all or part of the Settlement by September 5, 2017, in accordance with the terms of the Settlement.
- If you have pending litigation against Ford alleging problems with the PowerShift Transmission in Class Vehicles, you are not a part of this Settlement. You have the right to opt-in to the Settlement by September 5, 2017. Please consult your attorney before you take action.

**When will I get my benefits?** No benefits will be available, and no claims will be accepted, unless and until the Court approves the Settlement. The Court will hold a fairness hearing on October 2, 2017, to determine whether to approve the Settlement and to decide the fees and costs for attorneys representing the class and the class representative incentive awards. Plaintiffs' application for attorneys' fees and costs will be filed by August 21, 2017. Please check the website for additional information. You are not required to appear at the fairness hearing, but you may. If you choose to appear, you may hire an attorney to appear for you, at your expense. If and when the Settlement is approved, if you have not timely excluded yourself from it, you will need to submit the appropriate claim forms and supporting documents to the Claims Administrator or to the Arbitration Administrator to claim your benefits. You may do so through [www.FordTransmissionSettlement.com](http://www.FordTransmissionSettlement.com). If the Settlement is challenged on appeal, claims can be submitted, but benefits will not be available until the appeal is resolved. The Long Form Class Notice and details regarding Settlement benefits and the options available to you are available online at the Settlement website, [www.FordTransmissionSettlement.com](http://www.FordTransmissionSettlement.com), or by phone at (844) 540-6011. Please review these details carefully and consider consulting an attorney. Please check the Settlement website periodically for more information concerning the status of the Settlement, when benefits will become available, and how and when to submit claims or begin arbitration.

To protect your rights and for information on how to obtain Settlement benefits you must go to [www.FordTransmissionSettlement.com](http://www.FordTransmissionSettlement.com) or call (844) 540-6011.

PLEASE DO NOT CALL THE COURT OR THE CLERK'S OFFICE REGARDING THIS NOTICE.

KATHLEEN WYATT**

Final Approval Hrg: October 2, 2017

I, Kathleen Wyatt, declare as follows:

1. I am employed by Kurtzman Carson Consultants (“KCC”), located at 3301 Kerner Blvd., San Rafael, California. KCC was retained as the Settlement Administrator in this matter. I have personal knowledge of the facts set forth herein and, if called as a witness, could and would testify competently thereto.

2. On September 7, 2017, a Supplemental CAFA Notice was mailed to the Attorneys General of the states and territories, and the United States Attorney General. The notice included documents and information that became available since the prior CAFA notice, including the estimated number of potential class members that reside in each state and territory.

1           3.       To date, KCC has received approximately 10,902 requests for exclusion from the  
2 Settlement, including approximately 5,034 requests sent by Stern Law, PLLC and/or The Liblang  
3 Law Firm, P.C., most of which arrived after September 5, 2017. We are still in the process of  
4 logging requests for exclusion and evaluating their validity. By Friday, September 29, 2017, we  
5 will have completed the logging process and I will submit a supplemental declaration identifying  
6 valid requests for exclusion.  
7

8           I declare under penalty of perjury that the foregoing is true and correct to the best of my

**CLASS ACTION**

Hon. André Birotte Jr.

**[PROPOSED] FINAL APPROVAL  
ORDER AND ORDER TO ENTER  
JUDGMENT**

Date: February 28, 2020  
Time: 10:00 am  
Place: Courtroom 7B

1 On April 25, 2017, the Court entered a Preliminary Approval Order that  
2 preliminarily approved the proposed Settlement Agreement in this Litigation and  
3 specified the manner in which Ford Motor Company (“Ford”) was to provide  
4 Class Notice to the Class. (ECF No. 133.) All capitalized terms used herein shall  
5 have the same meaning as defined in the Settlement Agreement, which was filed  
6 with the Court on March 24, 2017 (Dkt. 121-1), and modified by the Amendment,  
7 which was filed with the Court on January 24, 2020, and is incorporated by  
8 reference. The Settlement Agreement and Amendment together shall be referred  
9 to as the “Amended Settlement” or “Amended Settlement Agreement.”

10 Following the dissemination of the Class Notice, all Class Members were  
11 given an opportunity to request exclusion from the Class or object to the  
12 Settlement Agreement (including Class Counsel’s request for attorneys’ fees and  
13 expenses and the Class Representatives’ collective application for a Service  
14 Award). Prospective Class Members who had a pending suit against Ford as of  
15 the Notice Date were given an opportunity to opt-in.

16 An initial Fairness Hearing was held on October 2, 2017, at which time all  
17 interested persons were given a full opportunity to state any objections to the  
18 Settlement Agreement or to Class Counsel’s request for attorneys’ fees and  
19 expenses and the Class Representatives’ collective application for Service  
20 Awards. Class Members Brenda Lott, Suzanne Lutz, Carlie Oliviant, Gail Slomine,  
21 and Philip Woloszyn (the “Lott Group”) and James “Jason” DeBolt (collectively  
22 with the Lott Group, “Assisting Class Members”) objected. The Fairness Hearing  
23 was held more than 90 days after Ford provided notice of the proposed Settlement  
24 to federal and state-level attorneys general as required by 28 U.S.C. § 1715(b),  
25 thus complying with 28 U.S.C. § 1715(d).

26 Following an appeal by the Lott Group and DeBolt, the Ninth Circuit Court  
27 of Appeal issued a memorandum opinion vacating the initial Final Order and  
28

1 Judgment and instructed this Court to engage in “a more searching inquiry” into  
2 the fairness of the Settlement terms. On January 24, 2020, Plaintiffs filed a  
3 renewed motion for final approval of an Amended Settlement with additional  
4 benefits for the Class, along with a renewed motion for attorneys’ fees, costs, and  
5 service awards. Before the Fairness Hearing, the Lott Group and DeBolt each filed  
6 a motion seeking approval of payments and attorneys’ fees.

7 A Fairness Hearing regarding the Amended Settlement was held on  
8 February 28, 2020, at which time the Court considered whether the proposed  
9 Amended Settlement Agreement is fair, reasonable and adequate, whether the  
10 Amended Settlement was the product of collusion, whether Class Counsel’s  
11 requested attorneys’ fees and expenses were reasonable, whether Class  
12 Representatives’ service awards were reasonable, and whether Assisting Class  
13 Members’ respective requested payments and attorneys’ fees were reasonable.

14 Having read and fully considered the Settlement Agreement and all  
15 submissions made in connection with it, the Court finds that the Amended  
16 Settlement Agreement is fair, reasonable and adequate and should be finally  
17 approved and the Litigation dismissed with prejudice as to all Class Members who  
18 have not excluded themselves from the Class, and without prejudice as to all  
19 persons who timely and validly excluded themselves from the Class.

20 Accordingly, **IT IS HEREBY ORDERED** that:

21 1. This Court has both subject matter jurisdiction and personal  
22 jurisdiction as to this action and all Parties before it, including all Class Members.  
23 The Court certifies the following Class for purposes of settlement only:

24 All current residents of the United States (including  
25 territories of the United States) who, prior to the  
26 Preliminary Approval Order, purchased or leased new  
27 or used Class Vehicles that (1) were originally sold in  
28 the United States (including territories of the United  
States) and (2) were equipped with the PowerShift

Transmission.

Excluded from the Class are:

(1) except as to the Named Plaintiffs in this Litigation and the *Anderson* plaintiffs, all owners or lessees of Class Vehicles who have filed and served litigation against Ford alleging problems with the PowerShift Transmission in Class Vehicles that was pending as of July 14, 2017 and who do not dismiss their actions before final judgment and affirmatively elect to opt-in to the Settlement (Owners or lessees of Class Vehicles who dismiss such litigation and affirmatively opt-in to the Settlement shall be members of the Class for all purposes); (2) Ford's officers, directors, employees, affiliates and affiliates' officers, directors and employees; their distributors and distributors' officers, directors, and employees; and Ford Dealers and Ford Dealers' officers and directors; (3) judicial officers assigned to the Actions and their immediate family members, and any judicial officers who may hear an appeal on this matter; (4) all entities and natural persons who have previously executed and delivered to Ford releases of their claims based on the PowerShift Transmission; (5) all parties to litigation against Ford alleging problems with the PowerShift Transmission in Class Vehicles in which final judgment has been entered, and (6) all those otherwise in the Class who timely and properly exclude themselves from the Class as provided in this Settlement.

2. The Class certified for the purposes of settlement satisfies all of the requirements of Federal Rules of Civil Procedure 23(a) and 23(b)(3).

a. The Court finds that: (i) the Class of over one million Class Members is sufficiently numerous so that joinder would be impracticable; (ii) that primary issues in this litigation, whether the Transmission has a design defect, whether Ford had pre-sale knowledge of the alleged defect, and whether

1 Ford had the legal obligation to repair the Transmission, are  
2 common to the Class; (iii) Plaintiffs' claims are co-extensive  
3 with that of Class Members and are thus typical; (iv) Plaintiffs  
4 and Class Counsel have adequately represented the Class, as  
5 that there is no conflict between Plaintiffs and Class Counsel  
6 and other Class Members;

7 b. The Court also finds a common nucleus of facts regarding the  
8 alleged omissions and warranty claims predominate over  
9 individual issues, and that a class action is superior because  
10 the Settlement obviates the need for further litigation or trial.

11 3. The Court appoints and finally approves Plaintiffs Omar Vargas,  
12 Michelle Harris, Sharon Heberling, Robert Bertone, Kevin Klipfel, Andrea  
13 Klipfel, Maureen Cusick, Eric Dufour, Abigail Fisher, Christie Groshong,  
14 Virginia Otte, Tonya Patze, Lindsay Schmidt, Patricia Schwenker, Patricia  
15 Soltesiz, Joshua Bruno, Jason Porterfield, and Jamie Porterfield as  
16 representatives of the above-described Class. The Court finds that none of the  
17 Class Representatives have an actual conflict with the Class Members and have  
18 diligently represented the Class's interests throughout the litigation.

19 4. The Court finds that Capstone Law APC, Berger & Montague, P.C.  
20 and Zimmerman Law Group have demonstrable experience litigating consumer  
21 and other class actions. The Court hereby appoints and finally approves said law  
22 firms as Class Counsel and designates Capstone Law APC as Lead Class  
23 Counsel. The Court finds that Class Counsel does not have an actual conflict with  
24 the Class Members and have diligently represented the Class's interests  
25 throughout the litigation.

26 5. The Court finds that the mailing of the Short Form Class Notice to  
27 the Class, publication of the Publication Notice, and posting of the Long Form  
28

1 Class Notice to the Settlement Website has been completed on July 14, 2017 in  
2 conformity with the Settlement Agreement and the Preliminary Approval Order.

- 3 a. These forms of notice, taken together, provided adequate  
4 notice of the proceedings, including the proposed settlement  
5 terms as set forth in the Settlement Agreement. The Class  
6 Notice has fully satisfied due process requirements and the  
7 requirements of Rule 23 of the Federal Rules of Civil  
8 Procedure. As executed the Class Notice was the best notice  
9 practicable under the circumstances.
- 10 b. Because the amendments to the Settlement Agreement only  
11 increase the benefits available to the class, with no reduction in  
12 benefits, no new notice to the Class is required. *In re Toyota*  
13 *Motor Corp. Unintended Acceleration Mktg., Sales Practices,*  
14 *& Prods. Liab. Litig.*, No. 8:10ML-02151-JVS (FMOx), 2013  
15 U.S. Dist. LEXIS 123298, at \*244 n.15 (C.D. Cal. July 24,  
16 2013) (“Where the benefit to the class is increased by changes  
17 to proposed class action settlements, courts have held that  
18 supplemental direct notice to the class is not required. ... This  
19 is so because an increase to a class member's recovery is not  
20 the type of change that would cause a class member to request  
21 exclusion from the class settlement.”); *see also, e.g., Molina v.*  
22 *Pacer Cartage, Inc.*, No. 13-cv-2344-LAB (JMA), 2016 U.S.  
23 Dist. LEXIS 142142, at \*2 (S.D. Cal. Oct. 12, 2016) (“Because  
24 the modification did not alter the amount each class member  
25 would receive, the Court concluded that a second notice to  
26 class members was not needed.”).
- 27 c. However, pursuant to the Amended Settlement, and for  
28

1 informational purposes only, Ford and Plaintiffs are hereby  
2 ordered to jointly prepare an informational, single-page  
3 postcard advising class members that improvements have been  
4 made to the settlement and referring them to the settlement  
5 website for details. Within 14 days of the Effective Date, the  
6 Settlement Administrator shall mail the postcard, at Ford's  
7 expense, using the same mailing list used for the original class  
8 notice (except to the extent that the original mailing list  
9 included owners of vehicles not equipped with DPS6  
10 transmissions). Within 14 days of the Effective Date, Ford and  
11 Plaintiffs shall jointly develop a summary of the settlement,  
12 including the new provisions, for inclusion on the settlement  
13 website.

14 6. The Court finds that appropriate notice was given by Defendant to all  
15 "appropriate State and Federal Officials" pursuant to 28 U.S.C. §1715(a), and that  
16 no objections were filed.

17 7. The Court hereby finally approves the terms set forth in the  
18 Amended Settlement Agreement and finds that the Amended Settlement is, in all  
19 respects, fair, reasonable and adequate, and directs the Parties to effectuate all  
20 remaining provisions of the Amended Settlement Agreement according to its  
21 terms.

22 a. Consistent with Rule 23(e)(2)(A)&(B), the Court finds that  
23 the Amended Settlement Agreement has been reached as a result of informed and  
24 non-collusive, arm's-length negotiations conducted by a respected mediator. The  
25 Court further finds that Plaintiffs and Defendant have conducted extensive  
26 investigation and research into the factual and legal aspects of Plaintiffs' claims,  
27 and their attorneys were able to reasonably evaluate their respective positions.  
28

1 The Court further finds that Assisting Class Members, who objected to certain  
2 terms of the original Settlement, participated in further non-collusive, arm's-  
3 length negotiations with Plaintiffs and Ford and contributed to the additional  
4 benefits offered by the Amended Settlement.

5 b. The Court finds that the Amended Settlement Agreement is  
6 fair, reasonable, and adequate. The Court finds that Plaintiffs and Ford have  
7 provided ample information confirming that Class Members have already  
8 received \$47.4 million in gross cash payment from claims for Repurchase. It is  
9 reasonable to expect that many additional Class Members will receive cash  
10 payments from claims for Repurchase after final approval of the Amended  
11 Settlement. The Court further finds the Amended Settlement can be valued by  
12 Ford's guarantee of a \$30 million minimum payment for the cash payment (for  
13 Service Visits for Transmission Hardware Replacements, Software Flashes, and  
14 the \$20 payment by sworn declaration) provided by the Amended Settlement.  
15 The Court finds that, under the terms of the Settlement, Ford has already paid, or  
16 is committed to pay, at least \$77.4 million.

17 The Court finds that the Repurchase benefit provides strong relief to the  
18 Class by modifying lemon laws to favor Class Members. This includes an  
19 extension of the statute of limitations for Claimants and a Settlement-created  
20 fallback standard authorizing a Repurchase if the Claimant had had four  
21 transmission hardware repairs within 5 years/60,000 miles of delivery to the first  
22 retail customer, and the vehicle continues to malfunction. The Amended  
23 Settlement provides additional valuable Class relief by extending the statute of  
24 limitations to seek Repurchase to former owners/lessees and by allowing former  
25 owners/lessees to seek Repurchase under the Settlement-created fallback  
26 standard. The Amended Settlement's modifications to the Arbitration Program,  
27 including eliminating the "final repair" option for Ford before Class Members  
28

1 with fewer than four Transmission repairs can proceed to arbitration and  
2 permitting an award of civil penalties, under limited circumstances, to Class  
3 Members residing in states that have laws authorizing civil penalties for lemon  
4 law claims, is also valuable. It is also reasonable to expect that, as a result of the  
5 additional benefit of a one-time \$20 payment to Class Members who submit a  
6 sworn declaration attesting to having a repair denied, the Amended Settlement  
7 will benefit more Class Members than would the original Settlement.

8 The Court finds that the Amended Settlement is fair, reasonable and  
9 adequate when weighted against the risks of further litigation, including the risks  
10 of losing on the merits of Plaintiffs' consumer fraud and warranty claims, and  
11 the risks of maintaining class status through trial, given the complexity of the  
12 alleged Transmission defect. The Court also finds that counsel had sufficient  
13 discovery to reach an informed view regarding the risks and rewards of further  
14 litigation and settlement.

15 c. The Court finds that the Amended Settlement does not bear  
16 "subtle signs" of collusiveness under *In re Bluetooth Headset Prods. Liab. Litig.*,  
17 654 F.3d 935, 938 (9th Cir. 2011). The Court finds that the relief is not  
18 disproportionate to the attorneys' fees, since Settlement delivers \$77.4 million in  
19 already-obligated payments to the Class while Class Counsel seeks \$8.85 million  
20 in fees and costs, which is 11.4% of those cash benefits, and 10.2% of the  
21 ascertainable minimum (already-obliged payments + fees and costs) of \$86.25  
22 million. The Court further finds that the "clear-sailing clause," as provided here,  
23 does not evince collusiveness because the agreed-upon fees are reasonable and  
24 was separately negotiated after the class relief was finalized. The Court also  
25 finds that the Settlement does not have a reverter. The Court is satisfied, after  
26 engaging in a searching inquiry, that the Amended Settlement is not the product  
27 of collusion and is fair and reasonable.

1           8.     The Court also finds that the Parties, by settling now, will avoid  
2 additional and potentially substantial litigation costs, as well as delay and risks if  
3 the Parties were to continue to litigate the case. Additionally, after considering  
4 the prospective and monetary relief provided as part of the Amended Settlement  
5 in light of the challenges posed by continued litigation, the Court concludes that  
6 Class Counsel secured fair, reasonable and adequate relief for Class Members.

7           9.     The Amended Settlement Agreement is not an admission of fault by  
8 Defendant or by any other Released Party, nor is the Final Approval Order and  
9 Final Judgment a finding on the validity of any allegations or of any wrongdoing  
10 by Defendant or any other Released Party. Neither the Final Approval Order, the  
11 Final Judgment, the Amended Settlement Agreement, nor any document referred  
12 to herein, nor any action taken to carry out the Amended Settlement Agreement,  
13 may be construed as, or may be used as, an admission of any fault, wrongdoing,  
14 omission, concession, or liability whatsoever by or against Defendant or any of the  
15 other Released Parties.

16           10.    The Amended Settlement Agreement shall be fully, finally, and  
17 forever binding on Ford and all Plaintiffs, including all members of the Class  
18 who did not opt out of this Settlement and have not been otherwise excluded  
19 pursuant to the Settlement Agreement.

20           11.    Having granted final approval to this Amended Settlement, the  
21 Court dismisses on the merits and with prejudice *Vargas v. Ford Motor Co., No.*  
22 *2:12-cv-08388-AB (FFMx) (C.D. Cal.)* and each and every action transferred  
23 and consolidated with it, including *Klipfel v. Ford Motor Co., No. 2:14-cv-*  
24 *02140-AB (FFMx) (C.D. Cal.)*, and *Cusick v. Ford Motor Company, Case No.*  
25 *2:15-cv-08831-AB (C.D. Cal.)*. In accordance with the Settlement, the plaintiffs  
26 in *Anderson v. Ford Motor Co., No. 1:16-cv-01632 (N.D. Ill.)* are obligated to  
27 dismiss that action with prejudice. In addition, the Court also dismisses all  
28

1 claims which any Class Member alleged or could have alleged in any complaint,  
2 action, or litigation, based upon the Transmission defect in the Class Vehicles.

3 12. Opt-Outs. All Class Members were given a full and fair opportunity  
4 to participate in the Fairness Hearing, and all Class Members who asked to be  
5 heard were heard. Members of the Class also have had a full and fair  
6 opportunity to exclude themselves from the proposed Settlement and the Class.  
7 Attached hereto as Exhibit A is a list setting forth the name of each person of all  
8 persons who have validly opted out, which is the same exhibit entered by prior  
9 order on December 13, 2017. (ECF No. 240.)

10 13. Having granted final approval to this Settlement, the Named  
11 Plaintiffs and each Class Member hereby forever discharge the Released Parties  
12 from all Released Claims.

13 14. To effectuate the Settlement, the Court hereby orders that all Class  
14 Members who did not timely exclude themselves from the Settlement are barred,  
15 enjoined, and forever restrained from commencing, prosecuting or asserting any  
16 Released Claims against any Released Parties as set forth in Paragraph 13 above,  
17 except that Class Members may continue to pursue claims in the Arbitration  
18 Program as set forth in the Settlement Agreement and the Arbitration Rules.

19 15. Members who have not made their objections to the Settlement in  
20 the manner provided in the Class Notice are deemed to have waived any  
21 objections by appeal, collateral attack or otherwise.

22 16. The Court has considered Plaintiffs' Motion for Attorneys' Fees,  
23 Costs, and Service Awards separate from its consideration of the fairness,  
24 reasonableness and adequacy of the Settlement Agreement. Any order or  
25 proceedings relating to the Motion for Attorneys' Fees, Costs, and Service  
26 Awards, or any appeal from any order relating thereto or reversal or modification  
27 thereof, shall not disturb or affect this Final Approval Order or the Final  
28

Judgment thereon, or affect or delay their finality.

17. The Court awards \$8,471,231.63 in attorneys' fees to Class Counsel and costs in the amount of \$385,268.37, for reasons set forth in greater detail in the Order Granting Plaintiffs' Renewed Motion for Attorneys' Fees, Costs, and Service Awards. Lead Class Counsel are to allocate the fees and cost reimbursement according to the fee allocation agreement among Class Counsel.

18. The Court also approves and awards \$10,000 to Plaintiff Omar Vargas, \$7,500 to Plaintiffs Michelle Harris, Sharon Heberling, Robert Bertone and \$5,000 to Plaintiffs Kevin Klipfel, Andrea Klipfel, Maureen Cusick, Eric Dufour, Abigail Fisher, Christie Groshong, Virginia Otte, Tonya Patze, Lindsay Schmidt, Patricia Schwenker, Patricia Soltesiz, Joshua Bruno, Jason Porterfield, Jamie Porterfield for their services on behalf of the Class and \$1,000 for each of the Plaintiffs in *Anderson v. Ford Motor Co.*, No. 1:16-cv-01632 (N.D. Ill.) for their dismissal of their action with prejudice, and accordingly orders Defendant to pay those amounts to the Claims Administrator for distribution to those Class Representatives.

19. The Court finds that the Lott Group's requested payments of \$5000, each, to Brenda Lott, Suzanne Lutz, Carlie Oliviant, Gail Slomine, and Philip Woloszyn and attorneys' fees of \$339,216.60 and costs of \$8,787.12 to their counsel, Public Citizen and David Gorberg & Associates, are reasonable and reflect their positive contributions to the added benefits provided by the Amended Settlement. The Court therefore approves the requested payment and fees.

20. The Court finds that DeBolt's requested payment of \$5000 to James DeBolt and attorneys' fees of \_\_\_\_\_ and costs of \_\_\_\_\_ to his counsel, George Cochran, are reasonable and reflect their positive contributions to the added benefits provided by the Amended Settlement. The Court therefore

1 approves the requested payment and fees.

2 21. If either (a) the Effective Date of the Settlement does not occur for  
3 any reason whatsoever, or (b) the Settlement Agreement becomes null and void  
4 pursuant to the terms of the Settlement Agreement, the Final Approval Order and  
5 Final Judgment thereon shall be deemed vacated and shall have no force or effect  
6 whatsoever.

7 22. Without affecting the finality of the Final Approval Order and Final  
8 Judgment thereon in any way, the Court retains continuing and exclusive  
9 jurisdiction over the Parties, including the Class Members, to enforce the terms  
10 of the Final Approval Order and Final Judgment, and shall have continuing  
11 jurisdiction over the construction, interpretation, implementation, and  
12 enforcement of the Settlement Agreement.

13 23. The Court finds that no just reason exists for delay in entering the  
14 Final Judgment. Accordingly, the Clerk is hereby directed to enter Final  
15 Judgment.

16 **IT IS SO ORDERED.**
